This modern aircraft is fully pressurised for passenger comfort and has a seating capacity of 48-52.

'Flyover' motoring holidays

to France, Norway and Switzerland at a cost slightly more than the return tourist class air fare!

Dan-Air is one of Britain's leading independent airlines. Last year they flew over 2 million passengers to destinations throughout Europe and the British Isles.

Europcar is Europe's leading car-hire system, operating over 1,000 stations in over 35 countries. They have a car rental desk at almost every international airport in Europe.

Together Dan-Air and Europcar can take you on a 'Flyover' holiday to France, Switzerland and Norway. So you can enjoy motoring in some of Europe's most picturesque regions, without spending half your holiday getting there.

You travel the easy way, in the comfort of Dan-Air's scheduled services.

When you get there, a Europcar will be waiting at the airport for you, ready to drive off.

Depending on how many people will be travelling, 'Flyover' gives you from 7 to 14 days car rental (with unlimited mileage and full car-insurance) plus your plane ticket for an all-in price which is much lower than if you bought the two separately. You save money as well as time and trouble. And you have the advantages of a car designed for driving on the right.

'Flyover' holidays are so easy to arrange.

'Flyover' holidays are available on the following Dan-Air routes:—

Bournemouth — Dinard

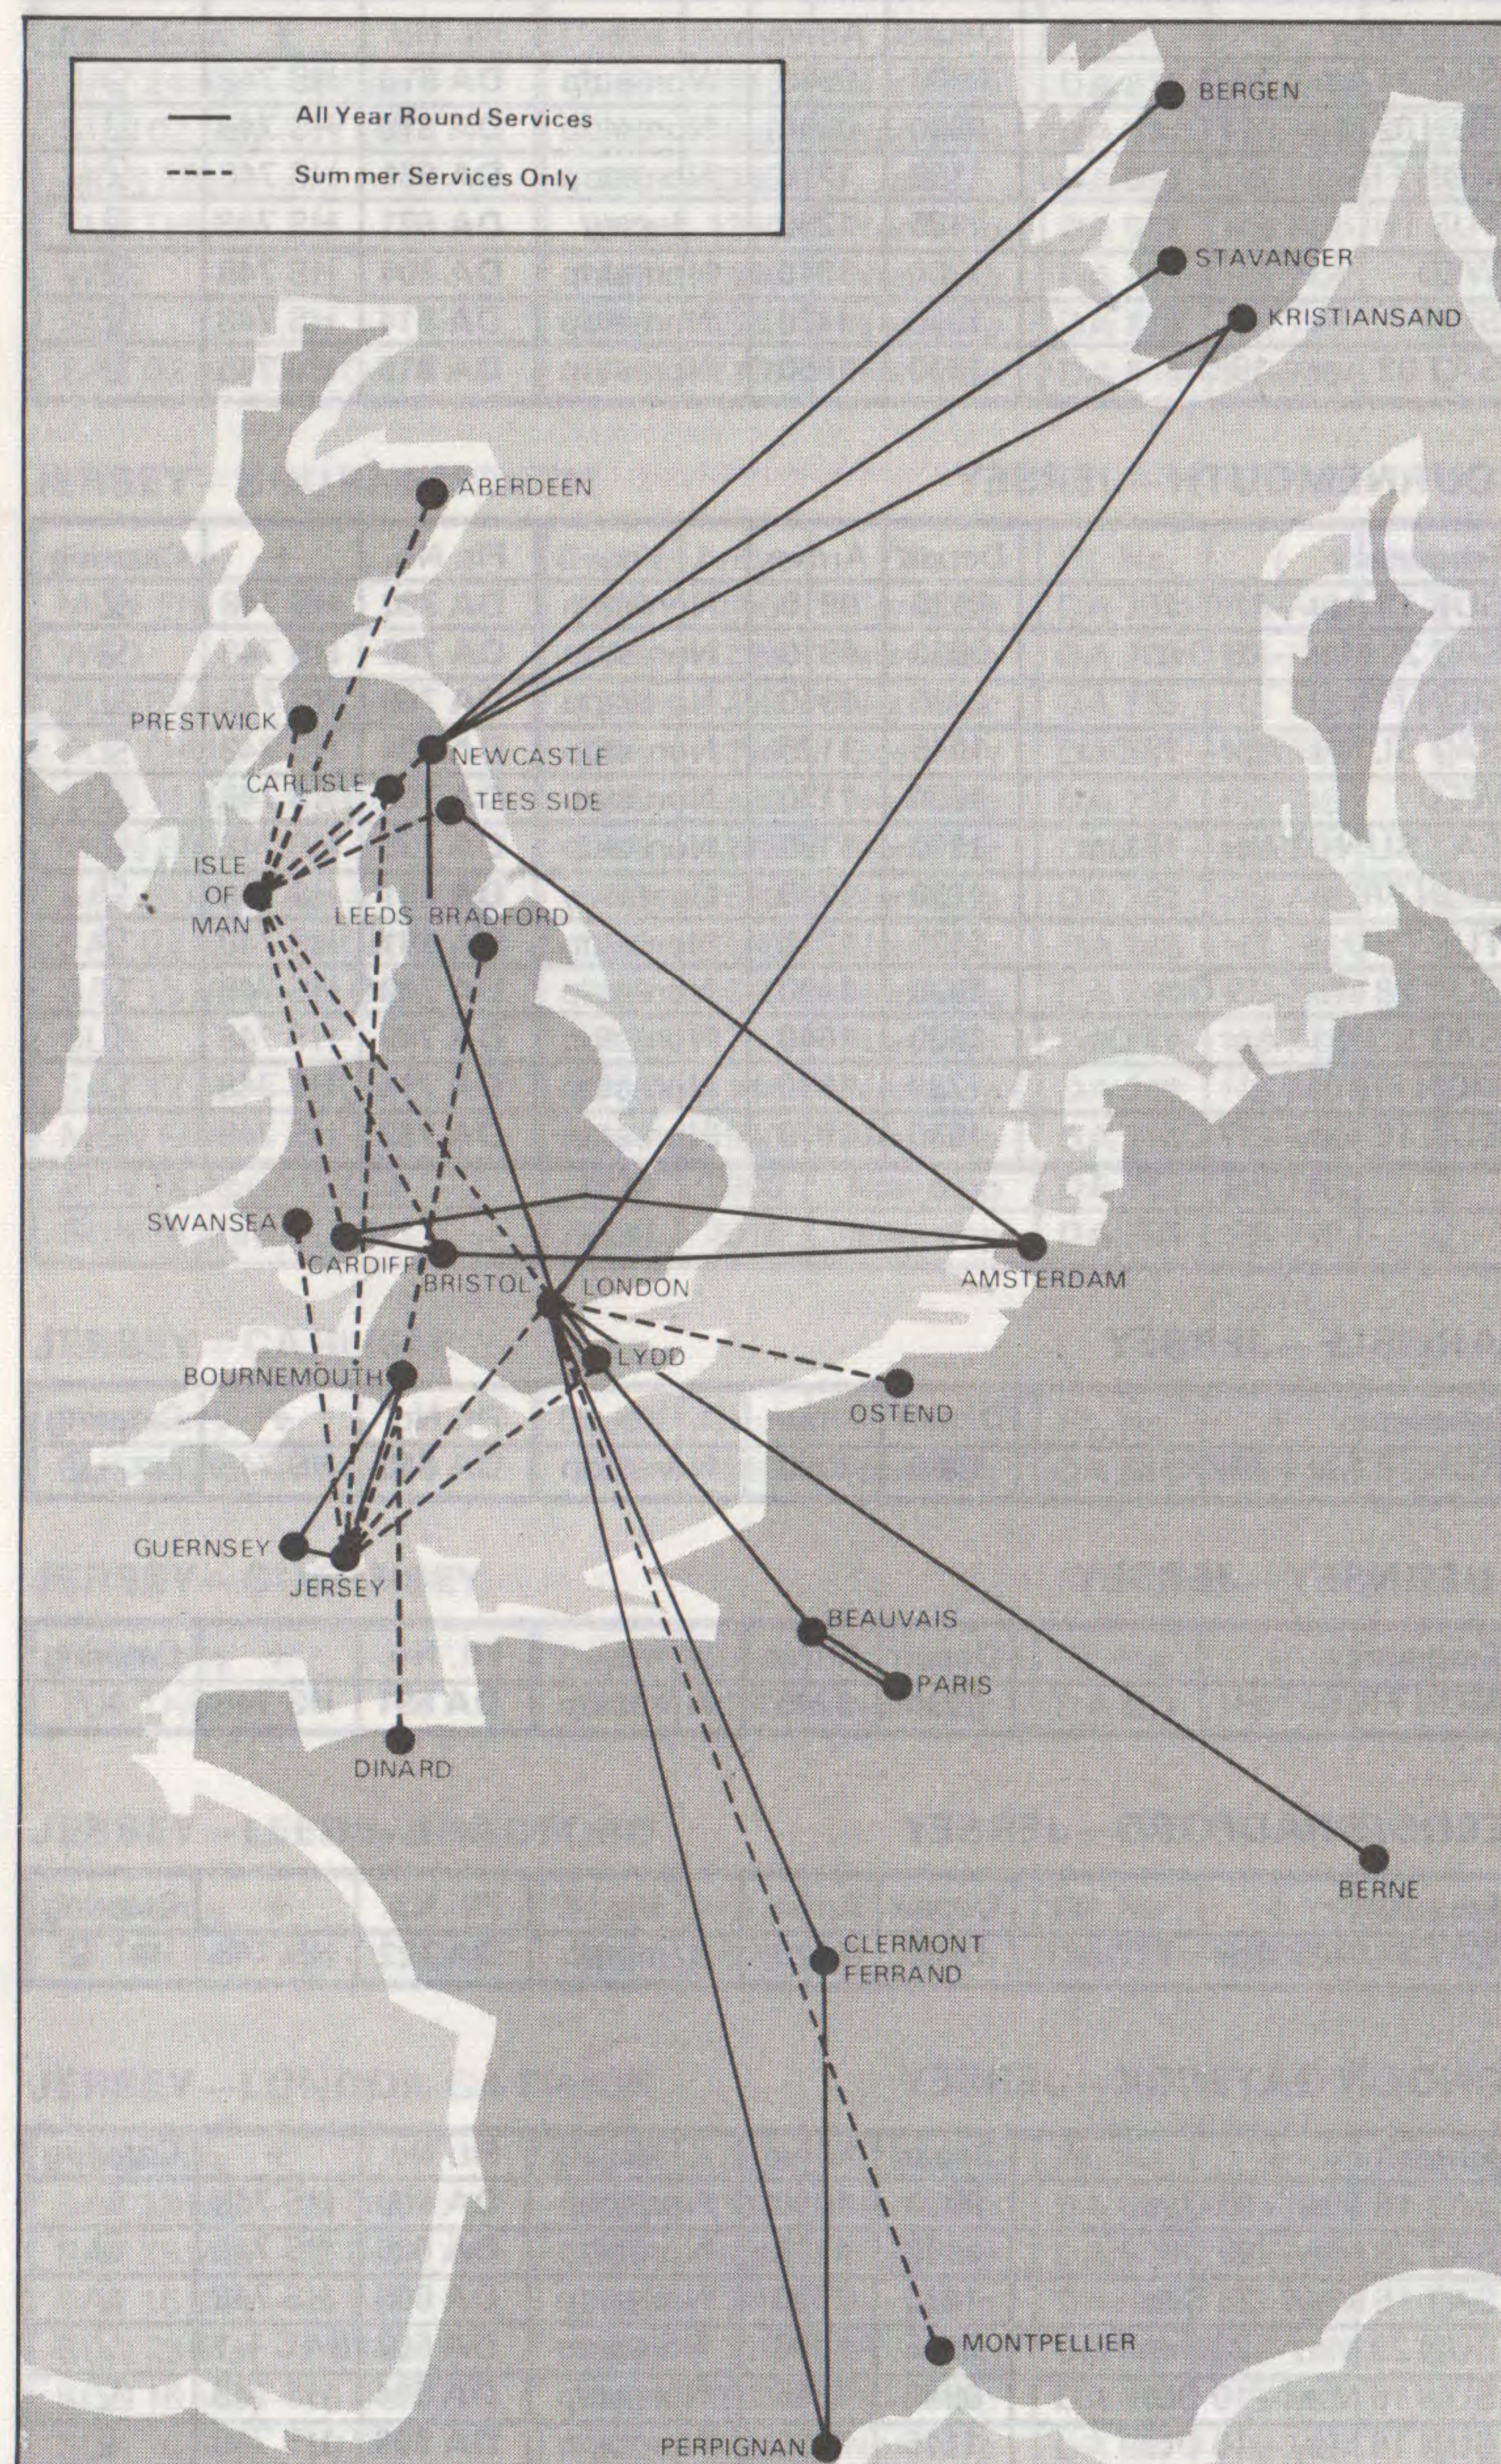

London — Bergen
Berne
Clermont-Ferrand
Kristiansand S
Montpellier
Perpignan
Stavanger

Newcastle — Bergen
Kristiansand S
Stavanger

PRICES START FROM AS LOW AS £58 PER PERSON!

