Fly the airline that's closer to you.

We fly scheduled services from regional airports in the United Kingdom to the Channel Islands, the Isle of Man, Ireland and several major cities in Europe.

With departures from local airports, BIA bring flying closer to your home to save you travelling time.

Our fares are competitive, with very favourable rates for children and cheap parking at most airports can save you money.

We can probably save you money on your air fare, too. On many of our routes we offer our Fare-Shares tickets—specially reduced return fares for little more than the cost of a single ticket—see page 24 for more details.

Stay close. We'll make it well worth your while.

GENERAL INFORMATION

FARES

General

Reductions quoted below for children's, infant's and student's fares etc. will not necessarily be exact as mandatory fare rounding-up regulations apply.

Children and infants (Domestic)

One infant under three years of age accompanied by an adult and not occupying a separate seat travels free of charge. Any additional infants accompanied by the same adult travel at 50% of the full applicable adult fare. Children of three years of age and over but under twelve years of age travel at 50% of the full applicable adult fare. (See also Unaccompanied Children.)

For children and infants travelling on Domestic Railair services, conditions different from those given above may apply, please ask for details.

Children and infants (International)

One infant under two years of age accompanied by an adult and not occupying a separate seat travels at 10% of the full applicable adult fare. Any additional infants accompanied by the same adult travel at 50% of the full applicable adult fare. Children of two years and over, but under twelve years of age travel at 50% of the full applicable adult fare. (See also Unaccompanied Children.)

For children and infants travelling on International Railair services specific fares apply, please ask for details.

Fares for Young Persons and Students

All passengers between the ages of 12 and 21 (inclusive) and students attending full-time school, college, university courses or other educational institutes between the ages of 22 and 25 (inclusive) will be granted a discount by BIA on journeys wholly within Europe (excluding journeys between the United Kingdom and the Republic of Ireland and journeys wholly within the United Kingdom including the Channel Islands and the Isle of Man).

Proof of date of birth (and a completed BIA Student's form in the case of students between the ages of 22 and 25 inclusive) will be required at the time of purchase of the ticket.

Special reduced rates are generally available to students between the ages of 12 and 25 inclusive, attending full-time school, college, university courses or other educational institutes when travelling between their place of education and their home if they do not qualify under the above conditions.

Fares for Groups

BIA can offer attractive group travel discounts. Please apply to any BIA office or Appointed Travel Agent for details.

Spouse Fares

These fares are generally available when a husband and wife travel together on a journey wholly within Europe (excluding journeys wholly within the United Kingdom including the Channel Islands and the Isle of Man). The husband or wife will be charged the applicable normal all year return or circle trip fare. The accompanying spouse will be charged 50% of the applicable normal all year return or circle trip fare. These fares have a maximum validity of five days. Stop-overs are NOT permitted and the husband and wife must travel together throughout the journey.

Any accompanying children under 12 years of age will be charged the normal discount for infants and children relative to the applicable fare and the discount provided for spouse fares will therefore NOT apply to children and infant fares.

Stopovers

You may break your journey at certain points *en route* including transfer points listed in the fare tables; in most cases retaining the benefit of the through fare, provided you give notice at the time the reservation is made. Hotel expenses, surface transport and meals at every stopover will be your own responsibility. These facilities are NOT available at Guernsey or Jersey to passengers paying the through fare from/to points in the United Kingdom and Guernsey or Jersey. Stopover

facilities are not available to passengers travelling at Spouse or Student fares.

Taxes

Taxes and transportation charges are sometimes charged on air tickets and at international airports. Any BIA office or Appointed Travel Agent will gladly advise where these charges are applicable.

Surface Transport

Surface transport is usually available between town terminals and airports (and *vice versa*) at an added cost to your air fare. Normally such charges are payable locally and you are advised to ensure that you have sufficient local currency available in cash to meet this cost. Information regarding such transportation and its cost may be obtained at the time of making your reservations.

Unless otherwise specifically stated surface transport is not provided by BIA but by a local carrier contracting directly with the passenger.

BAGGAGE

Contents

Baggage should contain personal effects only, but you may carry commercial samples (subject to weight/size) provided you arrange to be at the airport for international flights not later than the time specified by the local Customs; in the United Kingdom this is 40 minutes before the flight departure time. Fragile or perishable articles, money, jewellery, securities or other valuables, business documents, etc. will not be accepted as checked baggage. Passengers may declare a value in excess of £10.78 per kg. of checked baggage. Excess value charges will be levied in accordance with BIA regulations.

