TriStar's going to the Middle East in a big way

The wide-bodied TriStar flies direct to many destinations in the Middle East and Gulf. Look for the "L10" abbreviation in this timetable. It means TriStar. And that means a lot more comfort all the way.

We'll take more care of you.

GENERAL INFORMATION FOR PASSENGERS

CONDITIONS OF CARRIAGE AND REGULATIONS The carriage of passengers baggage and cargo is subject to the Conditions of Carriage and Regulations of the carriers concerned, which may be seen on request at any Sales Office. It is impossible in the space available here to give more than an outline of points for your guidance. Your Agent or British Airways Office will gladly supply additional information and offer you every possible assistance in connection with your journey.

RESERVATIONS Please reserve your seat as far in advance as possible, through any British Airways Booking Office or Agent. Airlines make every effort to provide seats for which reservations have been made. Nevertheless, no absolute guarantee of seat availability is denoted by the expressions "reservations" and "bookings" and the timings attached to them. British Airways operate a compensation scheme in respect of passengers holding reservations who cannot be carried through lack of seat availability, details of which are available at check-in. Reservation of specific seats cannot be guaranteed, although at terminal stations every effort will be made to meet passengers' requirements. If you have to cancel or alter your reservation, please let us know as early as possible and return your ticket. British Airways no longer require reconfirmation of an onward or return reservation when travel is on any British Airways flight. Passengers are still, at present, required to reconfirm when travel is on the flights of other carriers outside Europe.

No-Reservation Shuttle services operate on certain routes within the UK: please advise British Airways when groups of 10 or more travel together.

REFUNDS We cannot guarantee refund for a cancelled or transferred reservation. In some instances, the tariff would restrict or even prohibit the granting of any refund. If seats for a return journey cannot be reserved within the validity of a return ticket, the full one-way fare will apply to the outward journey and any application for refund will only be dealt with on this basis.

NO SHOW CHARGES

International Services A no-show charge of 25% of the single fare (minimum £2.35 or full fare if less than £2.35) may be made against any passenger who fails to appear by the published departure time of the aircraft, without giving prior notice of cancellation.

RESTRICTED ARTICLES Certain articles are potentially dangerous when carried by air and their transportation must be arranged with the carriers concerned. For safety reasons, articles such as those listed below must not be carried in baggage: compressed gases (flammable, non-flammable and poisonous) such as butane, oxygen, propane and aqualung cylinders; corrosives such as acids, alkalis and wet cell batteries; etiologic agents (bacteria, viruses, etc.); weapons, explosives, firearms, fireworks, flares and munitions (in no circumstances may these items be carried in the passenger cabin); flammable liquids and solids, such as lighter or heater fuels and articles which are easily ignited (Lighters and safety matches may be carried on the person. Book matches and lighters with a liquid fuel source other than liquified petroleum gas and all lighter refills must not be carried on the aircraft); oxidising materials such as bleaching powder and peroxides; poisons such as arsenic, cyanides, insecticides and weedkillers; magnetised material, offensive or irritating materials, radio-active materials. Instruments containing mercury are only acceptable as cargo.

Medicinal and toilet articles which are necessary or appropriate for the passenger during the journey (such as hairsprays, perfumes, medicines containing alcohol) may be carried in limited quantities.

BAGGAGE Your baggage should contain personal effects only; commercial samples may be carried, provided you arrange to be at the Airport for international flights no later than the time specified by the local Customs. All adults, and children paying 50% or more of the adult fare, are entitled to a free baggage allowance. Infants travelling at less than 50% of the Adult fare are not entitled to a free allowance except between UK-USA and UK-Canada. However, items needed for the journey (see Personal Items) and one fully-collapsible pushchair up to a total weight of 5kg will be carried free of charge. Free allowances are determined by destination and fare paid:

On most International services the normal free allowance is:—

30kg (66lb) per person when Concorde or First Class fares paid.

20kg (44lb) per person when any other fare is paid.

One piece of cabin baggage not exceeding 45 inches total dimensions/5kg which will fit under an aircraft seat.

