passenger fares  
information and  
main offices

The published fares include transportation by connecting airlines where necessary and unless otherwise indicated are for travel via the most direct route. Fares for other routings may differ. Details will be supplied on application. Fare(s) specified between any two points take precedence over the combination of intermediate fares applicable between the same points. Fares published in local currency are applicable only in the country from which the fares are quoted.

**All fares are subject to alteration without further notice.**

Certain fares are subject to governmental approval

**For fares not shown please consult your nearest BOAC Appointed Travel Agent or any BOAC Office.**

**Fly now and pay later.** Arrangements can be made whereby residents of certain areas may, on payment of a 10% deposit, travel immediately and pay the balance of fare in monthly instalments. The terms 'Tourist' and 'Economy' as applied to travel within the Eastern Hemisphere are used to designate the same class of service. Where certain fares are shown in Pounds Sterling or US \$, the equivalent fares in local currency will be supplied on application.

## your ticket and conditions of contract

Your ticket is subject to the Conditions of Contract printed on the inside of the front cover. Except as stated therein, these Conditions incorporate our General Conditions of Carriage of passengers and baggage. These Conditions of Carriage are exhibited in full at all BOAC offices, copies of which will be supplied on request.

## your fare includes

### meals

On BOAC services your fare includes all meals and gratuities in flight and on the ground from the departure of the aircraft until arrival at the airport of destination shown on the flight coupon of your ticket. Kosher, Moslem, salt-free and vegetarian diets are available, provided they are requested in advance. Alcoholic drinks, provided free in flight for First Class passengers, are available on board for sale to Tourist, Economy, and Economy (Skycoach) passengers. Cigarettes may be purchased in all classes.

### hotel accommodation

At certain places shown in this timetable meals and/or hotel accommodation may be provided for onward passengers where necessary, in accordance with the regulations of BOAC or other airlines concerned. There are some cases where these facilities are not provided e.g. at connecting points in the USA, Canada and Australia where travel is to or from places within those countries. Regulations governing travel by local carriers may differ especially in respect of hotel accommodation, meals and baggage allowance.

### ground transport

At certain places in the eastern hemisphere transport between town terminal and airport is provided free for originating, terminating and stopover passengers, but elsewhere such passengers are charged for ground transport.

## stopovers

In most cases, you may break your journey at one or more places en route, and retain the benefit of the through fare, provided notice is given at the time of reservation. Hotel expenses at each stop-over will be your responsibility.

## validity

First, Tourist, Economy, or Economy (Skycoach) Class tickets are normally valid for one year.

## reduced fares

*Excursion fares, Family fares* and reductions for *Students* are available in certain circumstances. *Youth fares* offer reductions for travel at certain times of the year between Australia or New Zealand and Europe if you are aged 25 or less and hold an Australian or New Zealand passport. *Group travel* offers big reductions for members of an organization travelling together. Full details on request. Interchange arrangements between BOAC and most other air carriers enable passengers to use the combined services at the normal through fares.

## children and infants

An infant under two accompanied by an adult, and not occupying a separate seat, is charged 10% of the normal First, Tourist, Economy, or Economy (Skycoach) adult fare. Additional infants under two accompanying the same adult, an infant under two occupying a separate seat, and children of two years of age and over, who have not yet reached their twelfth birthday, are charged 50% of the normal First, Tourist, Economy, or Economy (Skycoach) adult fare. Age is taken as that at the beginning of the outward journey. Unaccompanied children under the age of seven are not normally accepted for travel. If you are travelling with children or infants, ask for our booklet 'Before you take off.' Any requirements should be advised at the time of booking.

## passports, permits and visas

Any BOAC or Travel Agent's office will gladly assist you to obtain the travel documents required for your journey. Some Consulates, however, insist on personal attendance.

## health regulations

Valid certificates of inoculation and/or vaccination, issued on a special international form, are definitely required by most countries.

**taxes or charges**

Any ticket, transportation or other taxes or charges imposed by Government regulations are additional to the fare and payable by you, either with the fare or in local currency on arrival or departure.

**currency**

For any small purchases required aboard BOAC, BEA, QANTAS, SAA or any other British (Sterling Area) carrier's aircraft, travellers may utilise most currencies in their possession. For their requirements during transit stops passengers are advised to obtain from their Bankers currency notes of, or Travellers' Cheques endorsed for use in, the countries they will transit.

