GENERAL INFORMATION FOR PASSENGERS

CONDITIONS OF CARRIAGE AND REGULATIONS The carriage of passengers baggage and cargo is subject to the Conditions of Carriage and Regulations of the carriers concerned, which may be seen on request at any Sales Office. It is impossible in the space available here to give more than an outline of points for your guidance. Your Agent or British Airways Office will gladly supply additional information and offer you every possible assistance in connection with your journey.

RESERVATIONS Please reserve your seat as far in advance as possible, through any British Airways Booking Office or Agent. Reservation of specific seats cannot be guaranteed, although at terminal stations every effort will be made to meet passengers' requirements. If you have to cancel or alter your reservation, please let us know as early as possible and return your ticket. Passengers must reconfirm their onward or return reservations before departure (**except passengers travelling within Europe and those booked on Advance Purchase fares**). Failure to do so will result in the cancellation of their reservation.

REFUNDS We cannot guarantee refund for a cancelled or transferred reservation, in some instances, the tariff would restrict or even prohibit the granting of any refund. If seats for a return journey cannot be reserved within the validity of a return ticket, the full one-way fare will apply to the outward journey and any application for refund will only be dealt with on this basis.

NO SHOW CHARGES

International Services A no-show charge of 25% of the single fare (minimum £2 or full fare if less than £2) will be made against any passenger who fails to appear by the published departure time of the aircraft, without giving prior notice of cancellation.

BAGGAGE Your baggage should contain personal effects only, but you may carry commercial samples, provided you arrange to be at the airport for international flights not later than the time specified by the local Customs; in the United Kingdom this is 40 minutes before aircraft departure time.

DANGEROUS ARTICLES Certain articles are potentially dangerous when carried by air and their transportation must be arranged with the carriers concerned. These include articles made from or containing inflammable or explosive material, such as containers of lighter fuel, cylinders of compressed gas for picnic or camping stoves, aqualungs, diving equipment etc., fireworks, etc. Matches may be carried on the person but must not be packed in baggage. Instruments containing mercury (quicksilver) must be sealed in a strong polythene bag in order to prevent leakage. In no circumstances may weapons, firearms or ammunition be carried in the passenger cabin or on the flight deck of an aircraft.

FREE ALLOWANCE

On International Services (including Domestic flights forming part of an International journey:—

There is no free allowance for infants travelling at 10% of the adult fare. For all other passengers the normal free baggage allowance is:

30 kilos (66 lbs.) per person when First Class fare is paid;

20 kilos (44 lbs.) per person when any other fare is paid.

Weigh-in of baggage is only applied on our Domestic and European services from the UK if the luggage is in excess of one large piece, of which the three dimensions when added together do not exceed 67 inches, and/or one other case, of which the three dimensions when added together do not exceed 39 inches. The latter may be taken into the cabin, if the measurements do not exceed 18" X 14" X 6". This weigh-in exception also applies to our services FROM France, West Germany (including Berlin to the UK and all German Internal Services), Gibraltar, Greece, Italy, Malta, the Republic of Ireland and Turkey (Istanbul). It does not apply to Nicosia and Tel Aviv services.

PERSONAL ITEMS In addition the following will be carried on any service free of charge: a lady's handbag, an overcoat, wrap or blanket, an umbrella or walking stick, a small camera, a pair of binoculars (over certain routes of your journey restrictions may be applied to the use of cameras and binoculars), a reasonable amount of reading matter for the flight, an invalid's fully collapsible wheelchair and/or any prosthetic device on which the passenger is dependent. Infants' food for consumption en route and a carry cot will also be carried free of charge.

EXCESS BAGGAGE will be carried subject to space being available in the aircraft at 1% of the First Class single fare on International services.

INSURANCE Under the Conditions of Carriage we accept no liability for the loss of jewellery and money contained in checked (registered) baggage. You are advised to keep valuable articles and money either on your person or in your cabin baggage. You can purchase Personal and Baggage Insurance at our offices in the United Kingdom and in most countries abroad.

EXCESS VALUE CHARGE (not applicable within Europe) Passengers have the option of making a separate declaration of value for baggage. Registered baggage valued at more than £6.90 (US\$16.60) per kilo and unregistered baggage valued at more than £138.00 (US\$332) per passenger is subject to an excess value charge, details of which will be supplied on application. The maximum declaration per passenger is limited to £1,500 (US\$3,910).

GENERAL INFORMATION FOR PASSENGERS

PORTABLE ELECTRONIC EQUIPMENT Passengers may use hearing aids, heart pace-makers, dictating machines, calculators, and tape recorders, provided that these are not used for playing music. The use of all other forms of portable electronic equipment, including radio sets, is not allowed, because of possible interference with the aircraft's electronic equipment.

ANIMALS We regret that we cannot carry animals (except guide dogs accompanying blind passengers on certain routes) in the passenger cabins. Livestock can be carried on most routes by prior arrangement.

UNACCOMPANIED BAGGAGE By arrangement with Cargo Offices, unaccompanied baggage may be sent as cargo. The passenger will be required to pay customs clearance, handling and/or cartage charges.

SKYCOTS OR CARRY COTS Arrangements may be made in advance for these to be available on most of our aircraft for infants of up to 12 months old.

UNACCOMPANIED CHILDREN Arrangements may be made in advance for the carriage of unaccompanied children. Full details on request.

