## INFORMATION FOR PASSENGERS

### RESERVATION OF SEATS

Passengers are requested to reserve their seats well in advance. This can be done at any airline office or travel agency. A confirmed seat is indicated in the "reservation status" box of the tickets by code "OK". Code "RQ" indicates that it has not yet been possible to confirm the requested seat.

### RECONFIRMATION

Please confirm your continuing or return reservation if you break your journey for more than 72 hours. To do so, please contact the nearest office of the airline for whose services you hold a reservation at least 72 hours prior to the departure of your flight. Failure to do this may result in the cancellation of your reservations.

If your journey is wholly within Europe this note does not apply to you.

### CANCELLATION OF SEATS

Please cancel your reservation if there is a change in your travel plans. Should you not make use of a confirmed booking all further reservations may be automatically cancelled.

### CHANGES IN RULES OR TARIFFS

Passengers may buy a ticket on domestic flights 15 days before departure and on international flights - not more than 30 days before departure. Therefore, if tariffs change, passengers do not pay any additional sum.

### VALIDITY OF TICKET

The ticket for normal first, business or economy class fare is valid one year from the date of commencement of flight on the first sector of the whole journey. Travel on tickets for some types of special fares involves certain restrictions of validity. When booking or changing reservations, it is necessary to advise the airline or travel agent of the special fare. Failure to do so may result in inconvenience and additional cost to the passenger.

## **CHILDREN AND INFANTS**

Infants under two years of age not occupying a separate seat are carried at 10 per cent of the adult fare and have no free baggage allowance. Children between 2 and 12 years of age pay 50 per cent of the adult fare. They have the right to their own seat and to full free baggage allowance.

## **YOUNG PEOPLE AND STUDENTS**

For detailed information regarding fares, contact Air Ukraine Office or your agent.

## **BAGGAGE, WEIGHT SYSTEM**

The free baggage allowance for checked and unchecked baggage is 40 kg for passengers entitled to travel first class, 30 kg in the business class and 20 kg in the economy class. The charges for excess baggage per kilo amount to 1 per cent of the direct first class one-way fare. The excess baggage is carried in the same aircraft provided the necessary space is available or has been reserved in advance. In addition to the above free baggage allowance each passenger may carry in the aircraft cabin the following articles free of charge: lady's hand-bag, overcoat, blanket, umbrella or walking stick, reasonable amount of reading matter for the flight, infant's carrying basket and fully collapsible invalid's wheelchair and/or any medical aid on which the passenger is dependent.

The unchecked articles are carried under the care and responsibility of the passenger. A baggage claim tag is issued to the passenger as confirmation of receipt of the transportation of the checked baggage.

Prior to check-in, each piece of baggage should be clearly marked with your permanent/temporary address - both inside and outside. The name on the bag must be the same as that on the passenger's ticket. Baggage should be properly locked to avoid its opening during carriage. Carrier will not be liable for baggage not collected immediately upon arrival.

## **BAGGAGE PIECE SYSTEM**

Air Ukraine applies the baggage piece system on its flights on transatlantic routes. Please contact the Air Ukraine Office or your agent for further details.

## **RESTRICTED ARTICLES**

Dangerous goods and articles can be carried only subject to special conditions. For safety reasons, articles or materials which are dangerous or subject to special transport conditions may be carried only under carrier approval.

These regulations apply principally to: compressed gases (flammable/non-flammable), corrosive materials, explosives, ammunition, weapons, easy flammable materials, oxidizing materials, magnetized materials, radioactive materials and other materials as listed in the IATA Dangerous Goods Regulations. Sporting and hunting weapons can only be accepted as registered baggage. Weapons must be unloaded, with safety catch engaged and suitably packed. For further information, please apply to the Air Ukraine Office or your agent.

## **CARRIAGE OF SICK PASSENGERS**

Sick and invalid passengers and expectant mothers can be transported only when all conditions stipulated by the carrier are complied with.

## **PASSPORTS, VISAS, HEALTH REGULATIONS**

Both Air Ukraine and travel agencies will be pleased to give detailed information concerning the passport, visas, health and/or other regulations. Nevertheless, they cannot accept responsibility for passengers being improperly or insufficiently documented. Without proper passport, visa and health documentation as required by countries of exit, transit and entry the passenger may not be accepted for transportation.

## **AIRPORT TAX**

Airport charge can be included in the cost of aviation ticket as well as can be collected directly before departure to another country which depends on regulations of the airport.

## БРОНИРОВАНИЕ МЕСТ

Пассажирам предлагается бронировать места заблаговременно. С заявками можно обращаться в любое агентство авиакомпании или бюро путешествий. Подтвержденное место обозначается в соответствующей графе билета кодом "OK". Код "RQ" указывает, что подтвердить требуемое место пока не представляется возможным.

## ПЕРЕПОДТВЕРЖДЕНИЕ БРОНИРОВАНИЯ

Просим переподтвердить Ваше намерение продолжить полет или использовать обратный билет, если Вы прерываете Вашу поездку более чем на 72 часа. Для этого просим Вас обратиться в ближайшее агентство авиакомпании, где Вы осуществляли бронирование по крайней мере за 72 часа до отлета Вашего самолета. Если Вы этого не сделаете, то бронирование Вашего места будет отменено.