**credit cards**

BOAC will be pleased to honour the following credit cards: Universal Air Travel Plan, Air Canada/Canadian National, American Express, BankAmericard, Bank of Hawaii, Barclaycard, Carte Blanche, Diners Club, Mellon Bank. (Except on aircraft)

**baggage  
free allowance**

On First Class services the free baggage allowance is 30 kilos (66 lb). On Tourist, Economy and Economy (Skycoach) Class services it is 20 kilos (44 lb). Passengers travelling part-way by one class of service and part-way by another are given the free baggage allowance applicable to the class of fare paid. Personal articles, i.e. a lady's handbag, an overcoat or wrap, or blanket, an umbrella or walking stick, a small camera, binoculars and reading matter for the flight may be carried free. Other reading matter, brief cases, cabin bags, attache cases, parcels, typewriters, heavy cameras, vanity or cosmetic cases, hat boxes and personal radios are weighed as part of your free allowance. If this is exceeded, you become liable to excess charges.

**excess charges**

Baggage in excess of the free allowance is charged at 1% of the First Class single fare per kilo.

**golfing equipment**

Golfing equipment, in excess of the free baggage allowance, may be carried on BOAC routes at a special low rate. Any BOAC or Travel Agent's office will give you details.

**excess value charge**

Passengers have the option of making a separate declaration of value for baggage. Registered baggage valued at more than £6 17s 6d (US \$16.50) per kilo and unregistered baggage valued at more than £137 10s (US \$330) per passenger is subject to an excess value charge, details of which will be supplied on application. The maximum declaration per passenger is limited to £1,750 (US \$4,200).

**children and infants**

Children at half fare get the adult allowance. Infants travelling at 10% fare have no free allowance, but a carry-cot and infants' food for consumption in flight may be carried without charge.

**unaccompanied baggage**

Special rates are available on most routes for the carriage of unaccompanied personal baggage as cargo. Certain items such as jewellery and furs may not be included. Full details are available from any BOAC office.

**cameras**

Over certain sectors of your journey restrictions may be applied to the use of cameras and binoculars.

**domestic animals**

On certain services domestic pets may be carried provided arrangements are made in advance.

**prohibited articles**

Government regulations do not permit the carriage of inflammable or explosive material in aircraft. Articles which are easily ignited, such as cigarette lighter fluid, matches, etc., must not be packed in baggage or carried personally. However, where smoking is allowed on aircraft, you may carry safety matches or a lighter on your person.

**portable electronic  
equipment**

Please do not switch on portable radio receivers, transmitters or television sets whilst on board as they can cause serious interference with the aircraft radio navigation equipment. Portable recorders, hearing aids, and heart pace-makers may be used on board.

**punctuality**

While every effort is made to ensure the punctuality of our services, BOAC cannot accept responsibility for the delay or suspension of a service nor guarantee that connections will be made with other air services or surface carriers.

**your departure  
checking-in**

The time shown in your ticket is the *latest* time at which you can check-in: it allows the minimum time to complete all the formalities.

In your own interests you should plan to arrive at the Town Terminal or Airport in good time as this will help to ensure that your aircraft operates on schedule. You are advised to check local road conditions to avoid possible delay for this reason.

**reconfirmation-  
cancellations**

If you hold an onward or return reservation, it is necessary to reconfirm your intention to travel with the local Reservations Office of the Carrier at least 72 hours before departure. Failure to do so will result in the cancellation of your reservation.

Passengers who do not travel on the service for which they hold a reservation, and who have not cancelled in advance, are liable to payment of a 'no-show' charge. Refund of fare for reservations cancelled or transferred at short notice cannot be guaranteed.

**seat reservations**

Reservation of specific seats in aircraft cannot be guaranteed, although at terminal stations every effort will be made to meet passengers' requirements.

**combined air/sea  
journeys**

Arrangements exist with certain steamship companies for combined air/sea journeys. For pre-booked passengers, or in cases of transfer en route, fare adjustments will be made as necessary. Special facilities for sending heavy baggage by sea are available to air passengers.

These are some of the main points concerning your journey. For greater detail please see our booklet 'Before You Take Off.' Any BOAC Appointed Travel Agent or BOAC office will gladly supply further information and offer you every possible assistance.

**travel advice**

Save money by purchasing all tickets for your journey before departure

Let us know your contact address or telephone number up to departure time

Book your hotel accommodation at destination well in advance and check if accommodation will be provided at transfer points

Pack all you need during flight in a small cabin bag. All other articles should be packed in registered baggage, one case containing all that is required at night-stops. Cabin baggage should be kept at a minimum

Carry your passport, health certificates and currency with you. Do not pack them

Carry any valuables, such as jewellery, personally whenever possible

Check the 'message board' on arrival. If friends are meeting you give them your service and flight number

BOAC offices will always advise you on the correct addressing of mail

See your BOAC Appointed Travel Agent. He is there to help and will offer you complete trip planning advice at no extra cost