However, on Domestic flights, and optionally on European services from the UK (except UK-France/Cyprus/Israel) and services from West Germany (including Berlin and all Internal German Services), Gibraltar, Greece, Italy, Republic of Ireland and Turkey the free allowance is:—

One piece of checked baggage, for which the three dimensions (length, width, height) when added together do not exceed 62 inches; and one piece of cabin baggage of which the three dimensions when added together do not exceed 45 inches and does not weigh more than 5kg.

On UK-France services, the free allowance is:—

Club: two pieces of checked baggage. The three dimensions for each piece when added together should not exceed 62 inches.

Tourist: one piece of checked baggage, the dimensions of which when added together do not exceed 62 inches.

Additionally, all passengers (excluding infants) are allowed one piece of cabin baggage, the dimensions of which when added together do not exceed 45 inches or weigh more than 5kg.

On UK-USA, UK-Canada services the free allowance is:—

Two pieces of checked baggage, the dimensions of which when added together do not exceed 62 inches (158cm) for each piece, neither to exceed 32kg in weight.

Additionally, all passengers (excluding infants) are allowed one piece of cabin baggage; the dimensions of which when added together do not exceed 45 inches (115cm) nor weigh more than 5kg.

Concorde and First Class passengers may take on board an additional garment bag (one-suit size).

Infants travelling at 10% of the adult fare will be allowed one checked bag, the dimensions of which when added together do not exceed 45 inches (115cm), also one fully-collapsible pushchair.

On British Airways Helicopter services, the free allowance is 15kg (33lb), plus one piece of cabin baggage of which the three dimensions when added together do not exceed 45 inches nor weigh more than 5kg.

There is no free allowance for children under three years of age, although food for consumption en-route and a carry-cot will be carried free of charge.

GENERAL INFORMATION FOR PASSENGERS

EXCESS BAGGAGE will be carried subject to space being available in the aircraft at the standard rate of £4 per piece on UK domestic services.

On International services, a charge per kilo will be made in accordance with distance travelled, except on services where a piece system operates, in which case there will generally be a flat-rate charge per extra piece.

Certain items, such as angling equipment (between UK and Irish Republic only), golfing and ski equipment may be carried in addition to the normal free allowance at special reduced rates (except for travel wholly on Domestic fares within the UK).

N.B. Single items of baggage exceeding 35kg (USA/Canada — 32kg) in weight, or more than 80 inches in total dimensions cannot be carried unless prior arrangements have been made with British Airways.

PERSONAL ITEMS (Except on services to/from Belfast) In addition the following will be carried on any service free of charge: a lady's handbag, an overcoat, wrap or blanket, an umbrella or walking stick, a small camera, a pair of binoculars (over certain routes of your journey restrictions may be applied to the use of cameras and binoculars), a reasonable amount of reading matter for the flight, an invalid's fully collapsible wheelchair and/or any prosthetic device on which the passenger is dependent. Infants' food for consumption en route and a carry cot will also be carried free of charge.

On services to/from Belfast, only the following items may be taken into the passenger cabin:— an unlined single compartment document case without handles, the dimensions of which should not exceed 18 inches x 12 inches and should contain documents only. Female passengers may take their handbag into the cabin and all passengers are allowed to take loose papers and up to two books. On British Airways Domestic services (except those to/from Belfast) arrangements can be made for bulky/fragile baggage to be carried on a separate seat in the passenger cabin. Details on request.

INSURANCE Under the Conditions of Carriage we accept no liability for the loss of jewellery and money contained in checked (registered) baggage. You are advised to keep valuable articles and money either on your person or in your cabin baggage. You can purchase Personal and Baggage Insurance at our offices in the United Kingdom and in most countries abroad.

EXCESS VALUE CHARGE Passengers have the option of making a separate declaration of value for baggage. Registered baggage valued at more than £10.05 or US\$20 per kilo and unregistered baggage valued at more than £205.00 or US\$400 per passenger is subject to an excess value charge, details of which will be supplied on application. The maximum declaration per passenger is limited to £1,500.

PORTABLE ELECTRONIC EQUIPMENT Passengers may use hearing aids, heart pacemakers, dictating machines, calculators, and tape recorders, provided that these are not used for playing music. The use of all other forms of portable electronic equipment, including radio sets, is not allowed, because of possible interference with the aircraft's electronic equipment.

