Ticket

Your ticket is issued subject to the Conditions of Contract printed inside the front cover and to our GENERAL CONDITIONS OF CARRIAGE OF PASSENGERS AND BAGGAGE, copies of which may be inspected at our booking offices.

Alcoholic drinks, cigarettes, perfumes and bottled spirits may be purchased by passengers on these Tourist-class services where applicable.

Reconfirmation Procedure

If you break your journey for more than 72 hours at any point, please reconfirm your intention of using your continuing or return reservation. To do so, please inform the airline office at the point where you intend to resume your journey at least 72 hours before departure of your flight. Failure to reconfirm will result in the cancellation of your reservation(s). If your journey is wholly within Europe this notice does not apply to you.

Ticketing Time Limit (International Services)

When making your reservation(s) you will be advised the latest time by which you should purchase your ticket; if you already hold a ticket, you will be advised the latest time by which the appropriate details should be inserted on your ticket. Failure to comply with these time limitations may lead to your reservation(s) being cancelled.

Important Note

When a passenger fails to secure his ticket within the time limit stated, BIA or its appointed Travel Agents may cancel any reservations made on BIA's scheduled services and also recommend the cancellation of any other reservations made on the services of other carriers.

Deposits and Cancellation Fees (to and from the Channel Islands and the Isle of Man)

When a booking is made two months or more before the date of travel a non-refundable deposit of £2-00 per seat will be collected. The non-refundable deposit will form part of the full fare, the balance of which should be paid not later than two months before the date of travel. If payment of the non-refundable deposit or the full fare is not received by the time specified the booking will be cancelled automatically.

A cancellation fee of £2-00 per seat will be charged for all bookings cancelled except when:

- (i) The booking is transferred to another domestic service for travel wholly within the British Isles, or
(ii) The non-refundable deposit acts as the cancellation fee.

Children (and infants for whom a seat has been reserved) will be charged half of the above charges.

Ticketing Time Limit (Domestic Services)

- (i) Reservations made TWO MONTHS OR MORE before the date of travel; the full fare should be paid not later than two months before the date of travel.
(ii) Reservations made LESS THAN TWO MONTHS before the date of travel; the full fare should be paid at time of booking or by the date specified by BIA at time of booking.

If payment of the full fare is not received by the time specified, the reservations will automatically be cancelled.

'No-Show' Charges (services wholly within the British Isles)

A passenger failing to join the flight on which he is booked will incur a forfeiture of £3-00 or the fare, whichever is the lower. Children (and infants for whom a seat has been reserved) will incur a forfeiture of 50% of the 'No-Show' charge.

Baggage

Passengers on international journeys are permitted to carry at no extra charge 30 kgs. (66 lb.) of baggage on First Class, and 20 kgs. (44 lb.) on Tourist and Economy Class services; 15 kgs. (33 lb.) on Air Paris services between Gatwick Airport London and Le Havre.

Passengers on domestic services within the British Isles are permitted to carry at no extra charge one piece of baggage. For this

purpose a suitcase, the three dimensions of which when added together do not exceed 67 inches, is counted as one piece of baggage. A suitcase, the three dimensions of which exceed 67 inches, is counted as two pieces.

Baggage should contain personal effects only, but you may carry commercial samples provided you arrange to be at the airport for international flights not later than the time specified by the local Customs; in the United Kingdom this is 40 minutes before the flight departure time. Fragile or perishable articles, money, jewellery, securities or other valuables, business documents, etc., will not be accepted as checked baggage. Passengers may declare a value in excess of:

- (i) £7-00 per kg. of checked baggage, and
(ii) £140-00 per passenger in respect of unchecked baggage.

Excess value charges will be levied in accordance with BIA regulations.

Children and infants travelling at half fare receive the full adult baggage allowance. Infants travelling free or at 10% fare have no free allowance, but a reasonable amount of food for consumption during flights and a carry-cot may be carried free of charge.

Personal Items

In addition to the free allowance, a lady's handbag, an overcoat or wrap, an umbrella or walking stick, a small camera, a pair of binoculars, and a reasonable amount of reading matter for the journey may be carried free in the cabin of the aircraft. A fully collapsible invalid's wheelchair, a pair of crutches and/or braces will also be carried free of charge provided that the passenger is dependent upon them. Briefcases, typewriters, radios, night-stop bags, ladies' vanity or cosmetic cases, hat boxes, heavy cameras, excessive reading matter and other parcels will be weighed as part of the allowance.

On domestic services within the British Isles passengers are also permitted to carry at no extra charge one small case to be stowed under the passenger's seat during flight. The dimensions of this piece must not exceed 18 in. by 14 in. by 6 in.

Excess Baggage

Excess baggage will be carried if there is space in the aircraft and will be charged for at the appropriate rate.

Prohibited Articles

Government regulations do not permit the carriage on aircraft of a number of articles, including inflammable, explosive, corrosive, oxidising, radio-active or magnetic materials, and you are asked not to carry with you or in your baggage such things as cylinders of compressed gas for picnic or camping stoves, cylinders of compressed air for use with aqua-lungs and underwater equipment, containers of cigarette lighter fuel, firearms or explosives including blank cartridges. On all BIA aircraft, except during take-off and landing, and in the toilets, smoking is permitted and you may carry a box of SAFETY matches or a lighter with you for use on the journey. If you are in any doubt as to whether any article or thing is acceptable for carriage in the aircraft our traffic staff will be pleased to advise you.

Portable Electronic Equipment

Passengers may not use any portable electronic equipment such as radios and tape recorders during the flight because of possible effects on the aircraft's equipment.

