HAMBURG AIRLINES – unsere Ziele

HAMBURG AIRLINES wurde im April 1988 durch den Gesellschafter Eugen Block (Elysee Hotel, Hamburg; Block-House Gruppe) gegründet.

Der Name Hamburg ist unser Programm: Wir wollen Hamburg als norddeutsche Metropole direkt und zu passagierfreundlichen Zeiten mit europäischen Geschäftszentren verbinden. Dabei stehen die Bedürfnisse des Fluggastes im Mittelpunkt: schnelle Verbindungen durch direkte Flüge und unkomplizierte Abfertigung sowie individueller Service auf hohem Niveau und Komfort.

HAMBURG AIRLINES betreibt 4 Boeing-de Havilland Dash 8-100 Flugzeuge mit 36 Sitzen; bis 1991 wird die Turboprop Flotte aus 3 fabrikneuen Boeing-de Havilland Dash 8-100 (36 Sitze) und 2 Boeing-de Havilland Dash 8-300 (50 Sitze) bestehen. Die Boeing Dash 8 ist ein modernes und technisch ausgereiftes, leises und zuverlässiges Flugzeug mit hohem Sitzkomfort. Für uns steht eben der Fluggast im Mittelpunkt.

Sowohl unsere Piloten als auch unser gesamtes Flugpersonal sind gründlich und umfassend ausgebildet, erfahren und sorgen dafür, daß Sie zuverlässig und pünktlich ans Ziel kommen.

Das ist Ihr natürlicher Anspruch!

HAMBURG AIRLINES – immer direkt.
Amsterdam, Antwerpen, Brüssel,
Göteborg, London/GATWICK, Rotterdam.

HAMBURG AIRLINES – our objectives

HAMBURG AIRLINES was founded in April 1988 by its shareholder Eugen Block (owner of the Elysee Hotel, Hamburg, and Block-House group of restaurants).

Hamburg – our name – is our essence: We aim to connect Hamburg, the north German trade capital, with major European business centres by direct flights at convenient times. The requirements of our passengers are our prime consideration: faster connections by non-stop flights, assisted by uncomplicated handling and a high level of comfort, with the added benefit of tasteful individual service.

HAMBURG AIRLINES operates 4 new Boeing-de Havilland Dash 8-100 aircraft with 36 seats. By 1991 our turboprop-fleet will consist of 3 new Boeing-de Havilland Dash 8-100 (36 seats) and 2 Boeing-de Havilland Dash 8-300 (50 seats). The aircraft is modern and technically advanced, quiet and reliable, with high passenger comfort. Our main concern is you, the customer.

