NEW ZEALAND TIMETABLE

INCORPORATING
AIR NELSON, EAGLE AIR
& MOUNT COOK AIRLINE

Dear Customer

Air New Zealand National is proud to introduce a new range of customer products and services during the period covered by our latest timetable. We hope they add to your enjoyment of our services.

As I write, we are concluding negotiations to introduce an in-flight phone service aboard our Boeing 737 aircraft — a development that will meet a particular demand from our business travellers.

For your pleasure, we are offering new Lucky Break packages designed to help you sample the excitement of the new Christchurch Casino. These packages are available to travellers on all points covered by the Air New Zealand National and Link networks.

They include return airfare, airport transfers, casino gaming guides, and either standard or luxury accommodation options at select properties offering a variety of extras ranging from welcome drinks on arrival, dinners for two or cooked breakfasts in the morning — all at surprising good value for money.

Ski enthusiasts will note the return of Air New Zealand National's Ski Jet service — special non stop flights from Auckland to Queenstown on Saturday mornings. The Ski Jet flights depart at 8.00am from Auckland and arrive in Queenstown at 9.50am to give you maximum time on the slopes. Pick up a copy of our Ski Express brochure for full details.

Koru Club members will find a newly refurbished lounge ready for your use in Dunedin. It now offers the new look and services we introduced recently at Koru Club lounges in Auckland, Wellington and Christchurch.

Air New Zealand's commitment to quality service in other areas remains unchanged.

Our research shows that our Primetime service continues to earn the respect of business travellers by making rush-hour journeys on National more enjoyable. The appeal of Savetime — the self-ticketing facility for passengers travelling at short notice — is stronger than ever.

On the breakfast, main and snack meal menus for Business and Economy class, you will find a tantalising selection of cuisine.

In Business Class, the breakfast menu includes European Bircher Muesli, Fromage Frais, Herb Omelette, Poached Egg Florentine and Grilled Salmon Steak. Hors-d'oeuvres for main meals feature Truffled Turkey Terrine, Smoked Seafood and Lamb Carpaccio while the hot main dishes include Roasted Leg of Lamb, poached Sole Paupiettes, Assorted Hot Savouries, Club Sandwiches and Blueberry Muffins are but a few of the light refreshments available for a snack meal.

Economy Class menus feature inviting fare, including a hot Smoked Salmon Parcel, French Toast and Bacon, Brioche filled with Lemon Quark, and a Thai Chicken Parcel.

Our staff are dedicated to providing you with excellent service. We will do our utmost to ensure that your travel is safe, convenient and enjoyable. We appreciate feedback from our customers — bouquets and brickbats — because your experience helps focus our effort to meet your requirements.

Finally, I want to thank you for the loyal support we received from our customers during the weeks at the beginning of this year when our normal National operations were disrupted while we overcame a turbine blade reliability problem affecting 10 of our Boeing 737 aircraft. That problem has been solved by steps that demonstrated the depth of our commitment to your safety.

It gives me great pleasure to provide you with this complimentary copy of the Air New Zealand National, Link and Mount Cook Airline timetable. We look forward to making your travel with us even more enjoyable.

