The fares mentioned in this booklet are published to give a general idea of the prices for the journeys concerned. These fares apply to journeys from the airport of departure to the airport of destination in the class indicated. If, however, one part of a journey is made in the tourist class, and the other part in the first class, the fare will in many cases be between the first class and the tourist class fares which would apply to the whole journey. For the calculation of the fare for a combined journey apply to a K.L.M. agency or booking-office.

INFORMATION FOR PASSENGERS

Only a short summary of some of the principal regulations with regard to the carriage of passengers can be published in this booklet. Further information about the regulations, conditions, fares and schedules not mentioned in this booklet can be obtained from any K.L.M. agency or bookingoffice.

CONDITIONS OF CARRIAGE. All transportation by K.L.M. is subject to K.L.M.'s „General Conditions of Carriage" which may be inspected at any of its agencies or offices.

LIABILITY FOR DELAY AND ERRORS. K.L.M. does not accept any liability for damage suffered by passengers because of delay in the flight or failure to execute a flight partly or entirely. K.L.M. does not accept any liability for the consequences of errors and misprints which in spite of every precaution may occur in the time table.

ALTERATIONS. Alterations in the conditions of carriage, the fares and schedules of aircraft and coaches and the types of aircraft may be made without previous notice.
Therefore, travel schemes cannot be made until definite information with regard to schedules and fares has been obtained.
If you have reserved a seat please communicate with a K.L.M. agency or bookingoffice at least 48 hours prior to the stated time of departure of the aircraft to obtain confirmation of this time and the fares.

DOCUMENTS. It is the responsibility of the passenger to see that all documents (passports, visas, certificates of health, etc.) are in order.
K.L.M. offices will supply all information which they have available but K.L.M. does not accept responsibility fot its accuracy.
Air companies are not allowed to carry passengers whose documents are not in order.

FARES. The fares published by K.L.M. are applicable to journeys from the airport of departure to the airport of destination along the route(s) and in the class(es) indicated by K.L.M. and on the services of K.L.M. or of the companies indicated.

As it is impossible to publish the fares for travel from all places to all destinations along every possible route, only a few fares have been published in this booklet. Fares for travel to other destinations, in other classes or in a combination of classes, or via routes other than those mentioned can be obtained on request.

VALIDITY OF FARES. Barring exceptions, the fare valid at the time of commencement of the journey is applicable.

TAXES. Taxes levied by the various governments are not included in the fares.

BREAK OF JOURNEY. As a rule a journey may be broken — without extra charges — in those places where a commercial landing is made according to the schedule, provided notice has been given when reserving a seat.

PAYMENT. Payment of tickets, excess baggage charges, dues and/or taxes in the various countries must be made in accordance with the currency regulations of those countries.

REDUCTIONS. **In certain cases reductions are granted on the fares if the relative conditions are complied with.**

ROUND-TRIPS AND CIRCLE-TRIPS. The reduction for these trips is as a rule 10 % of the single fares.
If the journey is made in different classes this reduction is nevertheless granted.

CHILDREN UNDER 12 YEARS OF AGE. For a child under 2 years of age 10 % of the applicable fare is paid provided such a child is accompanied by a passenger who pays the adult fare and no separate seat is required. If a child under 2 years of age is not accompanied separately by a passenger who pays the adult fare or a separate seat is required, 50 % of the applicable fare is paid for such a child. For children who have reached their 2nd but not yet their 12th birthday 50 % of the applicable fare must be charged. For children travelling alone deviating fares and rules apply.

SCHOOLGOING CHILDREN AND STUDENTS who have reached their 12th but not yet their 26th birthday are granted on certain journeys a reduction of 25 % on the roundtrip fares, provided they comply with the regulations in force.

SPECIAL FARES, 15-day Tourist Class round-trip and circle-trip fares are in force through the whole year for journeys via the North and Mid Atlantic routes between Europe, Africa, Asia and Australia on the one hand, and North America and the Caribbean Area on the other hand.
These fares can be obtained by deducting US$ 97.— from the corresponding normal tourist class round trip fare.
Moreover, subject to certain conditions, considerably reduced one way and round-trip fares are in force from November 1st to March 31 for family travel via all North- and Mid-Atlantic services under the so-called „Family Plan". Information will be supplied on request.
Seasonal round-trip fares are also in force for travel commencing in India, Pakistan or Ceylon. Information as to the periods during which these seasonal fares are applicable is supplied on request.

