New and Exclusive . . .
Comfort Line, Tourist Seating

Tourist class on the SAS Global Express steps ahead into a class by itself! New Comfort-Line seating . . . specially designed for your pleasure by SAS engineers . . . ends shoulder-to-shoulder crowding on three abreast seats . . . provides more *individual* space to read, dine, sleep.

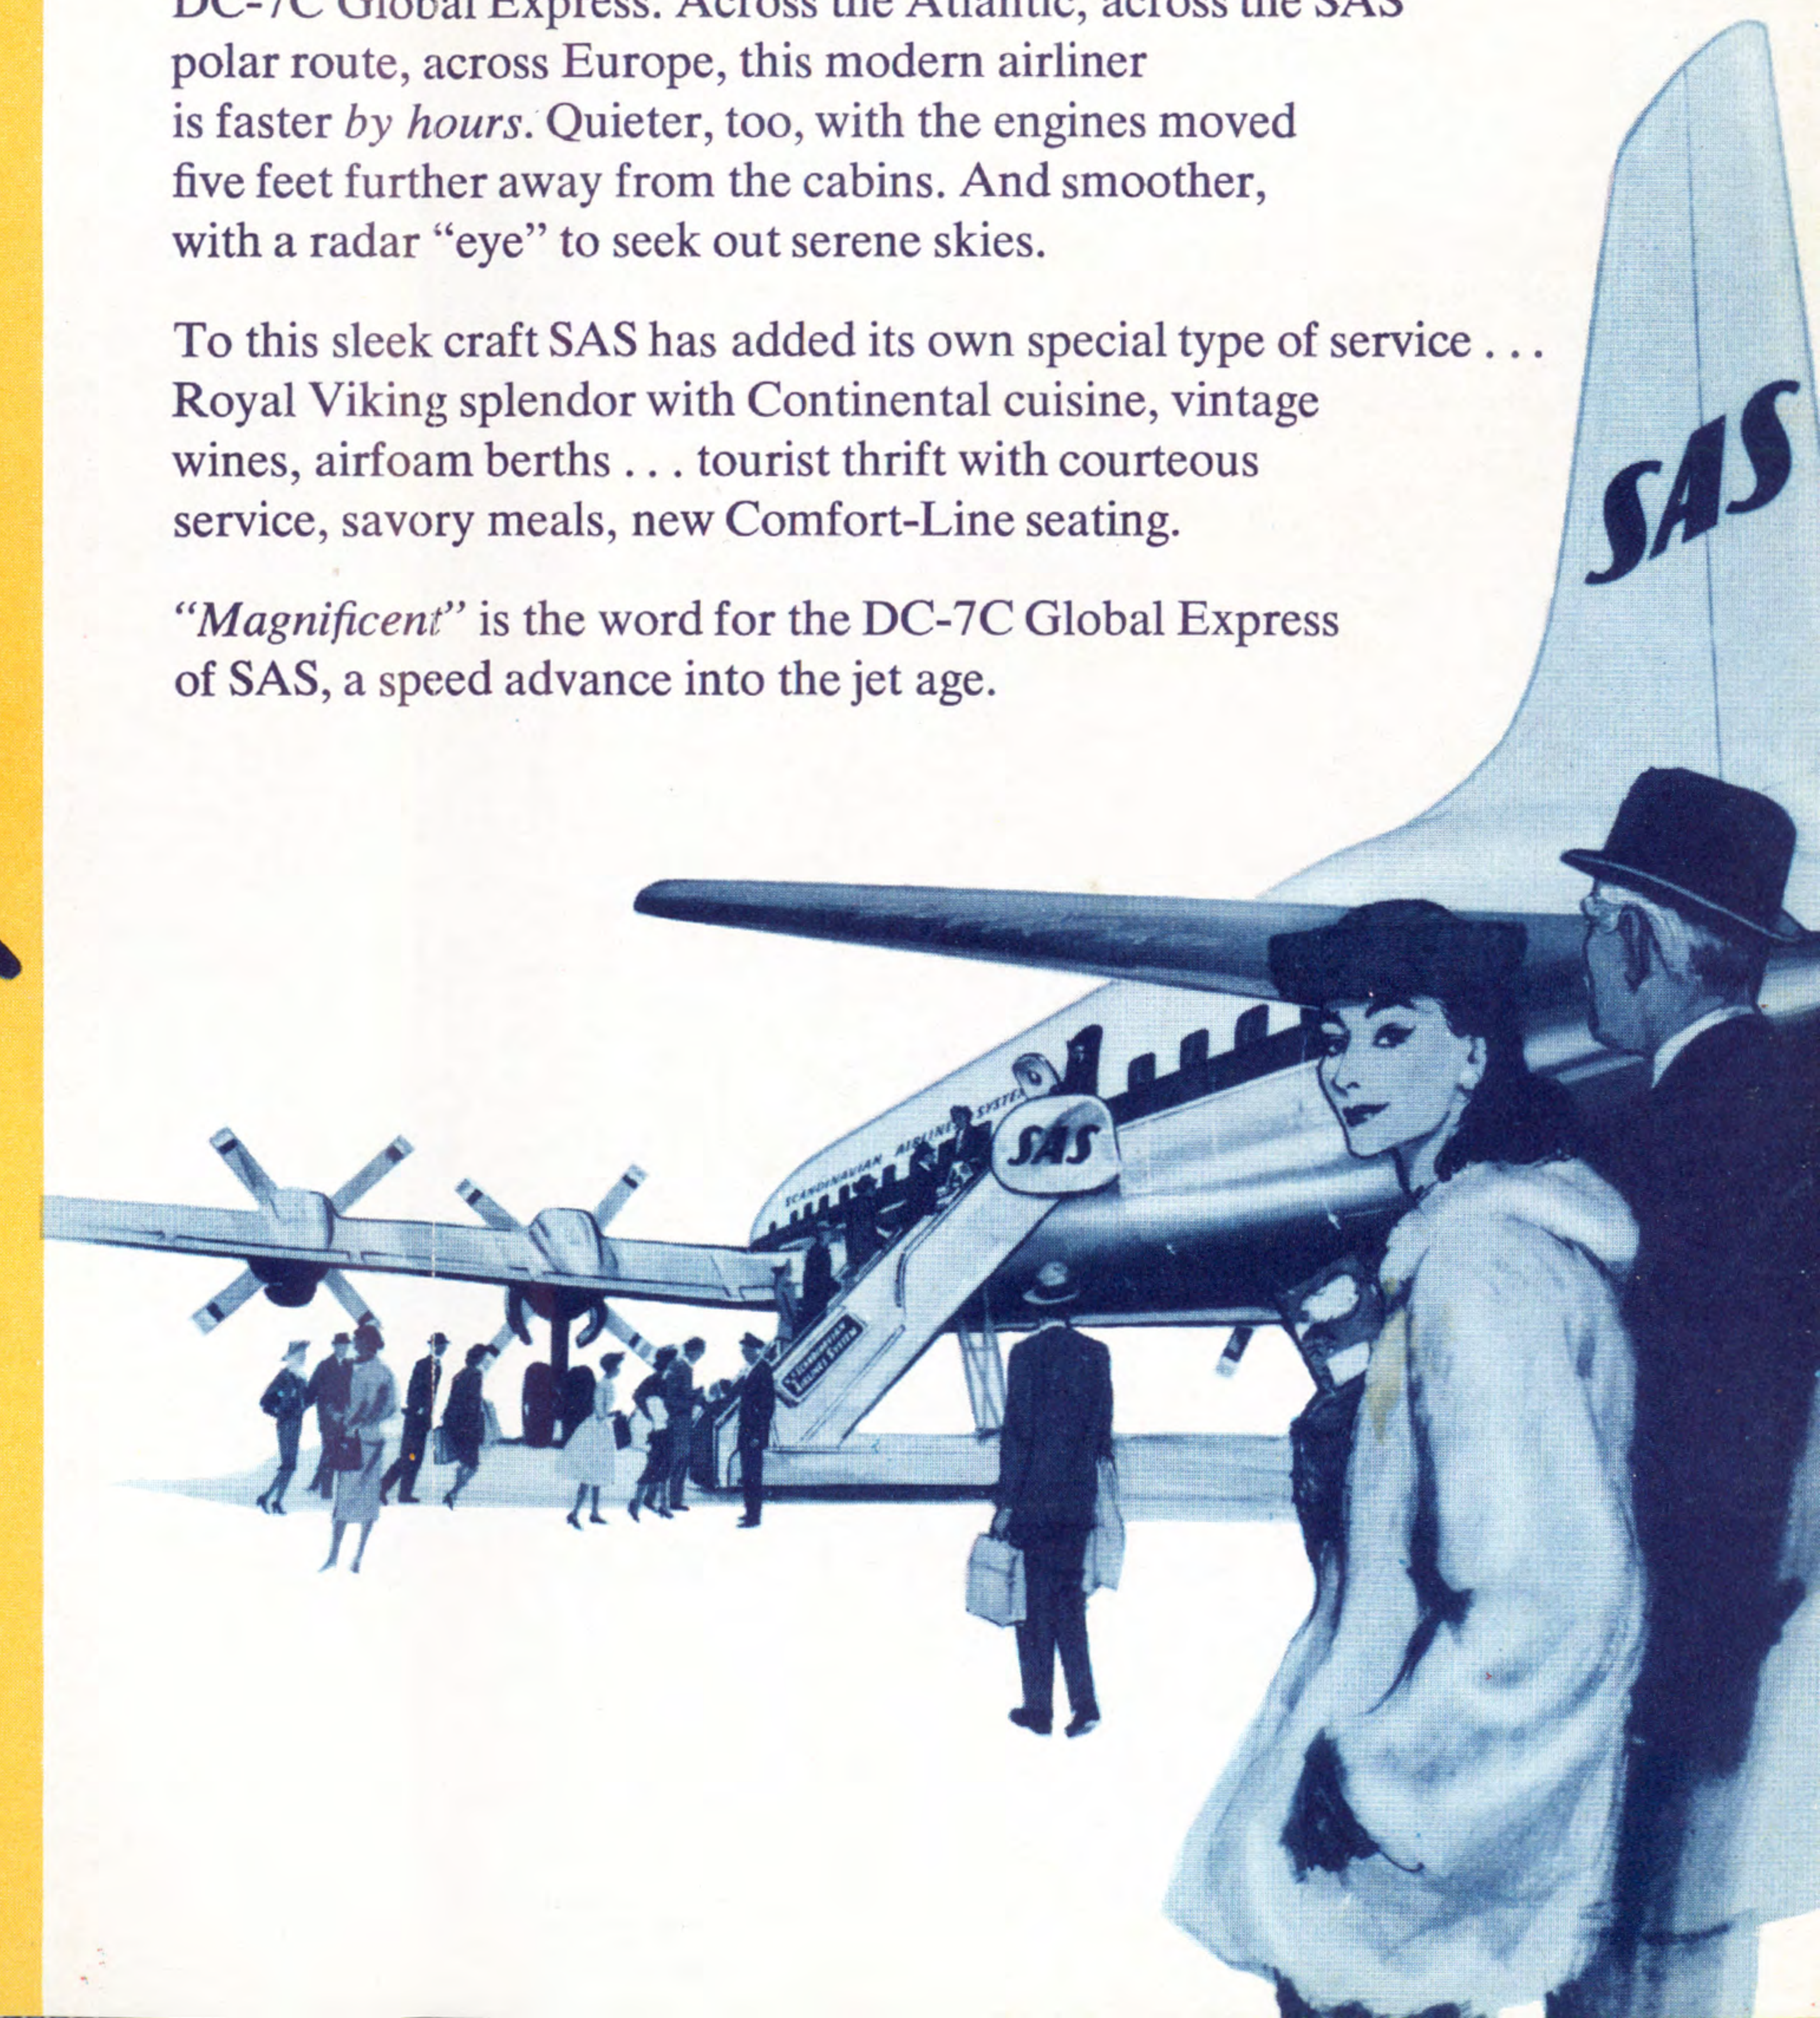

THE *Magnificent* **DC7C** **Global Express**

fastest . . . finest . . . of world airliners!

