YOUR REQUIREMENTS

If you have any particular requirements on your travels, such as baby food, space for a crib, a wheelchair or a special menu, we will gladly provide for your needs, if only you ask in time.

Make your request when booking your flight. That will allow us to make the necessary arrangements to give you the best service.

If you wait until the last minute and make your request only after you arrive at the airport, it may not always be possible for us to provide for your personal requirements.

Please help us to serve you better.

THESE ARTICLES WILL BE CARRIED FREE

A lady's handbag, pocket or purse.

An overcoat, wrap or blanket.

A small camera and/or a pair of binoculars.

A reasonable amount of reading matter for the flight.

Infant food for consumption in flight and infant-carrying basket.

An umbrella or walking stick.

A fully collapsible invalid's wheelchair and/or a pair of crutches provided that the passenger is dependent upon them.

On your flight the articles illustrated above, when retained in your custody, will be carried free over and above the free baggage allowance; except that an infant-carrying basket, a fully-collapsible invalid's wheelchair and/or a pair of crutches may be carried in the passenger or cargo compartment of the aircraft. However, all other articles, including overnight bags, briefcases, typewriters, personal radios, ladies' vanity or cosmetic cases, hat boxes and large-size cameras are weighed together with all other luggage and are subject to excess baggage charges if total weight is in excess of free baggage allowance

YES OR NO SHOW

Flight reservations are binding.

Your seat is still reserved when you do not appear for your flight. Other passengers who would like to travel on your flight are put on the waiting list.

So, if you have to change your travel plans, please call us and let us know so we can offer your seat to someone else.

It would be highly appreciated.

Should you not make use of a confirmed booking, all further reservations will be automatically cancelled.

DUTY-FREE GOODS

Our duty-free shop is known for the bargains it offers. In fact, we are proud that our prices are among the lowest in Europe. However, this is not at the expense of quality - a very wide range of internationally-known brands of wines and spirits, cigarettes, cigars, pipe and cigarette-rolling tobacco, perfumes, toilet waters and watches is available at the Air Supplies duty-free shop.

All prices are in Maltese Liri (100 cents to one Maltese Lira), but we accept all major currencies and credit cards.

We also operate a unique system of pre-orders for duty-free goods. Your courier or tour operator will be pleased to provide all the necessary details; appointed agents are to be found in all tourist areas throughout the island. Please understand, however, that the choice of goods on our pre-order form is limited compared to products available at our shop.

We are open 24 hours a day, 365 days a year.

Whatever time of day or night you are travelling, our sales assistants will be waiting to meet your needs.

Later this year we shall be opening a duty-free shop in the Arrivals Hall for use by passengers arriving in Malta. This will be located after passport control and prior to customs inspection of baggage.
