RULES AND REGULATIONS FOR VISITORS TO INDONESIA

Immigration

Transport

There are metred taxis only in Jakarta. Flagfall is Rp. 360 (for the first kilometre) and Rp. 160 for each additional km. Cars can be rented and rates differ from area to area and it is best to ask the transport counter of your hotel information concerning rate and distances.
Other forms of transport are minicars for two passengers, the "bemo" (small bus) which plies a regular route, the mandriven "becak", all of which need advance bargaining to come to a mutually accepted fare. Buses are very crowded, particularly in the cities and routes need to be identified.