Prohibited Articles

Government regulations do not permit the carriage on aircraft of a number of articles, including inflammable, explosive, corrosive, oxidising, radio-active or magnetic materials etc. Instruments or articles containing mercury must be so packed as to avoid spillage. You are asked not to carry with you or in your baggage such things as cylinders of compressed gas for picnic or camping stoves, cylinders of compressed air for use with aqua-lungs and underwater equipment, containers of cigarette lighter fuel, firearms or explosives including blank cartridges. On all BIA aircraft, except during take-off and landing, and in the toilets, smoking is permitted and you may carry a box of SAFETY matches (NOT BOOK MATCHES), or a lighter with you for use on the journey. If you are in doubt as to whether any article or thing is acceptable for carriage in the aircraft our traffic staff will be pleased to advise you.

Baggage allowance, (International except UK-France)

On international journeys, other than as specified below, passengers are permitted to carry at no extra charge 30kgs. (66lbs.) of baggage when the First Class fare is paid, and 20kgs (44lbs.) of baggage when any other fare is paid.

Baggage allowance (UK-France)

On our services between the United Kingdom (including the Channel Islands and the Isle of Man) and France (including International Railair services), passengers will be permitted to carry at no extra charge one large and/or one small piece of baggage. For this purpose a suitcase, the three dimensions of which when added together do not exceed 67 inches (170cm), is counted as one large piece of baggage; and a small case the three dimensions of which when added together do not exceed 39 inches (100cm), is counted as one small piece of baggage. The latter may be taken into the passenger cabin (for underseat stowage) if the measurements do not exceed 18" x 14" x 6". Passengers who have paid a First Class fare and other passengers presently entitled to a free allowance of 30kgs. or more will be granted an additional large piece of checked baggage free, provided each piece does not exceed the maximum dimensions. Baggage in excess of the free allowance will be assessed as follows: —

Any checked piece exceeding the maximum dimensions, or any piece or pieces in excess of the free allowance will be charged for as additional pieces. The charge for each piece in excess of the free allowance will be 5% of the applicable First Class one-way fare rounded up to the next higher £0.50 or FFR5.

Baggage allowance (Domestic)

Passengers on domestic journeys are permitted to carry at no extra charge one piece of baggage. For this purpose a suitcase, the three dimensions of which when added together do not exceed 67 inches, is counted as one piece of baggage. A suitcase, the three dimensions of which exceed 67 inches, is counted as two pieces.

Baggage allowance (Children and infants)

Personal Items

In addition to the free allowance, a lady's handbag, an overcoat or wrap, an umbrella or walking stick, a small camera, a pair of binoculars, and a reasonable amount of reading matter for the journey may be carried free in the cabin of the aircraft. A fully collapsible invalid's wheelchair, a pair of crutches and/or braces will also be carried free of charge provided the passenger is dependent upon them. Briefcases, typewriters, radios, night-stop bags, ladies' vanity or cosmetic cases, hat boxes, heavy cameras, excessive reading matter and other parcels will be treated as part of the allowance.

On domestic services passengers are also permitted to carry at no extra charge one small case to be stowed under the passenger's seat during flight. The dimensions of this piece must not exceed 18" x 14" x 6".

Excess Baggage

Excess baggage will be carried if there is space in the aircraft and will be charged for at the appropriate rate.

Baggage identification

Please label each piece of your baggage with your name outside and your name, permanent address and telephone number on the inside. To ensure that your baggage does not open accidentally, please lock it securely.

Security

In the interests of your own security, your attention is directed to the following points: —

- (i) If you have been given a present or other article by anyone with the request that you take it with you on your flight, you should inform an airline representative, police or Customs official immediately.
- (ii) Do not accept any such presents or articles from anyone AFTER checking-in for your flight.
- (iii) Do not leave your baggage at any time unobserved.

Portable Electronic Equipment

Passengers may not use any portable electronic equipment such as radios and tape recorders during the flight because of possible effects on the aircraft's equipment.

BOOKINGS

Ticketing Time Limit (Domestic)

- (i) Reservations made ONE MONTH OR MORE before the date of travel; the full fare should be paid not later than one month before the date of travel.
- (ii) Reservations made LESS THAN ONE MONTH before the date of travel; the full fare should be paid at time of booking or by the date specified by BIA at time of booking.

If payment of the full fare is not received by the time specified, the reservations will automatically be cancelled.