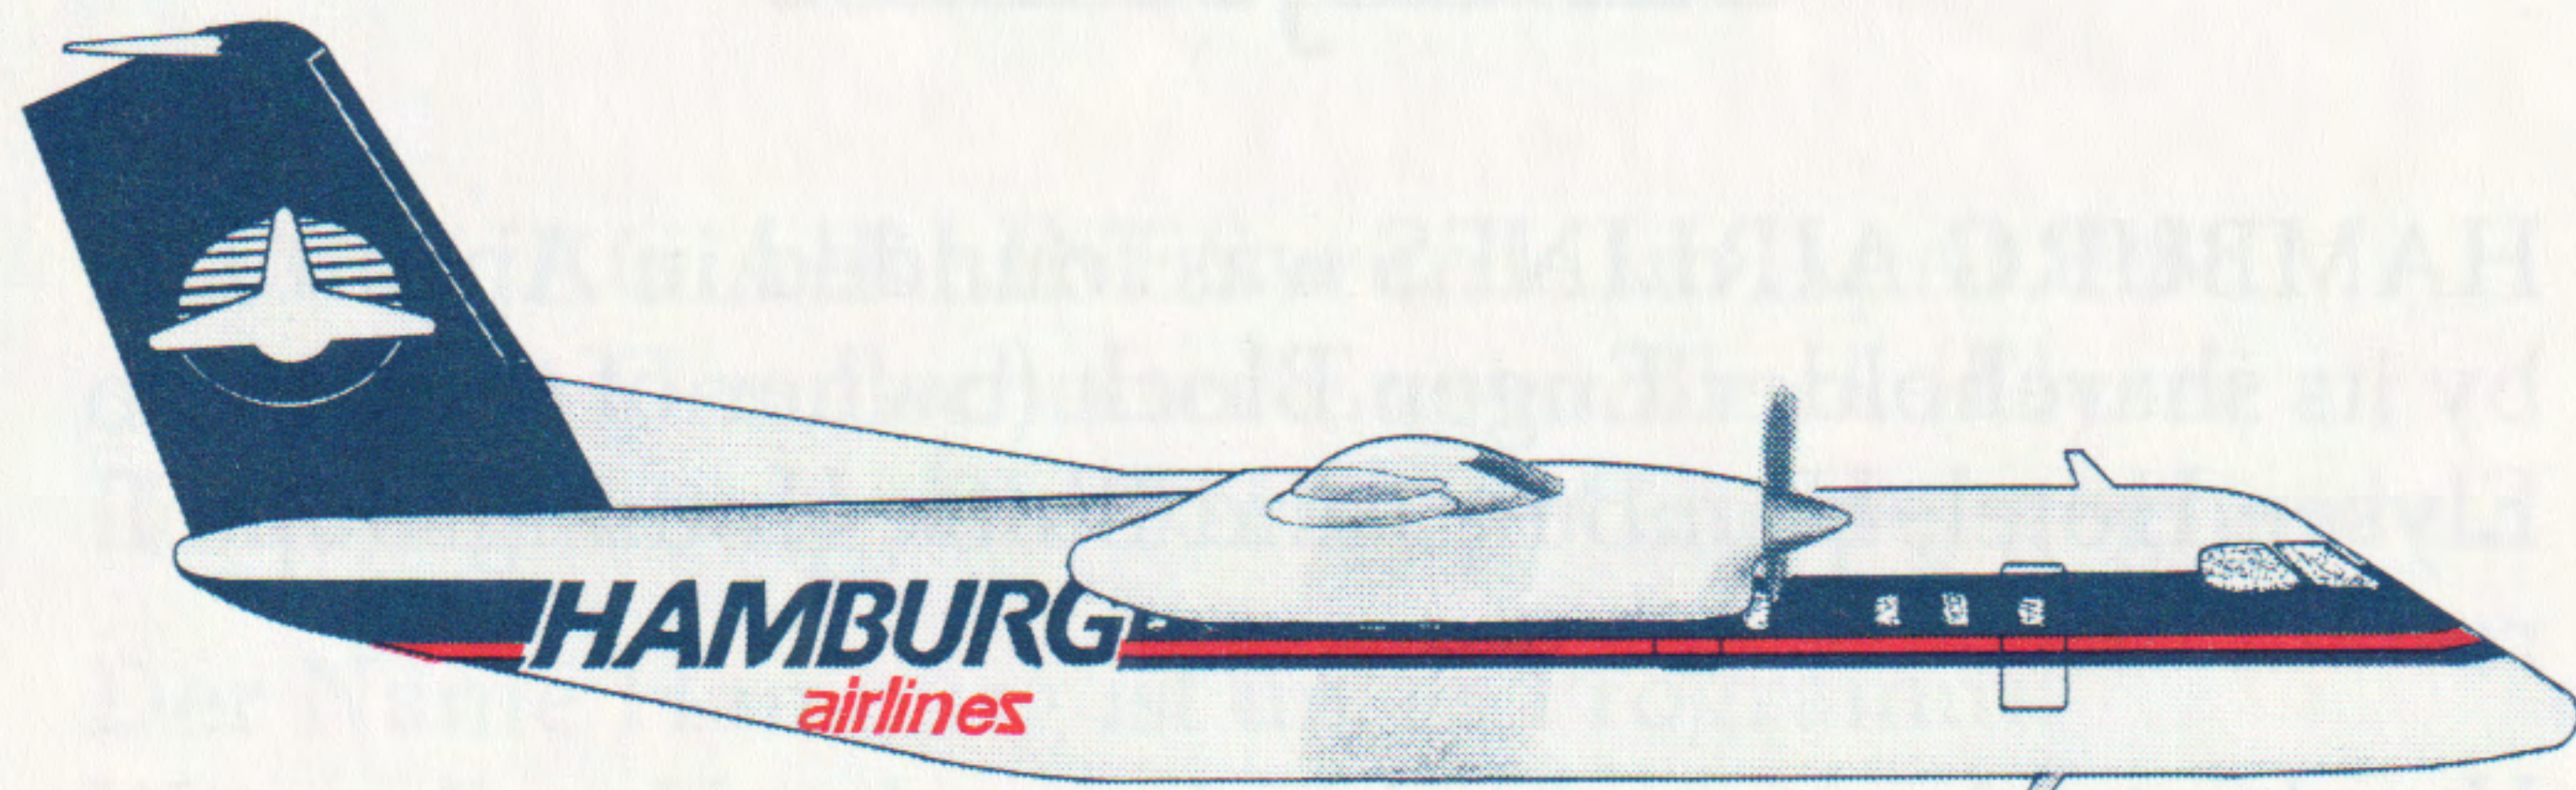

Our pilots, supported by all our staff, are well trained and experienced; we aim to take care of you and ensure that you arrive at your destination safely and promptly.

Fly with us soon and see these qualities for yourself!

