RULES AND REGULATIONS

CHILDREN. Half fare will be charged for each child two years of age or over, but under 12, and the child will be entitled to occupy a seat. However, the airline reserves the right to accommodate two half-fares in one seat if necessary, when combined weight of the two does not exceed 200 pounds. One infant (a child under two years of age) will be transported free with an adult passenger, but will not be entitled to a seat. Each additional infant, or one occupying a seat, will be charged 50% of the adult fare.

CANCELLATIONS. Reservations will be cancelled only if notice is received more than 30 minutes prior to departure of the airplane. Cancellation orders after that time will incur a charge of 25% of the full value of portions left uncanceled. Longer notice is required for group cancellations (full details available at our offices).

RECONFIRMATIONS. Return or continuing reservations must be reconfirmed, after a stopover, no later than 24 hours before departure time. Unless this notice of intention to use such return or continuing reservations is

received by Mexicana or an authorized agent 24 hours or more prior to departure time, the previously confirmed reservations will be **automatically cancelled.** Passengers making reconfirmations must indicate an address or telephone number at which they may be reached in the city where the plane is to be boarded.