Kind Regards

Paul Bowe

BOOKING YOUR FLIGHT

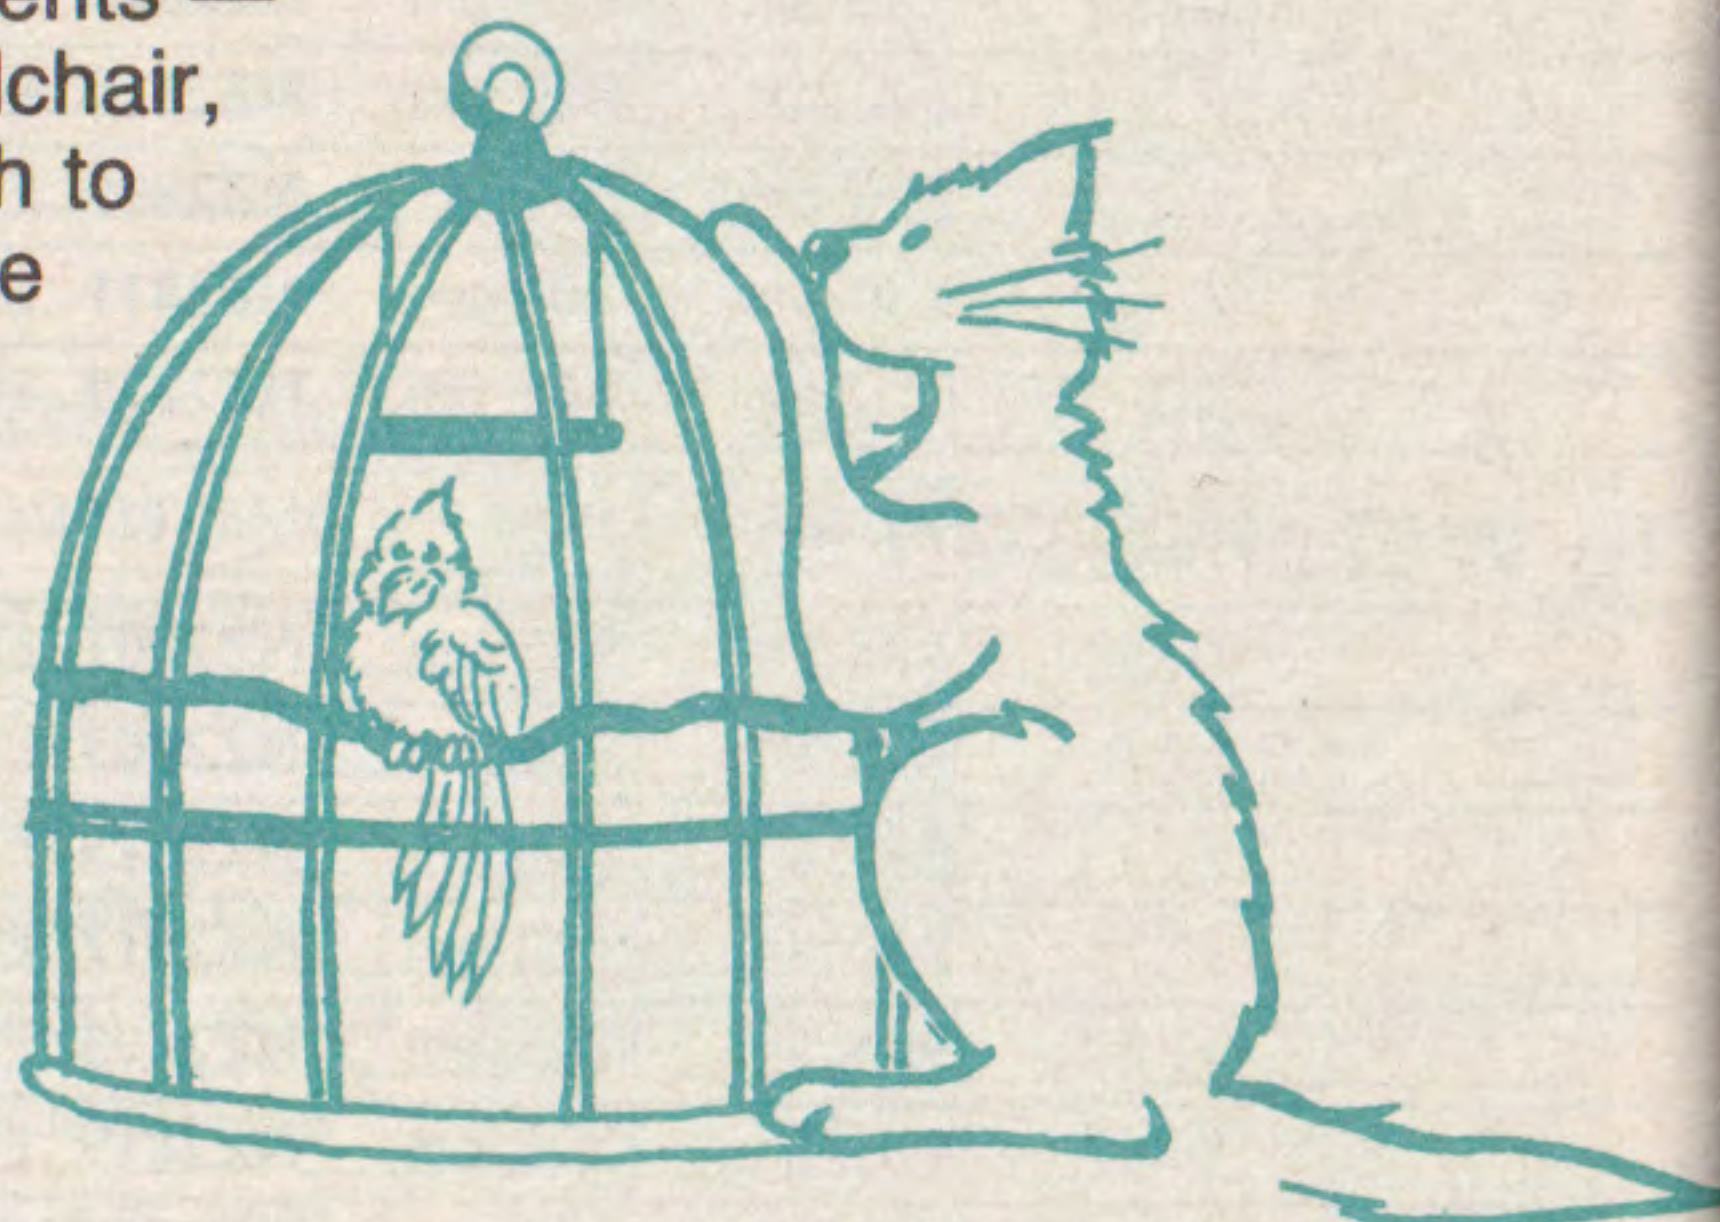

The earlier you book your Air New Zealand National or Link flight, the wider the choice of fares open to you. As soon as you decide on your journey contact your nearest Air New Zealand Travelcentre, Reservations Office, (refer pages 142-143) or accredited Travel Agent.

FARES FOR EVERY SITUATION

Air New Zealand National and Link have a very wide range of fares, and on some routes prices can be very low. Many rates are available, depending on when you book, when you wish to travel and the length of your stay. Your Air New Zealand Travel Consultant or your Travel Agent will be pleased to explain all the available options (refer FARES GUIDE on pages 118-121).

SPECIAL REQUIREMENTS

If you have any special requirements — for example, you require a wheelchair, special food on your flight or wish to bring a pet with you, please make this known to your Travel Consultant or Reservations Office when you make your booking. Passengers are responsible for ensuring all pets are placed in containers suitable for carriage in the hold of the aircraft. (See page 111 for details of costs etc.)

HOW TO PAY

You can pay for your travel by cash, cheque, credit card or Travelcard. A full list of those Credit Cards and Bankcards which are acceptable is listed on page 121. You can make reservations for your travel and pay by credit card over the telephone when booking with Air New Zealand National and Link direct. Travelcard is designed for both individual and corporate travel, where all travel related expenditure can be charged to a Travelcard account held with Air New Zealand National. A comprehensive Client Management Information Service provides full details of flights, fares, rental car and HOTPAC accommodation expenses, for all Travelcard account holders.

