Even easier transit in Munich and Frankfurt!!!!

Following Italy's membership of the Schengen Agreement, flying to Munich or Frankfurt will be like taking a domestic flight: it will no longer be necessary to present identification documents when leaving Italy or entering Germany, thereby making transit even quicker and more convenient. Another good reason for preferring our flights towards your final destination through two airports providing a multitude of connections to Europe and the rest of the world.

Caro passeggero

con questo breve annuncio, vogliamo attirare la Sua attenzione su un problema importante.

Purtroppo si verifica spesso che passeggeri prenotati non si presentino all'imbarco e quindi rinuncino al volo. Ciò avviene senza preavviso all'agenzia di viaggio oppure alla compagnia aerea. Con questo comportamento, i passeggeri "no show" ci costringono a rinunciare alle prenotazioni dell'ultimo minuto che invece potremmo confermare. Ovviamente, non possiamo assegnare uno stesso posto più volte cercando soluzioni alternative per le persone alle quali non viene accettata la prenotazione.

Non presentarsi al volo crea un grande disservizio per gli altri passeggeri oltre che alla compagnia aerea.

La ringraziamo per la comprensione e per aver scelto Air Dolomiti.

Dear passenger

Air Dolomiti would like to address this short notice on behalf of all passengers and airlines. It concerns a growing problem within the airline industry. Unfortunately, it happens quite often that confirmed passengers do not attend the flight they booked. This happens without any previous notice to the travel agent or the airline.

Due to this behaviour, many other passengers are penalized, because our booking capacity obviously respects the effective capacity of the aircraft. Passengers who are likely to make a last minute booking are often refused or rerouted on other flights because the reservation system indicates that the flight is fully booked.

"No show" passengers in fact create a major problem to all airlines, because the airline is not in the position to sell all seats available on this specific flight.

We appreciate your attention and thank you for choosing Air Dolomiti.

Sehr geehrter Fluggast

Air Dolomiti moechte im Interesse aller Flugreisenden und im Namen aller Fluggesellschaften mit diesem kurzen Artikel auf ein staendig wachsendes Problem hinweisen.

Leider kommt es haeufig vor, dass Passagiere unerwartet und ohne jeglicher Mitteilung an das Reisebuero oder die Fluggesellschaft den eigentlich gebuchten Flug nicht antreten.

Durch dieses Verhalten werden andere Passagiere benachteiligt, da unsere Buchungskapazitaet natuerlich der Anzahl Sitzplaetze entspricht, welche an Bord des Flugzeugs auch wirklich verfuegbar ist. Passagiere, welche kurzfristig noch buchen moechten, muessen in Einzelfaellen abgewiesen oder auf andere Fluege umgelistet werden.

Durch das Nichterscheinen des Passagiers wird die zur Verfuegung stehende Kapazitaet des Fluggeraets nicht optimal ausgelastet und der Fluggesellschaft entgeht daher die Moeglichkeit, einen zusaetzlichen Passagier zu transportieren.

Wir danken Ihnen fuer Ihr Verstaendnis und freuen uns, dass Sie Air Dolomiti gewaehlt haben.
