CORK AIRPORT AerRianta

The new vastly improved passenger terminal at Cork Airport is considered by many to be the jewel in the crown of the Irish Airports. Marble fountains and aquaria containing tropical fish are placed around the building to relax and entertain its customers, while an open coal fire in the arrivals hall conveys a real sense of Irish welcome.

Important Advice

- All Ryanair passengers are advised to check-in for their flight no later than one hour before the scheduled time of departure. Check-in closes 30 minutes before departure.
- Flight reservations made at least one week in advance of date of departure should be verified on the day prior to departure, in order to confirm flight reservation and departure time.
