There is only one philosophy of comfort.

ANA First Class introduces the fully reclining seat.

There is a philosophy behind ANA's constant efforts to make passengers more comfortable, flights more enjoyable, and experiences more memorable. It is a way of thinking that evolved from an unwavering commitment to customer satisfaction. In fact, ANA believes in only one philosophy of comfort — *yours*.

The new First Class seat has been introduced on flights between Tokyo and London, Paris, Frankfurt, Moscow, New York, Washington DC, Los Angeles, Bangkok and Singapore.

FIRST CLASS

With the service and atmosphere reminiscent of the world's finest hotels, ANA's First Class is like a lesson in luxury. In the air, sleep away the miles in our 180° fully reclining seats that add a totally new meaning to the word "comfort". On the ground, with separate check-in facilities and our distinctive airport lounges, even the most discerning traveler will feel pampered and spoiled.

First Class Fully Reclining Seats

In the comfort of your own personal space, you can now sleep soundly on these new bed-like seats with your own bedding accessories, even on long flights. With the smooth operation of lowering your seat to a fully reclined position using a single button, combined with the largest space between seats offered by any airline in the world, we can promise our passengers ultimate relaxation. We have also provided a reading lamp for each seat, which you can adjust to the angle of your preference. (Being introduced successively on all European and American continental routes, Narita-Bangkok and Narita-Singapore routes.)

First Class Meal Service

Our full-course Western menu features three choices, providing an opportunity to experience a sumptuous range of haute cuisine. And for those who prefer Japanese, we offer a chance to sample the art of Kaiseki, a traditional Japanese meal that uses only the finest ingredients from Japan. Our beverage list boasts top class wines in addition to well-known liquors from around

the world to complement your meal. Menu may change depending on the route and seasonality.

Lounge Fuji

You can take advantage of Lounge Fuji at every airport to which ANA flies, including Narita Airport, where in addition to a variety of beverages, breakfast is also available. We also offer the service of loaning out fax and copy machines as well as computers and printers to support you in your work.

With the introduction of fully reclining seats, first class service has been further enhanced. Refer to pages 37-42.

CLUB ANA

With CLUB ANA, we've completely re-thought the conventional concept of the "business class" to provide a level of luxury that appeals to business as well as nonbusiness travelers. CLUB ANA means the difference between fine traveling, and simply getting there.

CLUB ANA Seats

Ergonomically designed bucket-type seats give full support to all parts of the body to guarantee maximum comfort.

Most Transpacific and European routes have a spacious seat pitch of 50 inches. Not available on joint flights; available on Narita-Vienna-Paris.

CLUB ANA Meal Service

Our full-course Western menu reflects our First Class menu, and is every bit as extravagant. A tempting selection of specialities from all over the country highlight our Japanese menu.

Of course, no meal would be complete without a selection from our extensive list of wines, beers, liqueurs or Japanese sake.

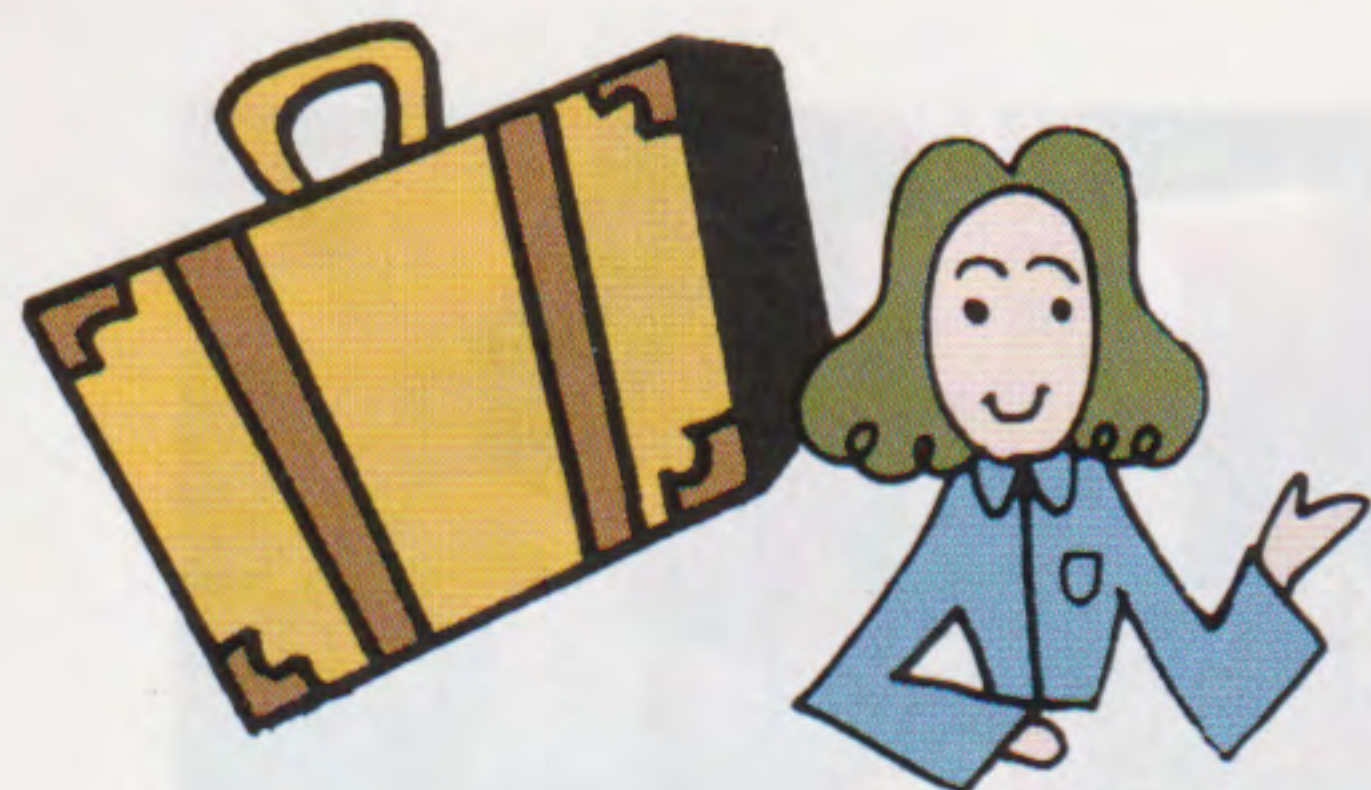

Menu may change depending on the route and seasonality.

CLUB ANA Lounge

Leisurely enjoy your preboarding time in our CLUB ANA exclusive lounges throughout the world. We have set aside a fully replete Business Corner, where you can rent personal computers, and where you are able to make more effective use of your valuable time.
