## PASSENGERS - MAIL - FREIGHT

### INFORMATION FOR PASSENGERS

**1. Terms and Conditions of Carriage:** An extract from the Conditions under which MISR AIRLINES undertakes to carry passengers will be found inside the cover of every air ticket issued by the Company and MISR AIRLINES advises passengers in their own interests to read carefully these Conditions.

**2. Alterations:** The current time-table cancels all previous issues dealing with MISR AIRLINES regular services and is subject to alteration without notice.

**3. Responsibility:** Although every endeavour is made to ensure the punctuality of the services, nevertheless neither MISR AIRLINES nor its agents are able to accept any responsibility for delay or for suspension of any of its services.

**4. Passports:** Passengers are reminded that passports endorsed for all countries through which they are travelling, and bearing the visas required by current regulations, must be carried on the person. The Company or its Agents will obtain, on payment, passports and/or visas, provided that reasonable notice be given. The Company cannot accept any responsibility for the correctness of passports and/or visas, or for their being incomplete or invalid. Passengers are, therefore, advised to verify the validity and the accuracy of their passports, endorsements and visas, when booking their passages.

### TICKET REGULATIONS

**5. Fares.** The fares given in the time-tables are based on the transport of the weight of a passenger, plus 15 Kgs. of personal luggage, excess of this at P.T. 1 per Kilo per 100 miles, or part thereof. (See Excess baggage rates).

**6. Return Tickets** are issued at a reduction equivalent to approximately 10% (ten per cent) of the single fare quoted for the return half of the journey. They are available for a period of three months starting from the date of the outward journey unless otherwise stated. A passenger who holds a return ticket and who is unable to use the return portion is entitled to claim from Misr Airlines a refund of the difference between the cost of the single and return fare paid, provided that the Company's regulations regarding cancellations have been properly observed. Passengers who do not prepay the cost of the return ticket at the original station of departure are given a certificate with their outward ticket which entitles them to a rebate of 5% (five per cent) of the fare for the return half of the journey. This certificate is also valid for three months.

**7. Children:** Children up to three years of age, when accompanied by an adult, and when no separate seat is required for them, are carried at 10% (ten per cent) of the published fare.

Children between three and seven years of age (or younger children occupying a separate seat) are carried at half the published fare.

In both instances children are weighed individually, but no separate allowance for baggage is made for them.

**8. Reservations:** Passages should be booked in advance. Any travel agent can apply for a reservation on behalf of an intending passenger. If such application be made by telegram or by telephone, the cost of the application and the replies thereto will be borne by the passenger. Other necessary telegraphic charges will be borne by the Company except (a) in cases of cancellation by the passenger (See Clause below) or (b) when the reservation is effected at a station of the Company other than that at which the passenger intends to embark.

Seats will only be reserved on payment of a deposit of 25% (twenty-five per cent) of the published fare (by telegram in the case of telegraphic reservation) and such reservations will be regarded as provisional until confirmed by the Company, and the balance of the fare paid. Provisional reservations automatically lapse 24 hours before the service is scheduled to operate. In no instance will provisionally reserved accommodation be held to the exclusion of passengers prepared to take up their tickets.

**9. Cancellations:** Tickets which, for any reason other than the cancellation of a flight by the Company, are not used on the date and at the time for which they are issued, will be treated as having been cancelled by the passenger and the fare paid will be retained by the Company. If a reservation is cancelled by the passenger and the Company be notified not less than 48 hours before the scheduled date and time of departure of the service, then the full fare will be refunded. If notification be given to the Company of desire to cancel not less than 24 hours

## USE THE AIR MAIL

before the scheduled date and time of departure, the fare less 10% will be refunded, if less than 24 hours notice be given, the full fare will be retained by the Company. Should the reservation of accommodation so cancelled have involved the Company in expenses for telegrams, such charges (even though normally borne by the Company — see Clause above) together with any additional charges incurred in cancelling the reservation shall be debited to the passenger, and may be deducted from the proportion of the fare or deposit due to be refunded.

### BAGGAGE INFORMATION

**10. Baggage:** Because of the regulations imposed by the Customs Authorities, passengers' baggage must contain personal effects only. Merchandise can be carried only as freight, and must be declared as such on embarkation, except on Internal Services.

**11. Excess Baggage:** Excess Baggage is carried at the rates shown at all Stations. Whenever possible baggage will be carried in the same aeroplane as that in which the passenger is travelling but MISR AIRLINES is unable to guarantee that this will always be done. For such off-loaded baggage MISR AIRLINES will endeavour to arrange that it will be sent forward by the next available service to the destination shown on the passenger's air ticket, but on International Services only when passengers clear outgoing Customs prior to air departure and are prepared to allow their baggage to travel unlocked but sealed by the Customs Authorities of the country of departure.

**12. Advance Baggage:** Arrangements may be made if desired, for heavy and bulky baggage to be forwarded by surface transport. MISR AIRLINES will be glad to give the names of Forwarding Agents competent to undertake this work.

**13. Labelling of Baggage:** Passengers' baggage is labelled before departure with MISR AIRLINES labels, which are obtained with the passage ticket. Baggage is registered at the Company's station of departure before embarkation and a Baggage Check affixed to the passenger's ticket except on Internal Services when only Excess Baggage will bear a baggage check. Registered baggage will be handed over at the port of destination to the bearer of this baggage check, and passengers in their own interests should take care that the check does not pass into unauthorised hands, or they may have difficulty in obtaining their baggage.

Passengers are reminded that the Company cannot accept responsibility for small articles such as handbags, raincoats, and so on, which passengers themselves carry on the Company's air liners, and passengers are asked to take special care that such articles are not lost or mislaid.

### ROAD TRANSPORT

**14. Transport between the airport and the town:** Throughout the MISR AIRLINES regular routes, transport between towns and Airports, and vice-versa, is provided wherever necessary by the Company without extra charge, and all tickets issued by MISR AIRLINES include the cost of this transport. Air connection cannot be guaranteed for passengers who elect to supply their own transport.

**15. Departure:** Normally the loading of the aeroplane is completed five minutes before the scheduled time of departure, and passengers are requested to be at the Airport or other place indicated by the Company sufficiently in advance of the appointed time of departure to enable loading (including passport) formalities to be completed in order to allow the service to leave on time. Should a passenger arrive too late for such formalities to be completed without delaying the departure of the service, the passenger ticket may be regarded as cancelled and no claim for refund of the fare paid can be entertained.

### GENERAL INFORMATION

**16. Insurance:** The Personal Accident Insurance rates for Air Travel by MISR AIRLINES are available at every Station served by the Company's Regular Service.

**17. Smoking:** MISR AIRLINES asks its passengers to note that neither the law nor the rules of the Company allow smoking in any of the aircraft in its fleet, either on the ground, or in the air.

**18. Quarantine:** The Company cannot be held responsible for passengers expenses in the event of quarantine restrictions being imposed by any Government along the routes served by its aircraft.

**19. Livestock:** In the interests of its passengers MISR AIRLINES does not carry Livestock on Regular Air Services.
