It would appear Larry has business travel all figured out.

For most of us, travelling on business is part welcomed escape from the everyday and part summer camp homesickness. That's why at Ramada, we work hard to make sure you're comfortable, settled, and free to focus on your work.

So maybe that means a great sleep and a pot of fresh coffee to start your day. Or convenient in-room computer dataports so you can close the deal with your feet up. At Ramada, we make it our business to make yours run as smoothly as possible. No matter where you're doing business in Canada, chances are there's a friendly Ramada to make you feel at home.

Relax. It's taken care of.