SLEEPAIR-DE LUXE. For SleepAir accommodation across the north and mid atlantic routes a so-called De Luxe surcharge is due of US$ 50.— to the normal first class one way fare or US$ 90.— to the normal first class round trip fare.
Normal discounts for infants, children, circle trips, tour conductors etc., apply to these surcharges. On all other stretches no additional charges are due for SleepAir accommodation.

BAGGAGE. The free baggage allowance is 20 kilos for journeys (or parts of journeys) for which the tourist class fare is paid, and 30 kilos for journeys (or parts of journeys) for which the first class fare is paid.
The charges for excess baggage per kilo amount to 1 % of the first class one way fare.

RESERVATIONS. Reserve your seat as far in advance as possible.

BUS SERVICES TO AND FROM THE AIRPORTS. As a rule conveyance by coach to and from the airports is not included in the fare. The cost of this conveyance is to be paid on the spot in local currency. Please report at the place of departure of the bus not later than at the time indicated on the cover of your ticket. Bus departures will not be delayed for passengers not arriving in time.

TIME OF REPORTING AT THE AIRPORT. **Please report to the passage department at the airport before departure of the aircraft at the time indicated on the cover of your ticket, in order to complete the necessary formalities. The air transport companies reserve the right to dispose of the seats of passengers who arrive late at the airport. Flights will not be delayed for the benifit of passengers not arriving in time.**

MEALS, REFRESHMENTS AND LODGING. On board aircraft with first class accommodation meals, drinks and/or refreshments are served free of charge. On board aircraft with tourist class accommodation simple meals (sometimes sandwiches) and/or non-alcoholic drinks are served free of charge.
Alcoholic drinks and cigarettes can be bought at reasonable prices in the tourist class and moreover in the first class of some intercontinental services.
On intercontinental services charges for food and lodging during the journey may be included in the fare.

GRATUITIES. The employees of air transport companies are forbidden to accept gratuities.

INFORMAZIONI AI PASSEGGERI

Il presente orario contiene solo un breve sommario di alcuni punti delle principali condizioni di trasporto per i passeggeri. Ulteriori dettagliate informazioni riguardanti i vigenti regolamenti, condizioni di trasporto, tariffe ed orari non menzionati nel presente pieghevole possono essere ottenute presso qualsiasi Agenzia od Ufficio Prenotazioni della K.L.M.

CONDIZIONI DI TRASPORTO. Il trasporto effettuato dalla K.L.M. è regolato dalle „Condizioni Generali di Trasporto" della Compagnia che possono essere prese in visione presso qualsiasi delle sue Agenzie od Uffici.

RESPONSABILITÀ PER DANNI DERIVANTI DA RITARDI ED ERRORI La K.L.M. non accetta alcuna responsabilità per danni subiti dai Sigg. Passeggeri a causa di ritardi durante il volo o della impossibilità di eseguire parzialmente o totalmente un servizio. La K.L.M. non accetta alcuna responsabilità per le conseguenze di errori di trascrizione o di stampa che possono apparire nell 'orario ad onta di tutte le precauzioni usate.

VARIAZIONI. La Compagnia si riserva il diritto di apportare variazioni, senza preavviso, alle condizioni di trasporto, alle tariffe, agli orari degli aerei, ai relativi servizi automobilistici, nonchè al tipo di aereo.
Pertanto gli itinerari di viaggio non potranno essere definitivamente fissati fintantochè non verranno assunte ulteriori informazioni riguardanti gli orari e le tariffe.
Qualora i Sigg. Passeggeri avessero prenotato un posto, essi sono pregati di porsi in contatto con un 'Agenzia od un Ufficio Prenotazioni della K.L.M. almeno 48 ore prima dell'ora prevista di partenza dell'apparecchio, onde ottenere conferma dell'orario e delle tariffe.

