GENERAL PASSENGER INFORMATION

● **BAGGAGE** - Baggage includes all luggage, parcels and packages carried in the cabin or checked in the cargo space. ETHIOPIAN may limit the size and weight of baggage.

● **BAGGAGE ALLOWANCE** - Free baggage allowance in accordance with following conditions of travel: Domestic tourist class and International tourist/economy class passengers are allowed 20 kilos free baggage allowance. Domestic first class and International first class passengers are allowed 30 kilos free baggage allowance.

In addition to the free baggage allowances provided above, each passenger may carry, without additional charge, certain personal effects such as: an overcoat, an umbrella, ladies' purse or pocketbook, a small camera and/or a pair of binoculars, a reasonable amount of reading material for use in flight and an infants' carrying basket.

● **BAGGAGE - EXCESS WEIGHT** - Baggage weight in excess of free allowance requires payment, per kilo, at the rate of 1% of the first class one way jet fare for adults, whether or not jet aircraft is used. There are special rates for unaccompanied baggage.

● **BAGGAGE LIABILITY** - ETHIOPIAN's liability for baggage is limited to its actual value, but not more than US\$ 16.50 per kilo for checked baggage and US\$ 330.00 per passenger for un-checked baggage on international trips. A higher valuation is accepted provided it is declared prior to flight departure and a charge of US 15¢ is paid for each extra US\$ 100.00 or fraction thereof claimed. Maximum of US\$ 5,000.00 declared value is allowed any one passenger. Liability for baggage carried on wholly domestic tickets is limited by and subject to the Commercial Code of Ethiopia.

● **CHECK-IN FOR FLIGHTS** - Necessary embarkation formalities require that passengers check-in at the airport ticket counter 30 minutes prior to Domestic flight departure and 60 minutes prior to International flight departure. Flight cannot be held for passengers arriving late and no responsibility can be accepted in such cases.

● **CHILDREN'S FARES** - On International transportation, the charge for children less than 2 years of age, not occupying a seat with each accompanying adult passenger is 10% of the adult fare. The charge for children over 2 years and under 12 years, a child under 2 years occupying a seat, or more than one child under 2 years accompanying a passenger is 50% of the adult fare. Children may travel unaccompanied only under certain conditions.

● **GROUND TRANSPORTATION** - Available between downtown scheduled pick-up points and airport at passenger's expense.

● **MEAL SERVICE** - Complimentary meals are served on international flights at appropriate meal times. Complimentary snacks are offered between meal periods. Vegetarian and other special food requests by prior arrangement only.

● **NO-SHOW PENALTY** - Passengers who fail to use confirmed space on an international flight, and do not cancel such space before flight departure will be assessed a penalty of 25% of the one way fare or the sum of US\$ 70.00 whichever is smaller, to destination or to the first point of stopover of more than six hours duration.

● **RESERVATIONS** - ETHIOPIAN may refuse passage to any person when such action is necessary to comply with applicable governmental or traffic regulations, or because of reasons beyond the control of ETHIOPIAN.

● **RECONFIRMATION** - Passengers must reconfirm at least 72 hours prior to flight departure their onward or return reservations from any of the areas shown below to a point outside that area:

- Continental Europe, including the islands adjacent thereto, United Kingdom Ireland and Turkey
- Middle East (Asia West of Pakistan) including United Arab Republic, Sudan, Libya and Tunisia

● **STOPOVERS** - Within the time limit of the ticket, stopovers will be permitted at any scheduled stop, provided the passenger can satisfy all local governmental disembarkation requirements at the stopover point and the fare allowed the passenger does not restrict such stopover.

● **TARIFFS** - All international fares, rates and conditions of carriage are subject to the regulations of the International Air Transport Association of which ETHIOPIAN is a member. Fares are subject to change without notice and are subject to governing tariffs.