Ticketing Time Limit (International)

When making your reservation(s) you will be advised the latest time by which you should purchase your ticket; if you already hold a ticket, you will be advised the latest time by which the appropriate details should be inserted on your ticket. Failure to comply with these time limitations may lead to your reservation(s) being cancelled.

Important Note

When a passenger fails to secure his ticket within the time limit stated, BIA or its Appointed Travel Agents may cancel any reservations made on BIA's scheduled services and also recommend the cancellation of any other reservations made on the services of other carriers.

Reconfirmation Procedure

If you break your journey for more than 72 hours at any point, please reconfirm your intention of using your continuing or return reservation. To do so, please inform the airline office at the point where you intend to resume your journey at least 72 hours before departure of your flight. Failure to reconfirm will result in the cancellation of your reservation(s). If your journey is wholly within Europe this notice does not apply to you.

GENERAL

Ticket

Your ticket is issued subject to the Conditions of Contract printed inside the front cover and to our GENERAL CONDITIONS OF CARRIAGE FOR PASSENGERS AND BAGGAGE, copies of which may be inspected at our booking offices.

Alcoholic drinks, cigarettes, perfumes and bottled spirits may be purchased by passengers on Tourist-class services where applicable.

Credit Cards

Access (and all Interbank Cards), American Express, Barclaycard (and associated Blue, White and Gold Cards), Diners Club, and Amoco Torch Club cards may be used at most BIA offices and many Appointed Travel Agents to purchase BIA tickets.

Passport Requirements

All passports must carry endorsements covering the countries through which you pass. An endorsement "All Countries of the world" will suffice. Although any BIA office or Appointed Travel Agent will gladly offer advice and assistance regarding the travel documents and visas required for your journey, you must personally ensure that you are in possession of the necessary travel documents and visas since BIA cannot accept any responsibility for the consequences of any irregularity. It should be noted, however, that some Consulates require a personal application before granting visas.

Currency

Your travel agent or your bank will inform you of prevailing currency regulations in the United Kingdom and/or countries you are visiting and it is advisable to carry Traveller's Cheques endorsed for the places you will visit.

Departures

Services cannot be delayed for latecomers, so please check-in at the town terminal or at the airport by the time specified. The check-in time shown on your ticket should be regarded as the latest time for joining; it only allows for the minimum time needed to complete all the necessary formalities.

Punctuality

Naturally every effort is made to ensure the punctuality of our services, but BIA cannot accept responsibility for any consequences caused by the delay or suspension of a service. Similarly, we cannot guarantee that connections will be made with the services of other air or surface carriers.

Empty Seats on Fully Booked Aircraft

There is normally a good reason for any empty seats which may be seen on an aircraft stated to be fully booked. Sometimes seats are cancelled at the last moment and cannot be re-sold, and in other instances the equivalent weight has been reserved for additional mail or urgent cargo which of course cannot be seen from the passenger cabin.

Unaccompanied Children

Services other than International Railair Services

Children who have reached their sixth birthday but have not reached their twelfth birthday and who are not accompanied, may travel, provided that arrangements are made by their parents/guardians for them to be escorted at point of departure and arrival. A special form must be completed by the parent/guardian and returned to the office making the reservation at the time of purchase of the ticket.

These facilities are also available to children over 12 years of age but under 16 years of age upon request from the parent/guardian. Children and infants under six years of age will normally not be accepted for travel unless accompanied by an adult passenger who must assume responsibility for them during the journey. However, where this is not possible such children and infants may travel if accompanied by an official escort provided by BIA exclusively for that purpose.

The charge for the service of escort will be the applicable adult return fare (this is in addition to the child's fare).

International Railair Services

Unaccompanied children under 12 years of age cannot be accepted for travel on the Silver Arrow Railair service from London Victoria Station or London Gatwick Airport to Amiens or Paris Nord or vice versa, nor can they be accepted for travel on other Railair services via Le Touquet, Ostend or Rotterdam.

Additionally, no special facilities exist for unaccompanied children between the ages of 12 and 16 years of age on these International Railair services.

Detailed information concerning unaccompanied children may be obtained from any BIA office or Appointed Travel Agent.

Pets

We regret that we cannot carry pets in the passenger cabin. They can, however, subject to prior arrangement, be carried as cargo on international routes, or as either accompanied baggage or cargo on U.K. domestic routes.

Value Added Tax

Value Added Tax has not been included in any fares or rates shown in this publication, however, Value Added Tax will be levied where applicable.