Если Вы совершаете путешествие в пределах Европы, то вышеизложенное на Вас не распространяется.

## ОТМЕНА БРОНИРОВАНИЯ

Просим Вас отменить бронирование, если Ваши планы изменились. Если Вы не воспользуетесь подтвержденным заказом, то все Ваше дальнейшее бронирование будет автоматически отменено.

## ИЗМЕНЕНИЯ В ТАРИФАХ ИЛИ ПРАВИЛАХ

По установленным правилам пассажир может выкупить билет на внутренний рейс за 15 дней до вылета самолета, на международный рейс не ранее, чем за 30 дней до вылета самолета, поэтому при изменении тарифа пассажир никакой доплаты не производит.

## ДЕЙСТВИТЕЛЬНОСТЬ БИЛЕТА

Билеты, оплаченные по тарифам первого, бизнес или экономического классов, действительны в течение года с даты начала полета. Путешествие по билетам, оплаченным по специальным тарифам, предполагает определенные ограничения в сроках годности билета.

Бронируя место или изменяя бронирование, необходимо проинформировать авиакомпанию или турагента о том, что билет оформлен с применением специального тарифа. Невыполнение этого может привести к неудобствам и дополнительным расходам для пассажиров.

## ДЕТИ

Дети до двух лет, не занимающие отдельного места, перевозятся с оплатой в 10% стоимости взрослого билета и не имеют права на бесплатный провоз багажа. Дети от 2 до 12 лет оплачивают 50% стоимости взрослого билета. Они имеют право на собственное место и на бесплатный провоз багажа.

## МОЛОДЕЖЬ И СТУДЕНТЫ

Подробную информацию относительно скидок Вы можете получить в агентстве Авиакомпаний или у Вашего турагента.

## БАГАЖ "ВЕСОВАЯ СИСТЕМА"

Разрешается бесплатно провозить багаж (зарегистрированный или нет) в количестве, 30 кг для бизнес класса и 20 кг в экономическом классе, кроме трансатланти - ческих полетов.

Сверхнормативный багаж перевозится тем же самолетом при условии наличия в самолете свободного или заблаговременно забронированного места. В дополнение к вышеуказанным нормам бесплатного провоза багажа каждый пассажир может провозить бесплатно следующие вещи: дамскую сумочку, пальто, плед, зонтик или трость, литературу для чтения в полете, корзину для переноски младенца, складную инвалидную коляску и/или любой предмет медицинского назначения, без которого пассажир не может обойтись в полете. За незарегистрированные вещи пассажир сам несет ответственность. Пассажиру

выдается багажная бирка как подтверждение, что зарегистрированный багаж принят для транспортировки. Перед регистрацией на каждом месте багажа должен быть четко написан постоянный или временный адрес - внутри и снаружи. На багаже пассажир должен написать ту же фамилию, которая указана в билете. Багаж должен быть надежно закрытым, чтобы он не открылся во время полета. Авиакомпания не отвечает за сохранность багажа, не полученного сразу же после прилета.

### **БАГАЖ, СИСТЕМА "ПО КОЛИЧЕСТВУ МЕСТ"**

Авиакомпания "Авиалинии Украины" применяет на трансконтинентальных маршрутах багажную систему "по количеству мест". Просим обращаться в агентство Авиакомпаний или к своему турагенту за подробной информацией.

### **ПРЕДМЕТЫ, ОГРАНИЧЕННЫЕ ДЛЯ ПРОВОЗА В БАГАЖЕ**

Опасный багаж перевозится только при специальных условиях. Для сохранности опасные вещи или материалы требуют специальных транспортных условий и могут перевозиться только с согласия авиакомпании. Эти правила главным образом относятся к сжатым газам, (воспламеняющимся или нет), материалам, подверженным коррозии, взрывчатым веществам, боеприпасам, оружию, легко воспламеняющимся материалам, обладающим магнитными свойствами, радиоактивным материалам, ртути, ядам и другим из списка опасных материалов ИАТА. Спортивные и охотничьи ружья могут быть приняты только в зарегистрированном багаже. Ружья должны быть разряжены и специально упакованы. За дальнейшей информацией просим обращаться в агентство Авиакомпаний или к своему турагенту.

### **ПЕРЕВОЗКА БОЛЬНЫХ ПАССАЖИРОВ**

Больные пассажиры, инвалиды и беременные женщины перевозятся, когда соблюдены все условия, указанные авиакомпанией.

### **ПАСПОРТА, ВИЗЫ, МЕДИЦИНСКИЕ СЕРТИФИКАТЫ**

Как авиакомпания, так и бюро путешествий будут рады предоставить подробную информацию об оформлении паспортов, виз, медицинских сертификатов и др. документов. Тем не менее, они не могут нести ответственность за пассажиров с неправильно оформленными документами. Без правильно оформленного паспорта, визы или медицинского сертификата, как того требуют страны выезда, транзита и въезда, пассажир может быть не принят к перевозке.

### **АЭРОПОРТОВЫЕ СБОРЫ**

Аэропортовый сбор может взиматься как при покупке авиабилета так и непосредственно перед вылетом в другую страну, в зависимости от правил аэропорта.
