PARTNER SHIP.

Time Air introduces its new ship.

It's the state-of-the-art Dash-8 and it forms the mainstay of our fleet. A fleet that, with the addition of NorcanAir, can fly you to over 30 destinations in four provinces. A fleet that we're proud to say is operated by one of the largest airlines in Canada.

The Time Air Dash-8 is also a partner ship.

A partner in the new worldwide Canadian Airlines International network. A newly formed network brought about by the alliance of Pacific Western Airlines and Canadian Pacific Air Lines. A network whose spirit takes wing to more destinations in Canada than any other airline. And across five continents.

Time Air and Canadian Airlines International – a great partnership to serve you better in Western Canada.
