Managing Director

RESERVATIONS:

Reservations can be made through our direct Freephone (067) 70843 during business hours or with your friendly travel agent.

REPORTING:

All passengers are required to check in at least 15 minutes before the scheduled time of departure. Those passengers who check in less than 10 minutes prior to departure time may find their seats re-allocated to non-confirmed passengers.

NEW PLYMOUTH passengers should report to the Avis Rental counter at the New Plymouth terminal.

AUCKLAND passengers should report to the Commuter Airline check-in counter in the Domestic terminal.

CANCELLATION OF RESERVATIONS:

Thirty-six (36) hours notice of cancellation of specific reservation should be given to avoid a 10% penalty. However, reservations made within a 36 hour time period before flight departure and subsequently cancelled within that time period will not be subject to a penalty. Tickets will become invalid if not used on the date specified therein. Any refund application must be lodged with Nationwide Aviation within four weeks of the named date of travel, failing which, no refund will be considered. If a ticket shows no specific flight and date, it will become invalid 12 months from date of issue.

BAGGAGE:

Normal airline baggage applies. Additional baggage may be carried at Excess Baggage Rates when aircraft weight and space permit. It is not permitted to carry any items or goods of an inflammable, explosive or dangerous nature.

FARES:

Children 4 to 13 years inclusive, occupying a seat, are entitled to travel at half the adult fare. Infants carried on passenger knees are carried free of charge but each adult may carry one infant only.

Student standby fares are available on all flights at 50% of the adult fare. No advance bookings may be made and students must produce their I.D.

FREIGHT:

Freight will be carried on all flights, where aircraft weight and space permit. An express service for courier packages is also available on each flight. For enquiries, please phone our New Plymouth office.

PLEASE don't be a NO-SHOW regardless of circumstances. A confirmed reservation is a dual responsibility — a passenger has as great a responsibility for releasing reserved space as does the airline in holding the space. Failure to advise cancellation will result in the forfeiture of fare.

NOTE: Frequency of flights may be reduced during off peak periods.
Fares and freight rates subject to change without notice.

Nationwide Aviation (N.P.) Ltd reserves the right to refuse transportation of passengers and/or freight should they deem it necessary in all interests.
