OK Plus - Frequent Flyer Programme

The main advantage of the OK Plus Programme is the possibility to gain points for ČSA flights and the flights of partner airlines - Continental Airlines, Air Ostrava and flights between Prague and Germany with Lufthansa. Upon reaching certain point limits, members may obtain bonus tickets for the majority of flights on all four airlines. The OK Plus Programme also offers many additional advantages. Get acquainted with them, we believe that they will inspire you.

If you are interested in membership in this attractive programme just fill in a membership form which you may obtain either on board, or in any ČSA sales office.

What advantages are awaiting you? First and foremost you will have a chance to select bonus tickets according to your wish. When selecting a ticket you may freely combine your points, the only limitation is to not exceed the number of points you have in your account. A bonus ticket may also be presented as a gift. As a member of the OK Plus Programme you will initially recieve your Identification Card which you may use to collect points. Eventually you may also acquire a Silver or even a Gold Card which will entitle you to other benefits.

ČSA also cooperates with hotels and car rental agencies. These partners are ready to offer you, OK Plus Programme members, additional advantages in the form of discounts off the rates of their services. At the same time, points will be added to your account for using the services of our partners.

ČSA For You

New airplanes for ČSA

In 2000, ČSA added two additional *Boeing 737* aircraft to its fleet.

Operations to Germany

In cooperation with Lufthansa, you can fly with ČSA directly from Prague to nine German cities: *Frankfurt, Dusseldorf, Berlin, Stuttgart, Hamburg, Hanover, Munich, Cologne/Bonn.*

More connections throughout Europe

To satisfy both your business and personal needs, ČSA is constantly extending its number of regular flights to important European centres. Each week, for example, you may select from *40 flights to Frankfurt, 40 to Paris, 39 to Vienna, 28 to Amsterdam, 27 to Zurich, 20 to London, 19 to Budapest or 14 to Moscow.*

Cooperation with Continental Airlines on flights to the USA

In cooperation with its partner company, Continental Airlines, ČSA offers you connections to 25 US cities. Besides direct flights to New York, you can fly ČSA, with a change in New York, to the following 24 US cities: *Chicago, Washington, Cleveland, Boston, Los Angeles, San Francisco, Indianapolis, Pittsburgh, Detroit, Minneapolis, Atlanta, Miami, Orlando, Tampa, St. Louis, Houston, Denver, Buffalo, Columbus, Kansas City, Phoenix, New Orleans, Rochester and Seattle.*

Comfortable seats in Business Class

For your added comfort, seats with an improved reclining system (up to a position of 30 degrees, and with adjustable foot-rests) have been installed in Business Class on ČSA's Airbus aircraft. In Business Class on Boeing aircraft, three-to-a-row seats are convertible to two seats – separated by a small table.

Air Show on board Airbuses

The *Air Show* programme on longer ČSA Airbus flights will increase travellers' comfort by making it possible to monitor the latest information on the course of your flight.

Constantly heightened Business Class standards

We would like to point out to you the high standard of the services provided in *Business class.* On board you are sure to notice the porcelain dishware on which our tasty food is served to you. On longer flights to the USA, Canada, and the Far East, you will be individually served by our flight crew. In addition to main courses, you will be offered cheeses, fruits, desserts, and salads, and you can even order ice cream.

INTERNET connections

You can find all sorts of interesting information on ČSA, including flight schedules, on the Internet at the following address: *www.czech-airilines.com.*
