Everybody's a
bronco rider
sometime
in life.

The gate opens
and all hell breaks
loose, and the
focus is just to
hang on.

Sometimes
you make it
to the end
and sometimes
you get thrown.

Either way you're
surprised and not
a little exhilarated
that you survived.

An eight second rodeo ride
can be a lifetime...

unless you're a photographer
trying to summarize that
explosive eight seconds
in a single frame.
