GETTING INTO CENTRAL LONDON

Luton Airport is the natural choice for London travellers. British Rail's Thameslink service offers rail connections from Luton to the City of London and centres south of the Thames including Brighton, London Bridge, East Croydon and Gatwick Airport.

Exclusive to Ryanair - Special Reduced Price Rail Tickets.

Ryanair passengers originating in Ireland can purchase reduced rate rail tickets between Luton Airport and Central London (St. Pancras/ Kings Cross Thameslink). Tickets cost just IR£7.50 for a return ticket (valid one month). These tickets are only available from travel agents or Ryanair offices in Ireland or from check-in desks prior to departure.

Coach Service to London

A 757 Coach Service operates from outside the terminal building at Luton Airport to Victoria. This service operates every half hour during peak periods and every hour at other times during the day. A return ticket costs UK£8.00 and is available from the coach driver.

Train Service to London

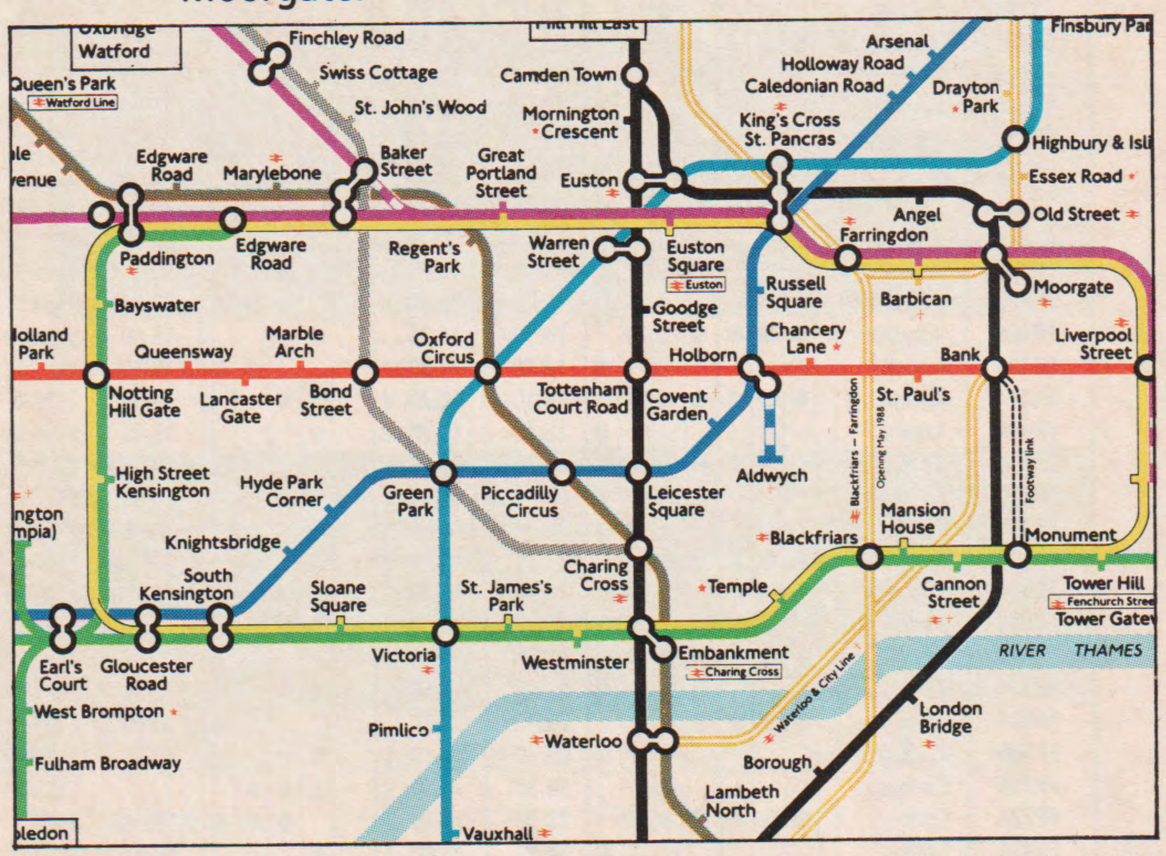

The Luton Flyer Shuttle Bus operates every 10 minutes linking Luton Airport and Luton Rail Station from where there are frequent trains to London and the East Midlands.

Your Choice of Stations

London bound passengers have a choice of two principal stations, St. Pancras and Kings Cross Thameslink, which are approximately 500 yards apart.

If you are travelling onwards by taxi or being met by friends, we recommend St. Pancras as your first choice of London Stations.

If you are connecting to the Underground on the Victoria, Piccadilly or Northern lines then Kings Cross Thameslink is a more convenient station. Passengers for the City of London including Moorgate or connecting to the Circle or Metropolitan lines will find Farringdon a convenient interchange. There are periodic trains (operating during peak morning hours only) which connect directly between Kings Cross and Moorgate.

LRT Registered User No. 89/E/467

Train Timetable

A timetable showing trains from London to and from Luton appears on the next six pages together with details of the most convenient train connections to your particular flight. Train services may alter during Bank Holidays. For details of this schedule contact British Rail directly. Tel: (071) 387 7070.

AIR/RAIL PLANNER

For the convenience of passengers arriving at Luton Airport and planning to use the Luton Flyer rail/air service to Central London, we have compiled this planner based on our schedule. Firstly check your flight number and the day of the week on which you are travelling. The planner indicates the time at which you can reasonably expect to arrive at either St. Pancras or Kings Cross Thameslink Stations in London.