DOCUMENTI. Il passeggero è responsabile della regolarità di tutti i documenti necessari al viaggio (passaporti, visti, certificati sanitari, ecc.). Gli uffici della K.L.M. forniscono tutte le informazioni disponibili in merito, ma la Compagnia non accetta alcuna responsabilità circa la loro esattezza. Alle Compagnie di navigazione aerea non è consentito il trasporto di passeggeri che non abbiano i documenti in perfetto ordine.

TARIFFE. Le tariffe applicate dalla K.L.M. sono applicabili ai tragitti dal'-l'aeroporto di partenza all'aeroporto di destinazione secondo la rotta e nella classe indicata dalla K.L.M. e sui servizi della K.L.M. o di altre Compagnie appositamente designate.
Poichè risulta impossibile pubblicare le tariffe per i tragitti da tutte le località a tutte le destinazioni e secondo tutte le rotte possibili, soltanto alcune delle tariffe sono state pubblicate nel presente pieghevole.
Tariffe per tragitti con destinazioni diverse, in classi diverse, in una combinazione di classi o per rotte diverse da quelle menzionate, possono essere ottenute dietro richiesta.

VALIDITÀ DELLE TARIFFE. A parte alcune eccezioni viene sempre applicata la tariffa valida all'inizio del viaggio.

TASSE. Le eventuali tasse imposte dalle varie autorità governative non sono incluse nelle tariffe qui menzionate.

INTERRUZIONE DEL VIAGGIO. Di regola un viaggio può essere interrotto senza sovraprezzo in quelle località dove una sosta commerciale è prevista dall'itinerario, purchè tale intenzione venga manifestata da parte dei Sigg. Passeggeri all'atto della prenotazione del posto.

PAGAMENTO. Il pagamento dei biglietti, dell'eccedenza bagaglio e delle eventuali tasse e sovratasse dovrà essere effettuato nei diversi paesi secondo i regolamenti valutari vigenti nei medesimi.

RIDUZIONI. **In determinati casi vengono concesse riduzioni sulle tariffe semprechè vengano soddisfatte le relative condizioni previste.**

VIAGGI DI ANDATA E RITORNO E VIAGGI CIRCOLARI. La riduzione prevista per questi itinerari è abitualmente il 10 % della tariffa normale. Anche se l'itinerario viene coperto mediante l'uso di classi diverse, tale riduzione rimane comunque valida.

BAMBINI AL DISOTTO DEI 12 ANNI Un bambino al disotto dei 2 anni di età paga il 10 % della tariffa a condizione che sia accompagnato da un adulto che paghi la tariffa intera e a condizione che non occupi un posto separato. Un bambino, al disotto dei 2 anni di età non accompagnato separatamente da un adulto pagante tariffa intera, oppure che occupi un posto separato, pagherà il 50 % della tariffa. Per bambini che hanno già compiuto il loro secondo anno di età ma non ancora il dodicesimo si dovrà applicare il 50 % della tariffa.
Tariffe e norme particolari si applicano per bambini che viaggiano non accompagnati.

SCOLARI E STUDENTI che abbiano oltrepassato il loro 12mo compleanno, ma non ancora raggiunto il 26mo, godono per certi viaggi di una riduzione del 25 % sulle tariffe di viaggi circolari purchè vengano osservate le norme vigenti.

TARIFFE SPECIALI. THE NEW VISCOUNT 800

a Vickers product

So swift

So smooth

So superbly styled

Here is the most advanced airliner of its class . . . . . fast, free from vibration, with enlarged "panorama" windows.

Everything about the Viscount has been designed for your greater travel enjoyment. It's cabin is so noise free you can converse in normal tones even across the aisles. Pressurisation, heating and air-conditioning is fully controlled. At 25.000 feet the cabin altitude is only 5.200 feet.

Powered for smooth "over the weather" flight, with four Rolls-Royce "Dart" turbo-prop engines, each of 1600 h.p. the new Viscount 800 has room for 54—70 passengers, cruises at 320 m.p.h. and has a range of 1210 miles.

For their European routes it was natural that KLM Royal Dutch Airlines should choose this fine, high performance airliner.
