GENERAL INFORMATION

YOUR TICKET AND CONDITIONS OF CONTRACT. Your ticket is issued subject to these Regulations and to our General Conditions of Carriage of Passengers and Baggage. These Conditions are available in full at all Nigerian Airways offices and extracts can be found in your ticket.

BAGGAGE

Free Allowance: On International First Class services the free baggage allowance is 30 kilos (66 lb.). On Tourist Class services it is 20 kilos (44 lb.). Passengers travelling part-way First Class, and part-way Tourist Class, are given the free baggage allowance applicable to the class of travel used. However, when First Class fare has been paid and a Tourist Class service is used as part of the through journey, the First Class free baggage allowance may be carried over that sector, without additional charge. On Nigerian Airways internal services the free allowance is 20 kilos (44 lb.). Personal articles, i.e. a lady's handbag, an overcoat or wrap, a foot rug, an umbrella or walking stick, a small camera, binoculars and reading matter for the flight may be carried free. Brief cases, cabin bags, attaché cases, parcels, typewriters and heavy cameras are weighed as part of your free allowance. If this is exceeded, you become liable to excess charges.

Excess: Baggage in excess of the free allowance may be carried, subject to space being available, at the rates shown in the timetable.

Children and Infants: Children at half fare are entitled to the adult allowance. Infants travelling at 10% fare do not receive a free allowance, but a carry-cot and infant's food for consumption en route may be carried without charge.

Excess Value Charge: Passengers have the option of making a separate declaration of value on registered or unregistered baggage. Baggage declared to be worth more than £36 (U.S. \$100) is subject to a charge on the excess value of 9d. per £25 (or 15 cents. per U.S. \$100) or fraction thereof. The maximum declaration per passenger is limited to £1,500 (U.S. \$4,200).

Unaccompanied Baggage: On some routes, special rates are available for the carriage of unaccompanied baggage, i.e. wearing apparel (excluding jewellery and furs). For a minimum quantity of 10 kilos (22 lbs.), the rate charged is only 50% of the basic freight rate per kilo.

Cameras: Over certain sectors of your journey restrictions may be applied to the use of cameras and binoculars.

Domestic Animals: On certain services domestic pets may be carried provided arrangements are made in advance.

Prohibited Articles: Government regulations do not permit the carriage of inflammable or explosive material in aircraft Articles which are easily ignited, such as cigarette lighter fluid, matches, etc., must not be packed in baggage or carried personally. However, where smoking is allowed on aircraft you may carry safety matches or a lighter on your person.

STOP-OVERS: On international flights, except when precluded by Government orders, you may break your journey at one or more places en route retaining the benefit of the through fare, provided you advise our booking office of your intention prior to commencement of journey. On Nigerian Airways internal services, stop-overs at the through fare are only permitted on certain services, and at certain places. Further information will be supplied on request. Hotel accommodation at stop-over points is the passenger's own responsibility.

RETURN TICKETS: Unless otherwise stated return tickets are issued at double the single fare. A passenger holding a return ticket is not entitled to any priority and must make a return reservation in the normal manner. To secure a reduction on return tickets, where such a reduction is permitted, the return fare must be paid when the outward ticket is purchased.

If a passenger is unable to use the return half of the ticket, the difference between the single and return fare will be refunded provided the regulations governing cancellations have been observed.

CONNECTIONS: Although every endeavour is made to ensure the punctuality of services, Nigerian Airways cannot accept responsibility for any delay to or suspension of its services, and does not guarantee connections with its own or other Companies' services.

CHILDREN AND INFANTS: An infant under two accompanied by an adult, and not occupying a separate seat, is charged 10% of the normal First or Tourist adult fare. Additional infants under two accompanying the same adult an infant under two occupying a separate seat, and children of two years of age and over, who have not yet reached their twelfth birthday, are charged 50% of the normal First or Tourist adult fare. Age is taken as that at the beginning of the outward journey. Unaccompanied children under the age of seven are not normally accepted for travel.

PASSPORTS, PERMITS AND VISAS: Any Nigerian Airways Booking Office or Nigerian Airways appointed Travel Agent's Office will gladly assist you to obtain the travel documents required for your journey. Some Consulates, however, insist on personal attendance.

HEALTH REGULATIONS: Valid certificates of inoculation and/or vaccination, issued on a special international form are definitely required by most countries.

TAXES OR CHARGES: Any ticket, transportation or other taxes or charges imposed by Government regulations are additional to the fare and payable by you, either with the fare or in local currency on arrival or departure.

YOUR DEPARTURE: It is essential to attend the departure terminal or airport not later than the time advised. This allows the MINIMUM time to complete all formalities. Flights cannot be delayed for passengers arriving late and Nigerian Airways cannot accept responsibility in such cases.

SEAT RESERVATIONS: Reservation of specific seats in aircraft cannot be guaranteed, although at terminal stations every effort will be made to meet passengers' requirements.

CANCELLATIONS: Passengers who fail to join the International Service for which they hold a reservation are liable to a charge of not less than 25% of the one-way fare provided that such charge does not exceed £25 or is less than £2.

On internal services, reservations must be cancelled at least seventy-two hours before scheduled time of departure otherwise a charge of 25% of the one-way fare will be made, or £2.10s.0d. whichever is the greater. If a cancellation is made less than twenty-four hours before departure a 50% charge is made. Passengers failing to join a service will forfeit the fare for the journey involved.

BOOKING FEE: Passengers are asked to note that in no circumstances is a Booking Fee chargeable in addition to the published fare. Should such a fee be requested by any of the staff, passengers are asked to report the circumstances as quickly as possible to the General Manager at the Head Office, Airways House, Lagos Airport. Passengers are requested not to offer any form of gratuity to the staff.

FREIGHT

AIR CARGO AND PARCELS: Nigerian Airways is pleased to accept air cargo and parcels for carriage, provided they do not fall within the list of articles which are prohibited for carriage by air, details of these may be obtained upon request. They are also subject to size and weight limitations. Special rebates are allowed on bulk consignments.
