combined winter timetable
1 November 1973-31 March 1974

The name is new the experience isn't

To you, British Airways may be a new name, you'll probably know us better as either Northeast or Cambrian. You'll know about our many years experience in the air, our policy of building our two airlines on a sound basis of personal service, an ever-growing network of important business and holiday routes and reliability through every sphere of our operation.

Now we are part of British Airways, one of the biggest and most comprehensive airlines in the world. This means an even better service with a range of new facilities, but it doesn't mean that our old priorities will be forgotten.

We'll still be treating you with the same friendly and efficient service, both on the ground and in the air.

We'll still be expanding our route network. From Leeds/Bradford and Newcastle, we're introducing flights to both Paris and Brussels. Just look at our combined route maps on pages 5, 20 and 21 and see for yourself how complete our coverage is of the main business and holiday centres of Britain and Europe.

All in all, our new British Airways name is off to a great start. This timetable tells you all you need to know about the new British Airways Cambrian and British Airways Northeast services. Fly with us soon. We'll be looking forward to welcoming you on board.

†Manchester Airport Development

Passengers are warned that due to an extensive development programme now in operation, the car parking facilities and approach roads to the main terminal building will be severely restricted. We suggest that passengers allow for this fact when planning their travel arrangements to the Airport and in particular those passengers who are leaving their cars at the Airport should aim to arrive 45 minutes before the departure time of their flight.

General Information on Domestic Fares

Standby Fares. Passengers can buy Standby fare tickets either in advance or at time of departure and will be accommodated on flights subject to seats being available. Seats will not be reserved in advance and passengers holding tickets at normal fares will be given priority over Standby passengers. The combination of a standby fare with any other fare is prohibited. Normal discounts for Infants, Children, Young Persons and Students apply to Standby fares.

Children and Infants. The following rebated fares are available for the carriage of children and infants.

(i) One infant under 3 years of age, accompanied by an adult passenger and not occupying a separate seat — free.
(ii) Infants under 3 years of age in excess of one infant — 50% of adult fare.
(iii) Infants under 3 years of age occupying separate seats — 50% of adult fare.
(iv) Children of 3 years and under 12 years of age — 50% of adult fare.

Unaccompanied Children. Children between the ages of 6 and 12 years may travel unaccompanied with the permission of their parent or guardian. In the child's interest, he/she must be escorted to the airport of departure and met at the airport of arrival, and the names and addresses of the escorts must be given at the time of reservation.

Young Persons Reduced Fares. A discount of 25% off the applicable normal one way or excursion fares may be granted to young persons for travel wholly on U.K. domestic services. A "Young Person" is defined as a person who at the time of commencement of travel has reached his/her twelfth, but not his/her 22nd birthday. If necessary, these passengers may be requested to confirm their age by production of a birth certificate or other similar document.

This facility is not available to and/or from the Channel Islands or Isle of Man.

Group Travel. A party of twelve or more fare paying passengers travelling together wholly on U.K. domestic services may be allowed a discount of 10% off the applicable normal, excursion, student or young persons reduced fares. This discount will not apply if a tour conductor of the group is being allowed free or reduced travel.

A party of 25 or more fare paying passengers travelling together from points in the United Kingdom to the Channel Islands and return may be allowed a discount of 20% off the applicable normal adult fare. Youth, Student, Children and Infants reductions will not apply nor will Tour Conductors rebates or any other party travel concessions. This discount will not apply to one day excursion fares. Travel must be commenced and completed between 1st November and 31st March, but the discount will not be available for travel during 21st December and 3rd January, and the Wednesday before Easter Monday to the Saturday after Easter Monday. No refunds will be made which would result in a party of fewer than 25 persons travelling at less than the total fare that would have applied, at the same time

of making the booking to the size of the party that actually travelled. In order to qualify for the discount all members must travel together throughout the journey between the points shown on the ticket. However, when it is not possible to accommodate all members of the group on one flight it will be permissible to carry the group on two consecutive flights.

Students. A discount of 25% off the applicable normal one way or excursion return fare will be granted to students of 12 years of age and under 26 years of age at the date of commencement of the outward journey provided that he/she is pursuing for at least one school year a full time educational, vocational, technical or nurses training course and submits a duly authorised certificate from the educational establishment. This facility is only available for travel between place of education and home.

Fares for Invalids. On all Cambrian/Northeast Services invalid passengers travelling as stretcher cases must be accompanied by a qualified assistant and the charge will be four times the normal passenger fare for the sectors flown and an additional fare for the accompanying assistant.