ANIMALS We regret that we cannot carry animals (except guide dogs accompanying blind passengers on certain routes) in the passenger cabins. Livestock can be carried on most routes by prior arrangement.

UNACCOMPANIED BAGGAGE By arrangement with Cargo Offices, unaccompanied baggage may be sent as cargo. The passenger will be required to pay customs clearance, handling and/or cartage charges.

SKYCOTS OR CARRY COTS Arrangements may be made in advance for these to be available on certain of our aircraft for infants of up to 12 months old.

UNACCOMPANIED CHILDREN Arrangements may be made in advance for the carriage of unaccompanied children. Full details on request.

TRAVEL DOCUMENTS It is the passenger's responsibility to ensure that the documents necessary for travel are in order, and the carrier cannot accept responsibility for the consequences of any irregularity.

Passports and Visas Your passport containing any necessary visas, will have to be shown during your journey, so please carry it: do not pack it! The Passport Office recommends that applications for UK passports should whenever possible be made at least 4 weeks before date of travel.

HEALTH Depending on your itinerary, valid international certificates of vaccination may be required against smallpox, yellow fever, or cholera and any British Airways Sales Shop or Travel Agent will advise you. Your doctor can also advise on any other recommended health protection measures, such as vaccination against typhoid, tetanus etc. Recommended anti-malaria precautions should be strictly followed if travel is to or through endemic areas. Please enquire well in advance regarding both the statutory and recommended protective immunisations. **In the UK all immunisations can be carried out at British Airways Immunisation Centre, Victoria Terminal, London.** Disabled, sick or infirm passengers may need to obtain approval for travel by air and should always ensure that British Airways receives prior notification of any special assistance that may be required on the journey.

PUNCTUALITY Every effort is made to ensure punctuality of our services, but we cannot accept liability for the consequences of a delay to, or a cancellation of any flight and cannot guarantee making connections.

☐ — **Surface Connections.** In most cases the coach timings have been specially arranged to provide connections with British Airways flights. Reservations for these services should be made at the same time as the air booking, when details of schedules and supplementary fares can be obtained. Unless otherwise stated the special surface connections shown in this timetable are not provided by the air carrier but by a local road or rail service carrier contracting directly with the passenger. However, British Airways and its agents will, on request, make through bookings on these services on behalf of the passenger and will collect the supplementary fare on behalf of the local carrier when issuing a ticket for air carriage.

What's the same as a 737, only better?

Our new Super 737.

It's quieter, cleaner and more advanced than its older brother.

Which makes travelling a little more enjoyable.

And that's good news for everyone.

**British
airways** **Payway**

Spread the cost of travel

Travel now, pay later. That's the basis of the new British Airways' "Payway" budget travel plan.

The airline has reached agreement with a leading finance house, Mercantile Credit, to provide travel loans from £200 up to a maximum of £5,000.

The loan arrangement offers travel credit worth 20 times the chosen monthly repayment.

So for, say, £20 a month, passengers would receive travel credit vouchers worth £400. Interest is charged at the rate of 2.15% per month (**A.P.R. 29%**) calculated on the daily outstanding balance of the account and debited monthly. Interest may be varied on one month's written notice.

As part of this scheme, the airline has arranged that Mercantile Credit will pay interest on those travel accounts that are in the black at the rate of 1% below Finance House Base Rate.

Mercantile Credit expects to be able to process applications within 48 hours.

The travel vouchers you'll receive through the plan will be exchangeable at any British Airways sales office or approved travel agents. And, to keep you up-to-date with the state of your "Payway" account, Mercantile Credit will send a quarterly statement showing payments made, cash drawn, and interest charged or credited.

If spreading the cost of travel over the year appeals, and you are a UK resident, full details of the British Airways "Payway" budget travel plan, and applications, are available from any British Airways shop, Avis car rental outlet, or Mercantile Credit branch, or direct from "Payway" P.O. Box 75, Elizabethan House, Great Queen Street, London, WC2B 5DP.
