# STOP PRESS:

At the time of going to print, it was announced that Summer Time in Malta will be introduced on 1st April 1979. Departure from and arrival to Malta during the period 01 April and 14 April will therefore now be *one hour later* than that reflected in these schedules.

## GENERAL INFORMATION FOR PASSENGERS

**CONDITIONS OF CARRIAGE AND REGULATIONS:** The carriage of passengers, baggage, and cargo is subject to the Conditions of Carriage and Regulations of the carriers concerned, which may be seen on request. AIR-MALTA Booking Offices or your Travel Agent will gladly supply additional information and offer you every possible assistance in connection with your journey.

**RESERVATIONS:** It is advisable to make all requests and Ticket purchases well in advance through any Airline Booking Office or Travel Agent. Certain special fares require finalization of reservations and ticketing far in advance.

**RETURN AND ONWARD BOOKINGS:** It is recommended that return journey reservations should be checked and reconfirmed as soon as possible after your outward journey. Similarly, if you are stopping off at any point you are requested to check and reconfirm your onward bookings as soon as possible. Please, always state your contact address. Always have your finalized reservation inserted on your ticket at your earliest convenience.

**CANCELLATION OF BOOKINGS:** If you have to cancel your reservations, please let us know as soon as possible.

**AIRPORT FORMALITIES:** It is important that you arrive at the Airport in sufficient time to allow ticket and baggage check-in formalities to be completed. It is recommended that passengers report at the Airport at least 75 minutes before the advertised departure time. Check-in time on the flight coupon is the time after which passengers cannot be accepted for travel. In your own interests you should plan to arrive at the airport in good time as this will help to ensure that your aircraft departs on schedule. Flights cannot be held for passengers arriving late and no responsibility can be accepted in such cases. The cost of surface transportation is to be paid locally by you; please keep local cash available for this, and for any airport taxes, where applicable.

**PUNCTUALITY:** Every effort is made to ensure punctuality of our services, but we cannot accept liability for the consequences of a delay to, or a cancellation of, any flight and cannot guarantee making connections.

**PASSPORTS, PERMITS AND VISAS:** Please ensure that your passport is in order and that you have the necessary visas, permits, health certificates (if any) and endorsements for your journey. Our staff will gladly give you any advice. Your passport is a valuable and essential document. Remember to carry it with you and do not pack it away. If you are taking and bringing your camera back, you should declare it to the Customs Authorities at your point of departure.

**EXCESS BAGGAGE:** Baggage in excess of your free allowance will be subject to charges per kilo which normally are 1% of the first class single fare. If you are travelling with your family or friends, you may group your baggage and thereby benefit from the collective free allowance.

**ANIMALS:** We regret that we cannot carry animals in the passenger cabin. Livestock can be carried on most routes in the cargo holds by prior arrangement.
