AIR MALTA

A WEIGHT OFF YOUR MIND . . .
AND A WEIGHT OFF YOUR MIND!

AVAIL YOURSELF FROM A
FREIGHTER ONLY SERVICE
AND AROUND THE WORLD
AT 500 MILES AN HOUR

With its network of scheduled destinations, Air Malta has always been by far the quickest and most flexible way of moving cargo out of Malta. And now, with a freighter only service to Frankfurt, large consignments can now speed around the world at 500 miles an hour rather than 12 knots or 40 miles per hour.

That should take a substantial weight off your mind. Not to mention a real wait off your mind!

Contact your cargo agent or Air Malta direct today for further details.

YOUR REQUIREMENTS

If you have any particular requirements on your travels, for example, baby food, space for a crib, a wheelchair or a special menu, we will gladly provide for your needs, if only you ask in time.

Make your request when booking your flight. That will allow us to make the necessary arrangements to give you the best service.

If you wait until the last minute and make your request only after you arrive at the airport, it may not always be possible for us to provide for your personal requirements.

Please help us to serve you better.

DUTY FREE GOODS

Our Duty Free Shops are known for the bargains they offer. In fact we are proud that our prices are amongst the lowest in Europe. However this is not at the expense of quality — a very wide range on internationally known brands of wines and spirits, cigarettes, cigars, pipe and cigarette rolling tobacco, perfumes, toilet waters and watches is available at Air Supplies duty free shop (*see page 36*).

All prices are in Maltese Liri (100 cents to one Maltese Lira), but we accept all major currencies and most credit cards.

We also operate a unique system of pre-orders for duty free goods. Your courier or tour-operator will be pleased to provide all the necessary details; appointed agents are to be found in all tourist areas throughout the island. Please understand however that the choice of goods on our pre-order form is limited compared to products available at our shops.

We are open 24 hours a day, 365 days a year.

Whatever time of day or night you are travelling our sales assistants will be waiting to meet your needs.

Later this year we shall be opening a Duty Free Shop in the Arrivals Hall for use by passengers arriving into Malta. This will be located after passport control and prior to customs inspection of baggage.

Malta International Airport

**We promise to make ours your
favourite airport**

and there are many reasons why.

At Malta International Airport, we like to think of people travelling to and from Malta as our guests. That is why customer care is our main concern in all the services and facilities in place at the terminal. Information on these services and facilities is readily available at our Information Centre in the Check-In Hall which may also be reached on tel. +356 249600.

**At Malta International Airport
you will find that:**

Getting there is easier than ever before.

All roads leading to the terminal are well-signed and the terminal itself offers extensive free parking facilities. Guests may also be dropped off right outside the terminal building. Frequent scheduled bus services connect the terminal with the island's main terminus at Valletta.

Facilities are in place for you too.

Whatever your needs, Malta International Airport offers something for you too. For example, parents

may see to their children in our baby care rooms. For the business travellers, our executive lounges offer a serene environment while waiting for planes. The terminal is also fully-accessible to persons with mobility problems and assistance is always on hand for others with special needs.

It's more than just an airport.

Malta International Airport is simply more than just an airport. In it, you will find our exclusive Pjazza La Vallette shopping and catering centre where duty-free bargains will ensure that your shopping is welcome and pleasant. Pjazza la Vallette offers a wide range of goods including hi-fi, sportswear, a delicatessen, wines, spirits, tobacco, perfumes, leather goods, a florist, skin care products . . . Besides, MIA offers other services such as banking facilities, a Post Office, telecommunication facilities, tourist information, international car-hire agencies . . .
