**WINTER
SCHEDULE**

**28.10.90

Air Malta takes-off with the Airbus A320

A new decade.
A new Europe. A
new look for Air
Malta.

A bold new
livery to reflect the
Europe of the
nineties.

And not just a
new look. A brand new aircraft, now that Air
Malta has taken delivery of the world acclaimed
Airbus A320 and inducted it into its fleet.

With seating for 174 and a turn-around
time of one hour, the new A320 will play a major
role in our dedication to developing ties with
Europe.

As well as developing our routes.

Which is exactly how it should be for an
airline that's always seen itself as a major player
in the European Market.

And we've every intention of being an even
bigger player and creating even stronger links
with Europe in the 90's.

But the new look and new Airbus are only a
part of it. Not everything's new. Some things
we'll never change. Our service. And our
welcome. That's a promise!

about our schedules phone your

Yuletide in Malta is primarily the season for family parties. The highlight of the festivities is the Midnight Mass, when a child narrates the story of the Nativity. The statue of Baby Jesus, the Crib and the 'Pasturi' — apart, of course, from the Christmas Tree — still form an integral part of the special Christmas decorations in Maltese homes. Streets and shopwindows are not left wanting — they too receive the Christmas touch. A Christmas Pantomime is held at the Manoel Theatre in Valletta during the festive season.

January

01 New Year's Day - public holiday.

February

03 Feast of St Paul's Shipwreck

This feast commemorates the shipwreck of St Paul in Malta while on his way to Rome to stand trial. During his three-month stay St Paul ushered in Christianity to the islanders.

8-12 Carnival Days: The short season of colour and general jollification, traditionally preceding Lent, is characterised by the defilé of grotesque masks and decorated floats, and

open-air dancing competitions. The festivities are held in various villages but the main events take place in Valletta.

13-17 Food and Drink Fair at the Trade Fair Grounds, Naxxar.

27-03 Furniture and Interior Decoration Fair at the Trade Fair Grounds, Naxxar.

March

24-31 Holy Week Celebrations are held in all churches all over the islands. On **Maundy Thursday (28th)** religious celebrations are held during the evening, commemorating the institution of the Holy Eucharist. Late on Thursday evening and during the morning of Good Friday, parishioners pay homage (in groups or individually) to the Blessed Sacrament venerated at a specially-decorated side altar put up in all churches of each parish. **Last Supper Displays** are held in various parishes and are open to the public between Wednesday evening and Friday morning. On **Good Friday (29th)** church services are held in the afternoon, starting at 3p.m. Good Friday pageants, including several life-size statues carried shoulder-high and depicting scenes from the Passion and death of Our Lord, together with participants personifying Old Testament characters, all dressed in Biblical contemporary costumes, are held in 14 towns and villages.

31 Easter Sunday - The Easter Vigil church service starts at about 8p.m. on Saturday evening. Early morning processions with the statue of the Risen Christ are held in various towns and villages. It is still customary for children to have their 'figolla' blessed by the 'Risen Christ' during the procession which traditionally is held at a very quick pace indeed. The 'figolla' is a special sweet for Easter.

Freedom Day - national holiday.

April

05-14 Boat Fair & Travel and Holiday Fair at the Trade Fair Grounds, Naxxar.

A weight off
your mind,
and a wait off
your mind.

With its network of scheduled destinations, Air Malta has always been by far the quickest and most flexible way of moving cargo out of Malta.

But even we have to admit a passenger aircraft's capacity does have its limitations.

So we have introduced a new freighter only service to Frankfurt — the hub of the world cargo system.

It departs every Sunday at 1005 — so your cargo is delivered right to the centre of things at the start of the week.

And our freighter has a massive 13.2 tons/89 cu.metres capacity in 7 pallets, 1 LD3 and the belly-hold.

So large consignments can now speed around the world at 500 miles an hour rather than 12 knots or 40 miles per hour.

That should take a substantial weight off your mind. Not to mention a real wait off your mind.