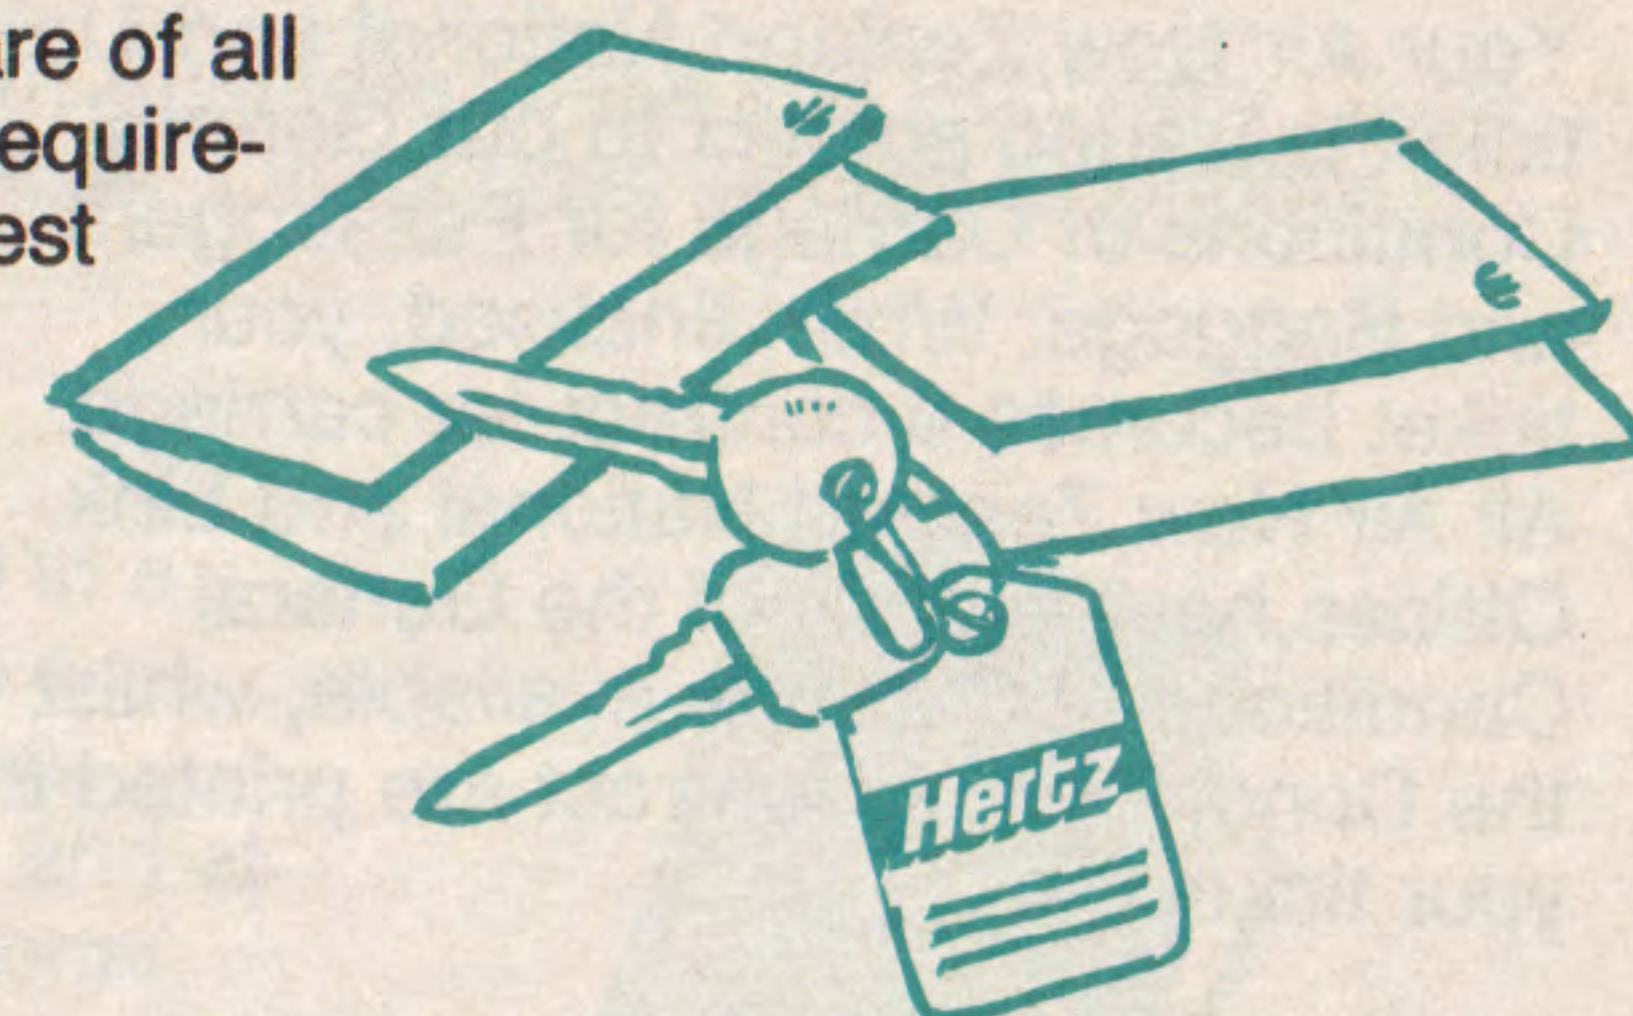

CANCELLATIONS

If you are unable to travel on the flight you have booked, please let us know as soon as possible, so that we are able to release the seat reserved for you to another passenger. Failure to do so may result in remaining travel bookings being automatically cancelled. If you are travelling on a restricted fare we recommend that you take out insurance when you purchase your ticket. Late cancellation of a reservation may result in a cancellation fee being charged.

