General Information for Passengers

● **Conditions of carriage and Regulations**

The carriage of passengers' baggage and cargo is subject to the conditions of carriage and regulations of the carriers concerned, which may be seen on request at any sales office. It is impossible in the space available here to give more than an outline of points for your guidance. Your agent or ETHIOPIAN office will gladly supply additional information and offer you every possible assistance in connection with your journey.

● **Reservations**

Please reserve your seat as far in advance as possible, through any ETHIOPIAN booking office or authorized agent. ETHIOPIAN makes every effort to provide seats for which reservations have been made. Nevertheless, no absolute guarantee of seat availability is denoted by the expressions 'reservations' "ok" and 'bookings' and the timings attached to them.

Previous consent of the Airline has to be obtained for the transportation of incapacitated passengers and unaccompanied children.

● **Reconfirmation**

If you break your journey for more than 72 hours at any point, please reconfirm your intention of using your continuing or return reservation on ETHIOPIAN. To do so, please inform the Airline office at the point where you intend to resume your journey at least 72 hours before departure of your flight. Failure to reconfirm may result in the cancellation of your reservation(s). If your journey is wholly within Europe this rule does not apply.

● **Schedules**

Schedules are listed in local time. Difference between local time and Gmt is shown opposite each destination. Schedules and types of aircraft are subject to alteration without previous notice and ETHIOPIAN declines responsibility for any delay, cancellation of flight or missed connection.

● **Passport, visa, customs, health and currency Regulations**

Passengers are responsible for compliance with all regulations in force. Ticket sales offices will gladly supply you with all available details without, however, assuming any responsibility for the completeness and correctness of such information.

Passengers without the necessary documents may be debarred from transportation.

● **Check-in Times**

Embarkation and other government formalities require that passengers check-in at the airport ticket counter 60 minutes prior to Domestic flight departure and 90 minutes prior to International flight departure. Flights will not be held for passengers who arrive late and no responsibility will be accepted by ETHIOPIAN in such cases.

● **Baggage Allowance**

Adults and children travelling at half-fare are entitled to 30 kgs of free baggage allowance in the first class or 20 kgs in the economy class. In addition, each passenger may take into the cabin free of charge: 1 small lady's handbag or purse, 1 overcoat wrap or blanket, 1 umbrella or walking stick, 1 small camera and/or 1 pair of binoculars, a reasonable quantity of reading material for the flight, infant's food for consumption in flight, infant's carrying basket, fully collapsible invalid's wheelchair and/or a pair of crutches, and/or braces or other prosthetic device for the passenger's use provided that the passenger is dependent upon them, 1 piece of hand baggage suitable for placing in closed overhead rack or under the passenger's seat.

All baggage in excess of the free baggage allowances will be charged at the rate of 1% of the one-way first class fare per kg. Special rates apply to the carriage of ski and golf equipment. Other free baggage allowances and excess baggage charges apply for travel to/from the USA and Canada. Details are available from ticket sale offices.

Advance notice must be given if the baggage weight exceeds 50 kgs per passenger. It may be advisable to send it as unaccompainied baggage, as the applicable charges are considerably reduced on some routes. This baggage must, however, be registered in advance and no guarantee will be given for carriage on a certain flight. Furthermore, additional formalities may have to be undergone at destination and delivery may be delayed. We request passengers to fill their name, initials, address, telephone number, and/or other alpha/numeric identification on passenger name and address label and affix to their baggage both inside and outside. The labels are available free from all ETHIOPIAN ticket sales and check-in counters.

● **Children and Infants**

An infant under two accompanied by an adult, and not occupying a seat, is charged 10% of the adult fare. Additional infants under two accompanying the same adult or occupying a separate seat and children over two who have not attained their twelfth birthday, are charged 50% of the adult fare. Children may travel unaccompanied only under certain conditions.

● **Fares**

The fares applicable are those in force at time of commencement of the journey and are subject to alteration after the purchase of the ticket without notice.

● **Refunds**

ETHIOPIAN cannot guarantee refund for a cancelled or transferred reservation. In some instance, the tariff would restrict or even prohibit the granting of any refund. If seats for a return journey cannot be reserved within the validity of a return ticket, the full one-way fare will apply to the outward journey and any application for refund will only be dealt with on this basis.

● **Credit Cards**

The following credit cards are accepted by ETHIOPIAN in payment of tickets and baggage checks: American Express, Diners Club, Bank America (honoured in italy only), Universal Air Travel Plan.

● **Changes to Tickets**

In so far as the tariff in question permits changes to booking, routing, class, destination or validity will be made by ETHIOPIAN at the request of passengers if early application is received, and any fare differences will be charged.

● **Hotel Accommodation**

In some cases and in accordance with the regulation of ETHIOPIAN or other Airlines concerned meals and/or hotel accommodation may be provided for onward passengers where necessary. However, there are cases where these facilities are expressly prohibited. Regulations governing travel by other carriers may differ especially in respect of hotel accommodation.

● **Meal Service**

Complimentary meals are served on International flights at appropriate meal times. Complimentary snacks are offered between meal periods. Vegetarian and other special food requests by prior arrangement only. Alcoholic beverages and cigarettes for consumption on board are included in the first class fare; economy class passengers may buy against payment. On Flights operated with three classes of service, alcoholic drinks are served free of charge to business class passengers.

● **No Smoking Passengers**

To improve your comfort a special non-smoking section is reserved for you on all ETHIOPIAN flights: if you wish a seat in that section, please do ask when checking-in.

● **Restricted Articles/Dangerous Goods**

For safety reasons restricted articles, as defined in the IATA dangerous goods regulations such as those listed herebelow shall not be carried as, within, or as part of passenger's baggage:

— Briefcases and attache cases with installed alarm devices
— Compressed gases (flammable, non-flammable and poisonous) such as camping gas
— Corrosive materials (such as acids, alkalis and wet cell batteries)
— Etiologic agents
— Explosives, munitions, fireworks and flares
— Flammable liquids and solids (such as lighter or heating fuels, MATCHES and articles which are easily ignited)
— Irritating materials
— Magnetized materials
— Oxidizing materials (such as bleaching powder and peroxides)

— Poisons
— Radioactive materials
— Other restricted articles such as mercury or noxious materials in the IATA dangerous goods regulations

Such articles must be packed, marked, labelled and documented in accordance with the IATA restricted articles regulations.

The following articles may be carried (in hand baggage only) provided that they are in small quantities for personal use: medical and toilet articles, dry ice, alcoholic beverages, smoking materials carried on person including gas lighters containing petroleum gas but excluding lighters with flammable liquid reservoirs and any type of lighter refills (gas or liquid), with ETHIOPIAN'S approval small oxygen cylinders for medical use and small carbon dioxide gas cylinders worn by passenger for the operation of mechanical limbs. With the exception of hearing aids, cardiac pacemakers, electronic clocks, watches and calculators and portable tape records, the use of transistor radios and other electronic appliances on board may influence the navigational aids of the aircraft. Therefore, their use on board is forbidden.

- **Validity of Tickets**

The validity of tickets depend on the fare. It is limited and shown on the flight coupons: generally one year. You must begin your journey within one year from the date of issue of your ticket, and terminate it within one year from the effective date of departure (except in the case of special tariffs of limited validity).

The information contained in this timetable is based on the latest information available at the time of going to press and is subject to alteration without notice. Services may be modified e.g. during national public holidays. Services and fares may be subject to government approval.

- **Facilities to Clientele**

In order to facilitate inflight purchase of duty free items, please provide yourself with small notes. American Express cards can also be used for purchase of these items.