Fares for Blind Persons and Accompanying Attendants. A rebate of 50% of the applicable tourist-class fare shall be allowed to an adult blind person accompanied by another adult travelling for business, medical, training, education or rehabilitation purposes on production of an appropriate certificate completed by the Ministry of Social Security or a recognised organisation for the blind. No charge will be made for the carriage of a properly harnessed dog trained to lead a blind person when it accompanies a blind person who is dependent upon such a dog.

Booking Deposit (Channel Islands and Isle of Man Services). A non-refundable booking deposit of £2.00 is collected on each reservation on Services to the Channel Islands and the Isle of Man. This deposit will be included as part of the fare when the ticket is issued.

Cancellation Charges (Channel Islands and Isle of Man Services). In the event of cancellation of reservations on Services to the Channel Islands and the Isle of Man a charge of £2.00 will be made for each cancelled reservation.

No Show Charges (Domestic Services). A charge of **£3** (or full fare if less than £3) will be made when a passenger fails to cancel his reservation and does not join the flight on which he is booked.

International Reservations and Cancellations. Seats should be reserved as far in advance as possible through any British Airways, or Cambrian Booking Office or Agent. If you have to cancel or defer your reservation please let us know as early as possible and return your ticket. We cannot guarantee refund of fare for a reservation cancelled or transferred at short notice. A passenger failing to check-in in time to join the flight on which he is booked will incur a forfeiture of 25% of the single fare (minimum forfeiture £2 or full fare if less than £2). If seats for a return journey cannot be reserved within the validity of a return ticket the full one-way fare will apply to the outward journey and any application for refund will only be dealt with on this basis. Return or onward reservations for travel between certain countries must be reconfirmed. You will be given full details when buying your ticket.

Tickets. Your ticket contains important information concerning your journey; please examine it carefully.

Passport and Visas. British Airways, Cambrian, Northeast or their Agents will gladly provide on request information regarding Passports or any visa required for your journey, but you must ensure personally that these documents are in order, because the carrier cannot accept responsibility for the consequences of any irregularity. You will have to show your passport during your journey, so please carry it with you; do not pack it.

Health Certificates. Certain countries require valid certificates of inoculation and/or vaccination. Please enquire well in advance whether any such certificates are required for your journey.

Currency Control. The movement of money into and out of many countries is subject to Government control and you should consult your Travel Agent or Bank about regulations applicable to your journey well before the date of travel.

Credit Travel Orders and Timesaver Tickets. Credit Travel Orders and Timesaver Ticket facilities are available. For further information enquiries should be made at any British Airways, Cambrian or Northeast Office.

Insurance. Under the Conditions of Carriage we accept no liability for loss of jewellery and money contained in checked (registered) baggage. You are advised to keep valuable articles and money either on your person or in your hand baggage. You can purchase personal and baggage insurance through your insurance company or broker or your local Travel Agent.

Cameras. On international journeys cameras must normally be packed in your checked baggage which is not taken into the cabin with you, as the use of cameras in aircraft is subject to restrictions over some countries.

Portable Electronic Equipment. The use of Portable Electronic Equipment during flight is restricted because of possible interference with the Aircraft Radio Equipment. Further details available from any British Airways, Cambrian or Northeast Office.

Animals. We regret that we cannot carry animals in the passenger cabins. Livestock can be carried on most routes by prior arrangement. On Northeast Services livestock may only be carried on Viscount Services.

Departure/Check-in Times. Passengers must arrive at the Town Terminal early enough for all formalities to be completed. On your ticket you will find an indication of the check-in time; this is the time by which passengers must have presented themselves and their baggage at the airline desk and have been accepted for the flight. Departures cannot be delayed for passengers who arrive late and British Airways, Cambrian/Northeast cannot accept responsibility in such cases.

Stopovers. You may break your journey at most places en route without losing the benefit of the through fare, provided you give notice when you make the reservation. Hotel expenses at each stopover are your responsibility.

Road Transport. Road transport between town and airport is normally available and in most countries is charged for separately. Passengers are advised to enquire locally for fares and services.

Punctuality. Every effort is made to ensure punctuality of our services, but British Airways, Cambrian/Northeast cannot accept responsibility for the consequences of a delay to, or a cancellation of, any flight and cannot guarantee making connections.

Bar Service. A bar service for the sale of drinks and cigarettes is available on all flights. On certain international routes the supplies available may be restricted by local customs regulations. In the event of unforseen delays or other alterations to schedules these catering arrangements may be adjusted as necessary. They've got 60 years in the air behind them.

Our young stewardesses have the benefit of our combined sixty years experience in the airline business.

That's pretty good going.

For you, it means efficiency and personal service; flying the right routes at the right times; and a whole host of allied services, thanks to the vast British Airways organisation.

After 60 years in the business, we've learnt a lot. And we're not going to forget it.