TRAVEL DOCUMENTS It is the passenger's responsibility to ensure that the documents necessary for travel are in order, and the carrier cannot accept responsibility for the consequences of any irregularity.

Passports and Visas Your passport, containing any necessary visas, will have to be shown during your journey, so please carry it: do not pack it! The Passport Office recommends that applications for UK passports should whenever possible be made at least 14 days before date of travel.

Health Certificates Certain countries require valid certificates of inoculation and/or vaccination. Please enquire well in advance whether any such certificates are needed for your journey.

HOTEL ACCOMMODATION In some cases and under certain conditions meals and/or hotel accommodation may be provided for onward passengers where necessary, in accordance with the regulations of British Airways or other airlines concerned. However, there are cases where these facilities are expressly prohibited. Regulations governing travel by other carriers may differ especially in respect of hotel accommodation.

DEPARTURES/CHECK-IN TIMES Passengers must arrive at the Town Terminal or Airport early enough for all formalities to be completed. On your ticket you will find an indication of the check-in time; this is the time by which passengers must have presented themselves and their baggage at the airline desk and have been accepted for the flight. Check-in times are shown in this timetable, and passengers joining at the Airport must have been accepted at the airline check-in desk before this limit is reached. Departures cannot be delayed for passengers who arrive late.

PUNCTUALITY Every effort is made to ensure punctuality of our services, but we cannot accept liability for the consequences of a delay to, or a cancellation of, any flight and cannot guarantee making connections.

SERVICES IN CO-OPERATION Most British Airways services shown are in co-operation (on certain routes) with one or more of the following airlines:

GENERAL INFORMATION ON INTERNATIONAL FARES

FARES All fares and rates are subject to alteration without notice, and the publication of a fare does not necessarily imply that British Airways operate such a service.

They apply to the schedules shown in this timetable and are from airport to airport only. Combination of fares is not necessarily allowed and any such combination should be verified at the time of booking.

Details of surface transport charges between town terminals and airports are shown on the "Booking office address" pages, and a list of airport service charges is shown following the fares tables.

The fare for a journey is shown in the currency of the country in which the journey commences. Payment may be accepted in other currencies subject to the existing currency regulations.

Details of regulations affecting the payment of fares in any particular country may be obtained from British Airways offices in the country concerned.

Through fares to destinations beyond points given in this timetable and any fares which are not shown in the following tables will be quoted on request.

CHILDREN & INFANTS FARES An infant under 2 years of age accompanied by an adult and not occupying a separate seat is carried at 10 per cent of the adult fare. Additional infants under 2 years of age accompanying the same adult, infants under 2 years of age occupying a separate seat, and children between the ages of 2 and 11 inclusive, are carried at half of the adult fare.

FAMILY FARES Special family fares are available between certain countries and details will be supplied on request.

SPOUSE FARES These fares are available when a wife accompanies her husband, or a husband accompanies his wife on a journey wholly within Europe, excluding travel between UK and the Irish Republic. The husband or wife will be charged the applicable normal all year return fare. The accompanying spouse will be charged 50% of the applicable normal all year return tourist fare.

Any accompanying children under 12 years of age will be charged the normal discount for infants and children relative to the applicable fare and the discount provided for spouse fares will therefore NOT apply to children and infants fares. These fares will be available all year but will have a maximum validity of five days. Stopovers are NOT permitted and the husband and wife must travel together on the outbound and inbound journeys.

STUDENTS FARES Special reduced fares are available for students provided a British Airways certificate or one that supplies equivalent information is submitted from an Educational Authority certifying the student's age and the enrolment requirements, etc. Details of fares, availability and eligibility are obtainable on request. Students are also eligible for Youth fares.

YOUTH FARES Special reduced fares are available for Youths for travel between certain areas of the world. Details of availability, eligibility etc. will be supplied on request.

EXCESS BAGGAGE Certain items such as Angling, Golfing and Ski-ing equipment, may be carried in addition to the normal free allowance at special reduced rates.

CREDIT CARDS accepted by British Airways offices: UATP Air Travel Card, Access, American Express, Bank Americard, Barclaycard, Carte Blanche, Charge, Diners Club, Eurocard, Interbank, Master Charge, Pan American Take-off card and Wesbank, for purchase of British Airways tickets. (Many of our Travel Agents will also accept these cards.) For Sovereign, Enterprise, Golden Wing and Silver Wing Holidays, Barclaycard can be used.

CREDIT TRAVEL ORDERS Credit Travel Orders are available to individuals, commercial firms and organisations which hold credit accounts with British Airways.

GROUP TRAVEL Special reduced fares for groups of passengers travelling together are available between many points shown in this timetable. Details may be obtained from any British Airways office.

STOPOVERS You may break your journey at most places *en route* with normal fares without losing the benefit of the through fare, provided you give notice when you make the reservation. However, in respect of excursions and other special fares, stopovers are usually restricted and full details will be given upon request.

FARES FROM THE UK AND EUROPE TO AFRICA, MIDDLE AND FAR EAST

Fares between Europe and most places in the Far East and Australasia are also subject to an International Route Surcharge. The surcharge is 1% of the lowest direct normal economy single or return fare, as applicable, subject to a maximum charge of £1.95 single, £3.90 return. The charge for children and infants occupying a seat is 1% of the discounted fare (50%), subject to the maximum charges. There is no charge for infants paying 10% of the fare.