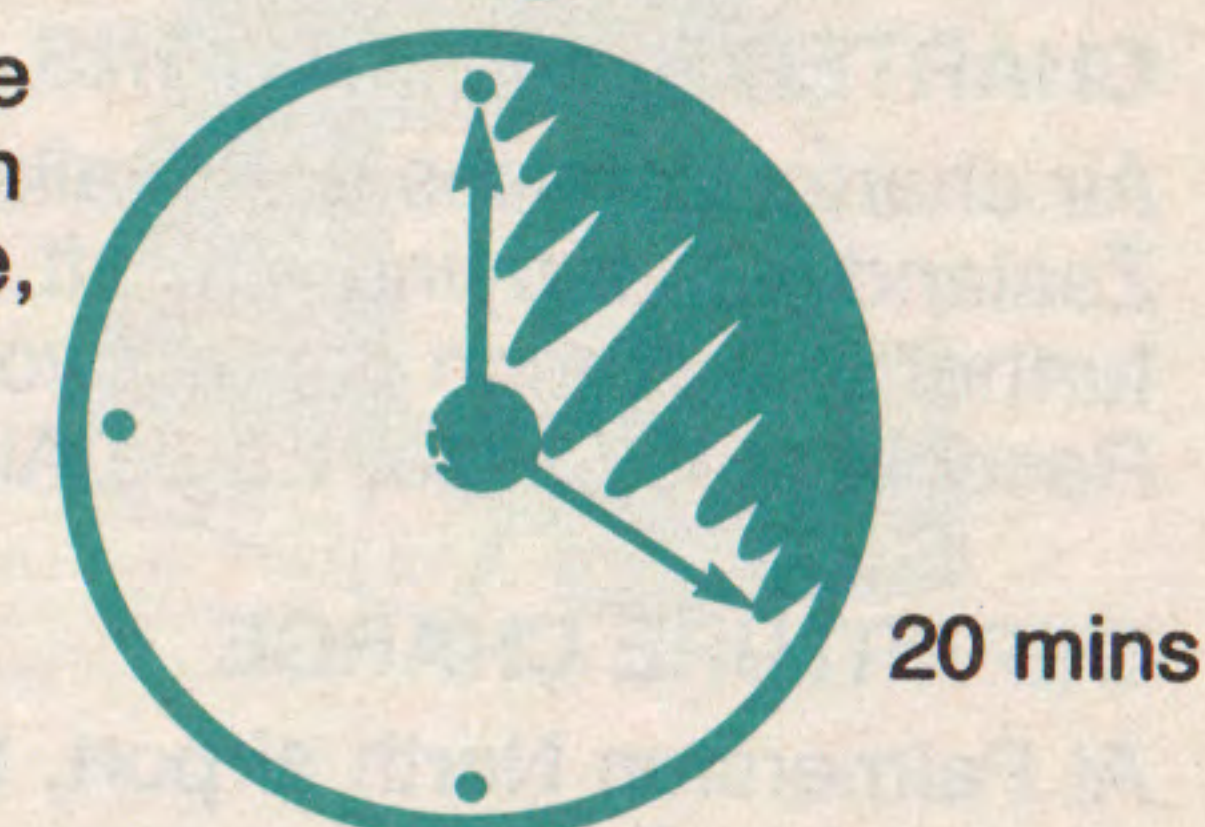

HOTELS, CAR HIRE AND THE FUN THINGS IN LIFE

Wherever you travel we can take care of all accommodation and ground travel requirements. From the best hotel to the best show in town, Air New Zealand National and Link can make your stay a memorable one. Please do not forget to take your driver's licence if you wish to hire a rental car.

At Air New Zealand National and Link we pride ourselves on getting you to your destination on time. To help us get you where you want to be, on time, please be sure to check-in for your flight no later than 20 minutes prior to the scheduled departure time of the aircraft. Please ensure also that your baggage is clearly labelled with your name and address prior to checking in for your flight.

NOTE: Passengers leaving New Zealand on Air New Zealand international services may now check-in for these flights at most domestic airports. The final airport check-in time, at the point of origin, for the domestic flight, is 45 minutes before scheduled departure time.

Passenger coach times between city terminals and airports vary. Please refer to the Airport Transport Section on pages 137-141 of this timetable for further details.

FLIGHT INFORMATION

If you are holding reservations on Air New Zealand National or Link, we advise you to call the Flight Arrivals/Departures number on the day of travel, to check your departure time. The numbers are listed on pages 142-143 of this timetable. Flight Arrivals/Departures Information is also available on TVNZ TELETEXT. Please refer to TELETEXT page 220 for the applicable Page Numbers.

FLIGHT SCHEDULES

The flights shown are those scheduled by Air New Zealand National and Link at the time of production of this timetable and show the most direct flights and connections between listed cities. However, during the effective period of this timetable, published flight schedules are subject to alteration so that passenger demand is effectively satisfied on all routes. Details of any changes made after publication, will be available from any Air New Zealand Office or accredited Travel Agent.

Alternative connecting flights and information regarding indirect connecting flights and stopovers are available on request.

On occasions it may be necessary to change the type of aircraft, and class of service, from that shown in this timetable. If this information is known at the time of booking, passengers will be advised. However, in the event of a change close to your departure date/time this may not be possible.

We recommend that you become familiar with the flight number shown on your ticket for each segment of your journey. The flight number is the normal reference used by airlines for flight information and advice to passengers. Similarly, people meeting flights should also be acquainted with flight number details.

FLIGHT TICKET

Your Air New Zealand National and Link ticket is issued subject to our General Conditions of Carriage for Passengers and Baggage. When finalised, your ticket becomes a contract for carriage. All Air New Zealand National and Link Offices have a copy of the General Conditions of Carriage available, whilst the Conditions of Contract are printed in your ticket.
