timetable

Summer
1962

(Valid from 20th May, 1962)

GENERAL INFORMATION

CONDITIONS OF CARRIAGE AND REGULATIONS

The carriage of passengers, baggage and cargo is subject to DAN-AIR General Conditions of Carriage and Regulations, which may be seen on request at any DAN-AIR Office. The notes below are for general guidance and reference should be made to the appropriate Conditions or Regulation for full details.

AIRPORT SERVICE CHARGES In a number of countries including the United Kingdom, an Airport Service Charge, payable locally before departure, is levied on all passengers embarking on International Flights. The charge in the United Kingdom is 7s. 6d., and in Switzerland 3 Swiss Francs.

BAGGAGE

Free Allowance for adults and children over two years of age is—Domestic 33 lb. (15 kg.), International 44 lb. (20 kg.)—a normal suitcase. There is no free allowance for children under two years, unless paying half of the adult's fare. Infant's food for consumption en route and an infant's carrying basket is carried free of charge.

Personal Items: In addition to the free allowance, the following may be carried free of charge—a lady's handbag, an overcoat or wrap, a foot rug, an umbrella or walking stick, a small camera, a pair of binoculars, an invalid's fully collapsible wheel chair, a pair of crutches and a reasonable amount of reading matter for the flight. Brief cases, typewriters and large cameras have to be included in the Baggage Weights under the Regulations of the International Air Transport Association.

Excess Weight: Baggage in excess of the free allowance may be carried subject to space being available at the rates shown in this timetable.

Unaccompanied Baggage: Unaccompanied Baggage may be sent at the normal cargo rates shown in this timetable.

CHILDREN One child under two years of age, accompanied by an adult, and not occupying a separate seat, is carried at 10 per cent. of the adult's fare. Additional children under two years and children of two years and under twelve years of age are carried at half the adult's fare.

Unaccompanied Children may travel with the written permission of their parents or guardian. In the child's interest, DAN-AIR require that he/she be escorted to the Airport of departure and met at the Airport of arrival, and that the name and address of the escort be given at the time of reservation.

CREDIT TRAVEL ORDERS Credit Travel Orders are available to individuals, commercial firms, and organizations which have credit accounts with DAN-AIR. Holders can, under certain conditions, obtain a rebate in respect of travel, wholly on DAN-AIR Domestic Routes.

CARGO Cargo is also accepted for carriage on all DAN-AIR flights subject to space being available, at rates shown in this timetable.

CAR HIRE Car Hire can be arranged for passengers travelling on DAN-AIR flights at most towns served. Full details may be obtained from any DAN-AIR Booking Office.

CHARTER AIRCRAFT All DAN-AIR aircraft are available for charter. Further details may be obtained from any DAN-AIR Office or direct from the Commercial Manager, Mr. R. Pigeon at the Company's Head Office. Full details of the Company's Aircraft are shown in this timetable.

DEPARTURES The departure of a coach or aeroplane cannot be delayed for passengers who arrive at the Town Terminal or Airport too late for the necessary formalities to be completed. Passengers should therefore, in their own interest, observe carefully the instructions shown on their tickets regarding "check-in" times.

PARTY TRAVEL A rebate of 5 per cent. is available to club or organization parties of 10-14 passengers and 10 per cent. for parties of 15 passengers or over. Ask DAN-AIR Booking Office for further details.

PUNCTUALITY Every effort is made to ensure punctuality of our services, but DAN-AIR cannot accept any responsibility for the consequences of a delay to or a cancellation of, any flight and cannot guarantee making connections.

RESERVATIONS AND CANCELLATIONS Seats should be reserved as far in advance as possible through any DAN-AIR Booking Office or Travel Agent. Where one-half of a journey is cancelled, the full one-way fare will apply to the half actually travelled, and any applications for refund will only be dealt with on this basis. When applying for refunds, passengers should always return to the office which originally issued their ticket. If you have to cancel or defer your reservation, please let us know as early as possible and return your ticket. We cannot guarantee refund of fare for a reservation cancelled or transferred at short notice. A passenger failing to "check-in" in time to join the flight on which he has booked will incur a forfeiture of 25 per cent. of the single fare (minimum for £2 or full fare if less than £2).

ROAD TRANSPORT Road Transport facilities and charges where available are shown under the relevant sections of this timetable.

STUDENTS Special reduced fares are available for students over 12 and under 26 years of age having full-time school, college, university course or other educational institutes, when travelling between place of education and home. Full information obtainable on request.

TIPS DAN-AIR staff are always at your service but are not allowed to accept gratuities.

ALTERATIONS The information contained in this timetable is based on the latest information available at the time of going to press and is subject to alteration without notice.
