airJamaica

Air Jamaica starts your vacation early.

Non-stop daily to Jamaica from New York and Miami
Daily non-stop from Chicago to Nassau... then on to Jamaica

Step aboard an Air Jamaica jet. You've started your vacation, Mon! The pretty faces you see belong to our beautiful Jamaican stewardesses. (They're our Rare Tropical Birds.) The music you hear is the heartbeat of the Caribbean. Real island music. Your vacation has already started. **Air Jamaica** is the airline of Jamaica. So we take a little bit of our island with us wherever we go. We fly you in style with Super DC-8 equipment every day from

New York City. And Super DC-9's from Chicago and Miami. Our destinations: Jamaica and the Bahamas. When we fly you north to the States, the happiness of the islands comes along. **Air Jamaica** is the only airline in the world with a fashion show on board. Our Rare Tropical Birds model the latest resort wear. Then they flock to your side with your favorite chilled drinks. And Rum Bamboozles, a special nectar we invented, are served

free, even in economy class. **Our first-class** passengers between New York and Jamaica on our Super DC-8 can lounge around the only stand-up bar on the New York-Jamaica run. (There's a party going on!) **Every pilot** wants to fly with an airline that goes to the islands every day. So we can be pretty selective. Air Jamaica pilots form an Elite Corps. **You don't just eat.** You dine. Elegantly, and endlessly.

Seafood, steaks and poultry. And authentic island food, too. Try our ackee, plantains, curried rice, and Lobster Port Royal. (Of course, only the finest European wines are served.) Then we top it all off with Jamaican fruits so fresh you'll swear they were picked just hours ago. It isn't surprising. They were. **Come have fun** on your way to a good time. Air Jamaica really does start your vacation early. Call your travel agent now.

It's a little bit of Jamaica in a whole lot of plane.