Pets

We regret that we cannot carry pets in the passenger cabin. They can, however, be carried as cargo on most routes by prior arrangement.

Children and Infants

One infant under two years, accompanied by an adult and not occupying a separate seat, may travel at 10% of the full applicable adult fare. (One infant under three years, accompanied by an adult and not occupying a separate seat, travelling on services within the British Isles, travels free of charge.) Any additional infants accompanied by the same adult travel at 50% of the full applicable adult fare. Children over two (over three on services within the British Isles) and under 12 years of age travel at 50% of the full applicable adult fare. (See also under Unaccompanied Children.)

Fares for Young Persons and Students
For journeys wholly within Europe (excluding travel wholly within the United Kingdom and between the United Kingdom and the Republic of Ireland) BIA will grant a discount of 25 % off all normal tourist class one-way fares to:

- (i) all passengers between the ages of 12 and 21 inclusive, or
- (ii) students between the ages of 22 and 25 inclusive, attending full-time school, college, university courses or other educational institutes.

Proof of date of birth (and a completed BIA Student's form in the case of students between the ages of 22 and 25 inclusive) will be required at the time of purchase of the ticket.

Special reduced rates are also available to students between the ages of 12 and 25 inclusive, attending full-time school, college, university courses or other educational institutes when travelling between their place of education and their home if they do not qualify under the above conditions.

Special reduced rates are also available on the services of Air Paris, details of which may be obtained from any BIA office or Appointed Travel Agent.

Fares for Groups
BIA can offer group travel discounts ranging from 5 % to 40 %. Please apply to any BIA office or Appointed Travel Agent for details.

Passport Requirements
All passports must carry endorsements covering the countries through which you pass. An endorsement 'All Countries of the World' will suffice. Although any BIA office or Appointed Travel Agent will gladly offer advice and assistance regarding the travel documents and visas required for your journey, you must personally ensure that you are in possession of the necessary travel documents and visas since BIA cannot accept any responsibility for the consequences of any irregularity. It should be noted, however, that some Consulates require a personal application before granting visas.

Currency
Your travel agent or your bank will inform you of prevailing currency regulations in the United Kingdom and/or countries you are visiting and it is advisable to carry Traveller's Cheques endorsed for the places you will visit.

Taxes
Taxes and transportation charges are sometimes charged on air tickets and at international airports. Any BIA office or Appointed Travel Agent will gladly advise where these charges are applicable. For details of Airport Service Charges, see page 8.

Departures
Services cannot be delayed for latecomers, so please check-in at the town terminal or at the airport by the time specified. The check-in time shown on your ticket should be regarded as the latest time for joining; it only allows for the minimum time needed to complete all the necessary formalities.

CHARTER SERVICES

Our services are designed to make chartering an aircraft for business purposes, social clubs, common interest group parties and freight, as easy as possible. Chartering a BIA aircraft is not nearly as expensive as many people believe. Just think of one of the advantages – chartering your own aircraft means that you and your colleagues can travel direct to most airports in the U.K. or Europe in the minimum time, and you arrive fresh and ready for business or social occasions. Our

Stop-overs
You may break your journey at certain points *en route* including transfer points listed in the fare tables, in most cases retaining the benefit of the through fare, provided you give notice at the time the reservation is made. Hotel expenses, surface transport and meals at every stop-over will be your own responsibility. These facilities are NOT available at Guernsey or Jersey to passengers paying the through fare from/to points in the United Kingdom and Guernsey or Jersey. Stop-over facilities are not available to passengers travelling at Student or Forces fares.

Surface Transport
Surface transport is usually available between town terminals and airports (and *vice versa*) at an added cost to your air fare. Normally such charges are payable locally and you are advised to ensure that you have sufficient local currency available in cash to meet this cost. Information regarding such transportation and its cost may be obtained at the time of making your reservations. See also Local Transport information on page 34.
Unless otherwise specifically stated, surface transport is not provided by BIA but by a local carrier contracting directly with the passenger.

Empty Seats on Fully Booked Aircraft
There is normally a good reason for any empty seats which may be seen on an aircraft stated to be fully booked. Sometimes seats are cancelled at the last moment and cannot be re-sold, and in other instances the equivalent weight has been reserved for additional mail or urgent cargo, which of course cannot be seen from the passenger cabin.

Punctuality
Naturally every effort is made to ensure the punctuality of our services, but BIA cannot accept responsibility for any consequences caused by the delay or suspension of a service. Similarly, we cannot guarantee that connections will be made with the services of other air or surface carriers.

Unaccompanied Children
Children who have reached their sixth birthday but have not reached their twelfth birthday, and who are not accompanied, may travel, provided that arrangements are made by their parents/guardians for them to be escorted at point of departure and arrival. A special form must be completed by the parent/guardian and returned to the office making the reservation at the time of purchase of the ticket.

These facilities are also available to children over 12 years of age but under 16 years of age upon request from the parent/guardian. Children and infants under six years of age will normally not be accepted for travel unless accompanied by an adult passenger who must assume responsibility for them during the journey. However, where this is not possible such children and infants may travel if accompanied by an official escort provided by BIA exclusively for that purpose. The charge for the services of escort will be the applicable adult return fare (this is in addition to the child's fare).

fleet of reliable, comfortable Dart Herald aircraft are capable of carrying up to 50 passengers or 4,500 to 5,000 kilos of freight; our C47 Freighters up to 3,000 kilos of freight.

All you have to do to obtain a charter quotation on a BIA aircraft, is to contact your Travel Agent or nearest BIA office (see page 33) or telephone our Charter Department at Redhill 65941 (after normal office hours Crawley 30112) – (Telex 87218).
