## GENERAL INFORMATION

1. CONDITIONS OF CARRIAGE.—Air carriage is subject to the General Conditions of Carriage, an extract of which is published on the inside cover of each air ticket.

2. RESERVATIONS AND TIMINGS.—Seats should be reserved as early as possible at U.A.A. offices or at an approved Travel Agency. Bookings are only firm after payment of the fare and issue of the ticket. Although every effort is made to ensure the punctuality of all services, U.A.A. cannot accept responsibility for delays or missed connections. The Company reserves the right to cancel its services without accepting liability. Times shown in this timetable are local times.

3. CHILDREN.—Infants under two years of age, not occupying separate seats, will pay 10 per cent. of the adult fare. Each infant must be accompanied by an adult. If a passenger accompanies more than one infant, additional infants will pay 50 per cent. of the adult fare.

Infants under two years of age occupying individual seats and children between two and twelve years of age will pay 50 per cent. of the adult fare. Age limits will be taken as of the date of commencement of the outward journey.

Subject to application of particular fares and regulations U.A.A. will carry unaccompanied children.

4. STUDENTS' FARES.—Special reduced fares are available on certain journeys for students between the ages of 12 and 26 years of age attending full time school, college, university or other recognised educational institutes. For full details please contact U.A.A. Agencies.

5. SPECIAL FARES.—Special excursion Round Trip fares are available on some U.A.A. routes. For further information please contact U.A.A. Agencies.

6. TAXES.—Some Governments impose transportation taxes; these are not included in the fares quoted and will be collected only where they apply.

7. MEALS.—Meals and non-alcoholic refreshments are served on board free of charge. Alcoholic drinks are served free of charge on First Class services only.

8. HOTEL ACCOMMODATION.—Hotel accommodation for passengers in transit travelling on connecting services, are normally on charge of the carriers involved in the trip within certain limits and with some exceptions. For further details concerning this please contact U.A.A. Agencies.

9. BREAK OF JOURNEY.—Except where otherwise provided for special or rebated fares, a journey may be broken at any scheduled stop provided (a) It has been arranged in advance with the carrier and it is specified on the passenger ticket. (b) Traffic rights enjoyed by carrier are complied with. (c) The journey is completed within the validity of the ticket.

10. TICKETS.—Passengers are requested to pick up their confirmed tickets indicating their positive reservations, by the time stipulated by U.A.A. ticket or reservation Agent. Failing this, U.A.A. will be obliged to cancel the reservation and make space available to others.

Each ticket issued on the international sectors at normal one way, round trip or circle trip fare is valid for one year from the date of commencement of journey or, if no portion of the ticket is used, for one year from the date of issue. For tickets involving an excursion or other special fare having a shorter period of validity, such shorter validity is shown on the ticket. A reduction of 10 per cent. is granted on return tickets.

11. DEPARTURES.—In order to comply with the necessary formalities, passengers are requested to assemble at the Town Terminal or at the Airport at the times shown on the inside cover of the air ticket.

12. DOCUMENTS.—U.A.A. or its Agents will gladly provide information regarding passports, travel permits, certificates of health and inoculation, required for the journey, but passengers must ensure personally that the documents are in order. U.A.A. cannot accept any responsibility for the consequences of any irregularities.

13. NO SHOW CHARGE.—For certain journeys a service charge may be assessed to each passenger who, holding a confirmed space reservation and having not cancelled same before departure of the aircraft, or appears improperly documented, or fails to arrive at the airport by the time fixed by the carrier.

14. BAGGAGE.—Baggage includes all luggage, typewriters, nightbags, brief cases, etc., whether carried in the cabin or the cargo compartments. Checked baggage is not available during the flight.

15. FREE BAGGAGE ALLOWANCE.—The free baggage allowance which applies to each adult or child (paying half the adult fare) is 30 kilos (66 lbs.) on First Class, and 20 kilos (44 lbs.) on tourist class. Infants paying 10 per cent. of the adult fare are not granted any free baggage allowance.

16. CAMERAS AND TRANSISTOR RADIO SETS.—The use of cameras on board the aircraft and in the airport zone is subject to restrictions in most countries. All cameras must be declared to Customs. It is likewise forbidden for flight safety to use on board U.A.A. aircraft transistor radio sets. Passengers are therefore requested to pack their cameras and transistor radio sets in their registered baggage.

17. ADDITIONAL INFORMATION.—United Arab Airlines offices and all approved travel agencies are gladly willing to give any additional information required.
