ALL FARES, RATES, CHARGES AND REGULATIONS ARE SUBJECT TO ALTERATION WITHOUT NOTICE

REGULATIONS

GENERAL

All fares published in this timetable are TOURIST class fares, available for travel only on TOURIST class services, and are valid for 12 months except those specified as 17 or 23-day excursion fares. Passenger fares cover only carriage from AIRPORT to AIRPORT and a separate charge (see below) is made for passengers who use the coach service between city terminals and airports.

BAGGAGE

For travel exclusively on the services shown in this timetable the free baggage allowance for adults and children two years of age and over is 20 kg. (44 lb.) There is no free baggage allowance for infants travelling at 10 per cent. of the adult fare.

DAWNFLIGHT/STARFLIGHT FARES

Dawnflight/Starflight fares are valid for travel only on services designated as Dawnflight/Starflight services and may not be combined with onward fares, except for the calculation of circle trips.

Dawnflight/Starflight fares, however, may be combined with day fares between the same points, i.e. between 1st June and 6th October, a passenger travelling in one direction by Dawnflight/Starflight service on any day of the week and returning by dayflight service (or v.v.) will be charged the sum of one-half the Dawnflight/Starflight return fare and one-half the applicable return fare for travel on day service—applicable meaning the 17-day excursion fare when travel on the day service is on Tuesday, Wednesday or Thursday, and all travel is completed within 17 days, or the normal return fare when travel on the day service is at weekend or when the outward and return travel is not completed within 17 days.

EXCURSION FARES

Until 1st June 17-day excursion fares are valid for travel every-day of the week, but from 1st June to 6th October travel is restricted on these fares to Tuesdays, Wednesdays and Thursdays on most routes as indicated in the notes relating to excursion fares in the fares table.

The Dublin/Shannon and Dublin/Lourdes excursion fares may be combined with any onward fare. Excursion fares between Ireland and the United Kingdom may be combined with onward excursion fares from the United Kingdom. Each excursion fare may be sold only in the countries between which it is applicable except that any excursion fare saleable in the United Kingdom is also saleable in Ireland and v.v.

STUDENT AND STUDENT NURSES' FARES

Special discounts on round trip fares are available to school children and students for travel between their homes and the educational establishments at which they are attending a full-time course. Special discounts on round-trip fares between Ireland and United Kingdom are available to student nurses travelling between their homes and their training establishments. Applicants must be under 26 years of age and must submit a completed Students' Fare Certificate before the discount can be granted. Student Fare Certificates may be obtained from Aer Lingus or any travel agent.

PUNCTUALITY. Every effort is made to ensure the punctuality of Aer Lingus flights. However, Aer Lingus cannot guarantee that departures or arrivals will be made at the exact times stated in the Timetable, or that connections with other services will be made, nor can Aer Lingus accept responsibility for the consequences of a delay to, or cancellation of any flight.
