ANA

All Nippon Airways

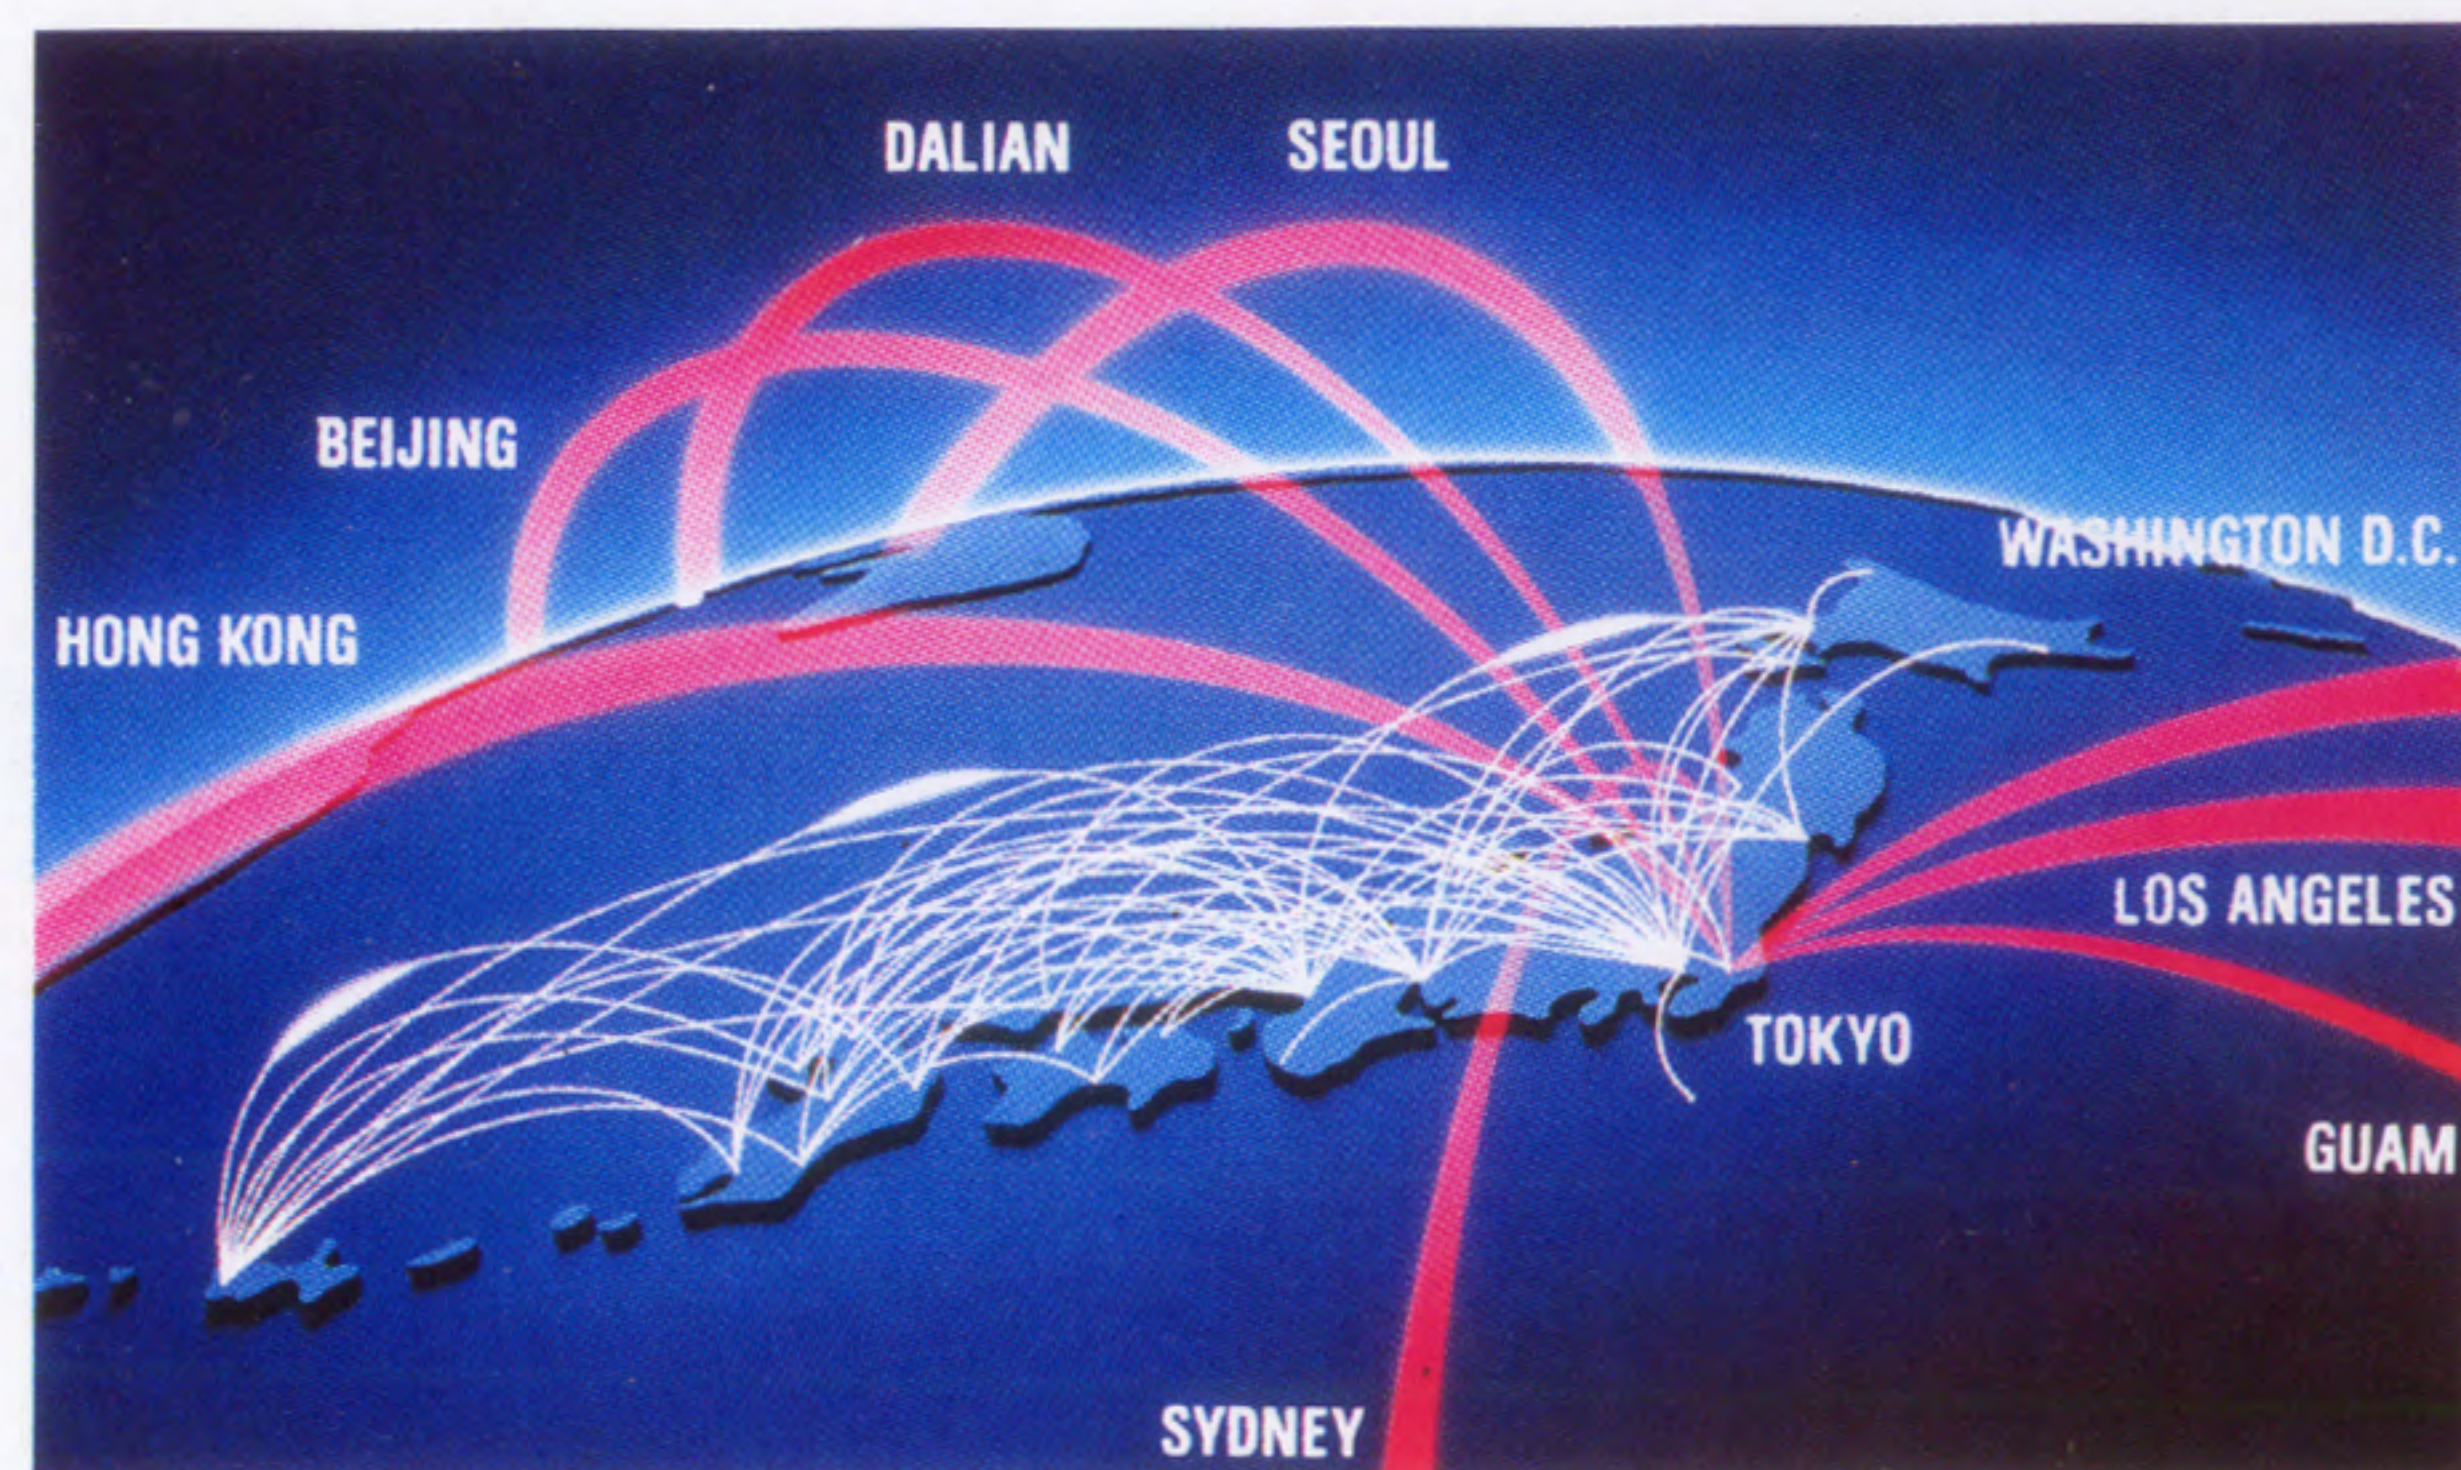

Japan's No.1 Airline Is Spreading Its Wings

All Nippon Airways has been Japan's No. 1 airline for over a decade. So it should come as no surprise that we carried over 25 million passengers in 1987, more than all other Japanese airlines combined.

There are a lot of good reasons why so many people choose ANA. Reasons like heartfelt hospitality — that special dedication to passenger service that makes the difference between flying, and flying ANA. There's also our outstanding safety and service record. And our domestic network linking 31 major cities with over 500 flights a day.

Today, with an established reputation for customer service and on-time performance, we're spreading our wings via an expanded international network. Which means there are now more reasons than ever for you to enjoy the heartfelt hospitality of Japan's No. 1 airline — ANA.

ANA *All Nippon Airways*