New speed and splendor come to travel aboard the DC-7C Global Express. Across the Atlantic, across the SAS polar route, across Europe, this modern airliner is faster *by hours*. Quieter, too, with the engines moved five feet further away from the cabins. And smoother, with a radar "eye" to seek out serene skies.

To this sleek craft SAS has added its own special type of service . . . Royal Viking splendor with Continental cuisine, vintage wines, airfoam berths . . . tourist thrift with courteous service, savory meals, new Comfort-Line seating.

"*Magnificent*" is the word for the DC-7C Global Express of SAS, a speed advance into the jet age.

NEW **SAS** ORIENT ROUTE IS DIRECT OVER THE NORTH POLE

Planes on the newest addition to the SAS polar system, the short-cut over the top of the world from Europe to the Orient, cross over the geographical north pole of the earth at precisely 90° north.

On the California-Europe leg of the polar system SAS planes pass near the magnetic north pole, as they swing north of the Arctic Circle through the upper reaches of Canadian territories.

SAS serves more cities in Europe than any other transatlantic or transpolar airline. SAS links five continents and 42 countries and pioneered both the polar routes from California to the Continent and between Europe and the Far East.

There's a special **SAS** tour
to match your world travel dreams

SAS tours cover not only Europe but all the world . . . and over the pole. African safari or Alpine skiing, exciting cities or sleepy towns, winter or summer, there's a tour to fit your taste and time and budget. Here are a few samples:

15-DAY EXCURSIONS — Special reduced fares make possible all the wonders of Europe on a two weeks vacation. May be combined with any special SAS tours — sports, festivals or extra-cities — at any time of year.

EXTRA-CITY TRIPS — Visit extra cities in Europe at no extra fare! Fly to as many as 18 cities, including London and Paris, for the fare to only one. Over 100 different trips to choose from. Get this great travel bonus on S A S.

PENNYWISE TOURS — Grand vacations for the thrifty! Six tours to 11 countries, unmatched for vacation fun with real savings. One low-cost ticket covers S A S flight, hotels, meals, sightseeing. Plan now . . . go any day the year around.

ROUND THE WORLD — Bali and the Taj Mahal, Naples and Fujiyama, London Bridge and the Golden Horn: the world is yours! Every S A S world tour is "individualized" to cover all the spots you want to see.

SEVEN WONDERS OF THE WORLD TOUR — Inspired by the famous Cinerama motion picture. Sets before you seven wonders of the world plus one hundred added sights and delights from Glasgow to Istanbul. An epic tour!

SKI TOURS — Make your own tracks on Europe's finest slopes — in the Alps, Norway, Tyrol. Tours include SAS flight, meals, mountain inns, and hotels. Ask about special conducted tours by famous skiers.

SPORTSMEN'S TOURS — Add spectacular new trophies to your collection! Go on 10 day TIGER SHOOTING in the Indian jungle, arranged by the Maharaja of Jaipur. Big game AFRICAN SAFARIS into Kenya uplands . . . GROUSE SHOOTING on Scottish moors . . . POLAR BEAR HUNTS on top of the world with your bear guaranteed! Make all arrangements with your travel agent, or write SAS.

GERMANY — Land of the Rhine, land of legends! See the Black Forest and Bavaria, great cathedrals; taste fabulous food, wines and beers, in this dynamic land of art, music and architecture.

AFRICAN SAFARIS — Big-game treks into Kenya uplands of East Africa, for elephant, lion, rhino, buffalo. Complete safaris, for gun or camera, with all guides, bearers, tents, food. Optional side trips to Mt. Kenya or Mountains of the Moon.

STUDENT TOURS — Wonderful vagabond tours through Europe; three to five persons in a new car with unlimited mileage. An English-speaking European student is driver, guide and general travel companion.

SCANDINAVIAN TOURS — See fairy-tale countryside, fjords and mountains, sparkling lakes and great forests, modern cities and old towns. See Denmark-Finland-Norway-Sweden, beautiful lands with an admirable way of life.

INDEPENDENT TOURS — Tours tailored to your precise wishes; to and through Europe, Asia, Africa and the Near East . . . anywhere at any time, for special interests, hobbies, sports. All the global facilities of S A S at your command.