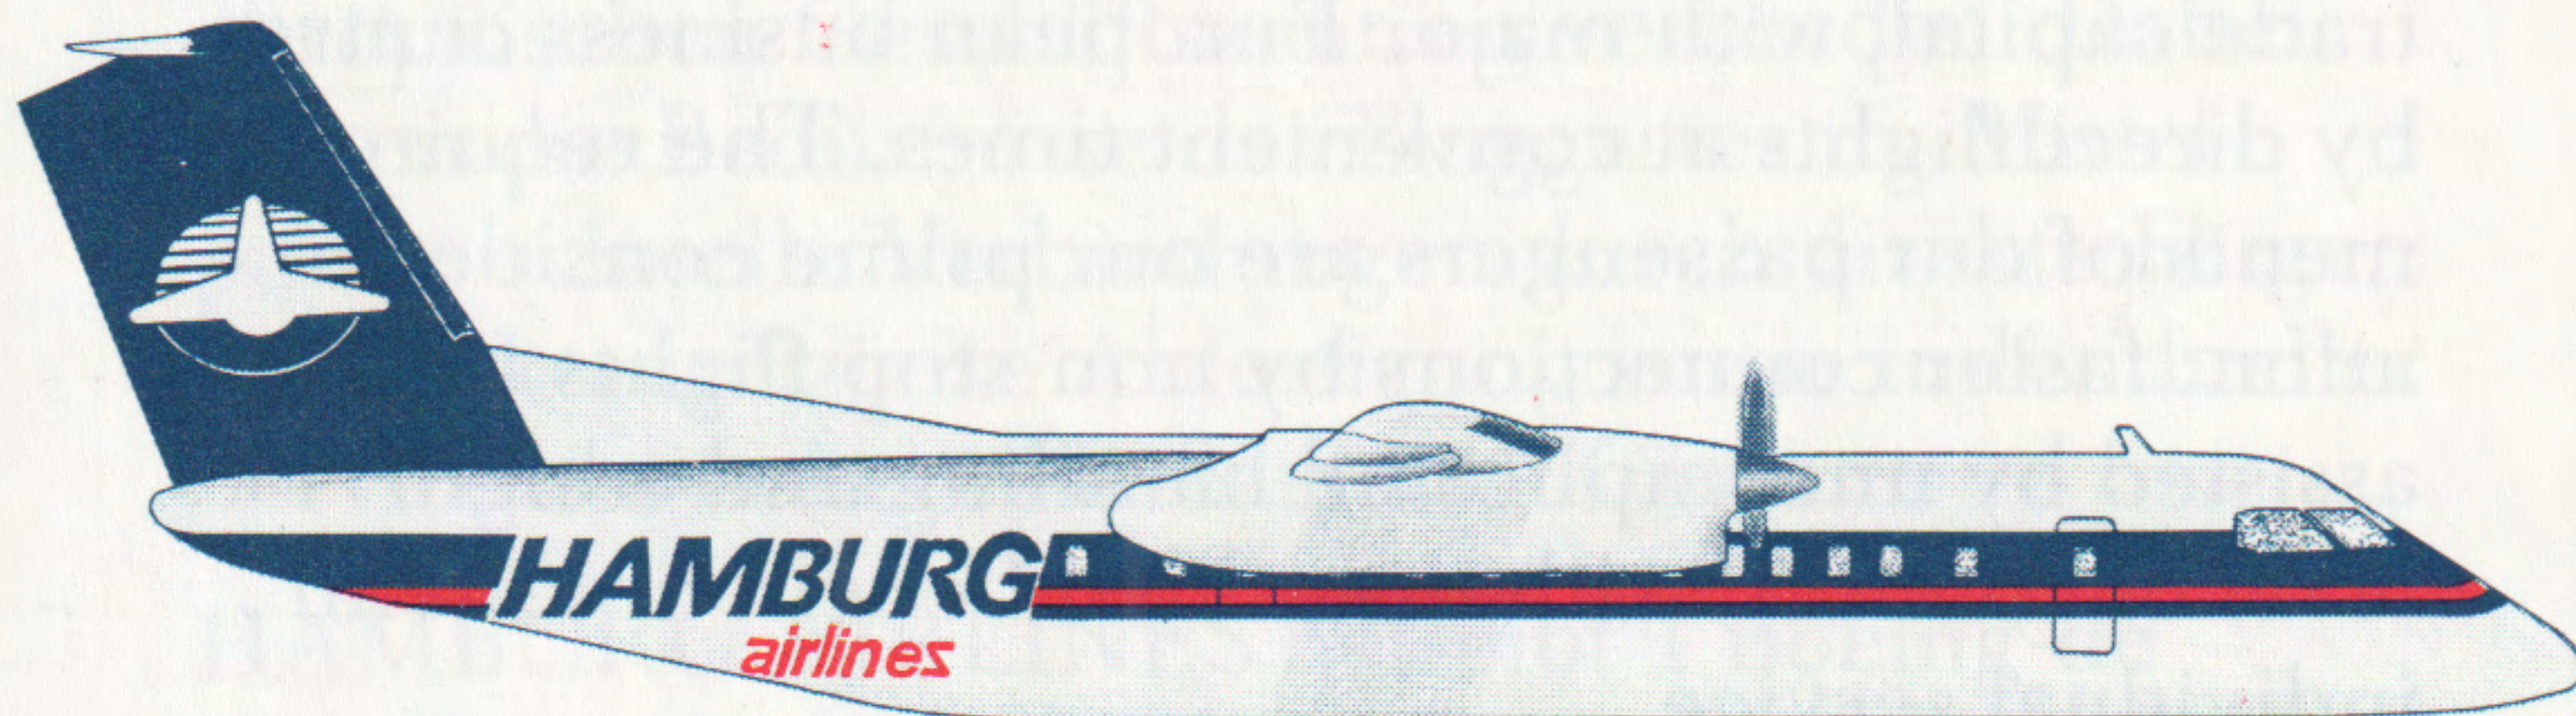

HAMBURG AIRLINES
Amsterdam, Antwerp, Brussels,
Gothenburg, London/GATWICK, Rotterdam.