Ask your Travel Agent or local Dan-Air office for a copy of our 'Flyover' holiday brochure for full details.

Most southerly of the British Isles, just fourteen miles off the Normandy coast, Jersey is the largest of the Channel Isles. Surrounded by the warm waters of the Gulf Stream, it enjoys a mild, temperate climate all year round and boasts such a high sunshine record that it's hard to believe you're still in Britain!

Although a strong continental atmosphere exists, the language is predominantly English, the currency sterling and happily no V.A.T.

There is an abundance of superb beaches and bays and even in the height of the season a relaxing spot can always be found.

Guernsey is the second largest of the Channel Islands and lies fifteen miles west of Jersey and thirty miles from the French mainland.

St. Peter Port, the capital, is the focal point from which there is

efficient and adequate public transport to the many delightful bays and beauty spots throughout the island.

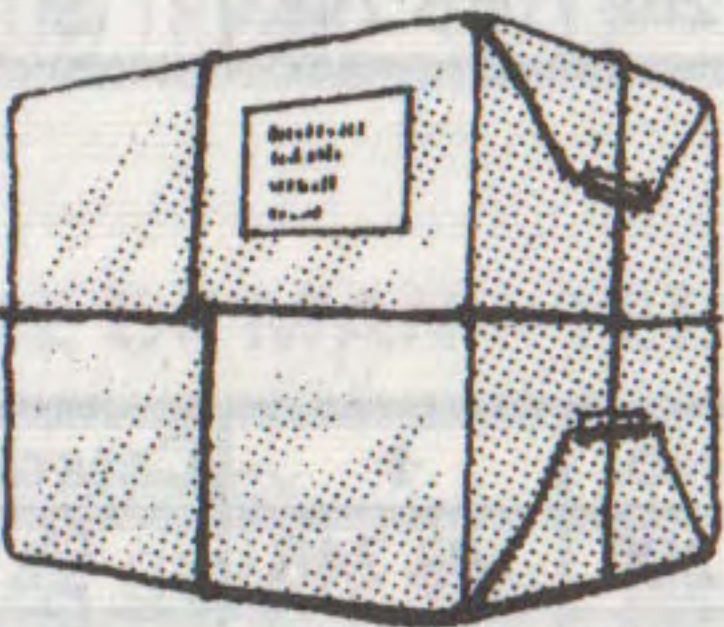

With its favourable climate, clear beaches and clear waters together with magnificent coastal scenery, Guernsey offers a unique holiday experience to its visitors, providing an environment which remains unspoilt and uncommercialised despite the many tourists attracted to it every year.

Like Jersey, the currency is sterling and there is no V.A.T.

Our year-round service from Bournemouth to Jersey and Guernsey offers up to five flights a day, and is THE CHEAPEST ROUTE FROM ANY U.K. DEPARTURE POINT. The flight time is just 40 minutes.

Car parking at Bournemouth is inexpensive — details to be found on pages 34 and 35 of this timetable.

In the Spring, the world renowned bulb fields with their colourful masses of tulips and daffodils are but a short drive from the city. Here, in the heart of rural Holland, the famous windmills are found in abundance, many still working today. Alkmaar, famous for its traditional

Amsterdam, which was 700 years old last year is synonymous with canals. These tree-lined water highways complement the network of roads penetrating to the very heart of the city. The canals play an important role in the life of Amsterdam from the bustling commercial thoroughfare with the ever changing barge traffic plying the port area and the upper reaches of the Amstel, to the quiet tranquil backwaters only disturbed by the occasional water bus offering sight-seeing tours.

NEW

FLY RAIL

A new Fly-Rail Package is to be introduced on the 1st April 1976 which comprises a return air ticket from London (Gatwick) to Berne and a Swiss Railways Holiday ticket valid for 8 days, 15 days or 1 month.

The package entitles the holder to unlimited travel on the whole network of the Swiss Federal Railways plus 79 private railways, lake boats and most alpine postal coaches — in all a total of 5,000 miles. In addition reductions of 25-50% are offered on many funicular and mountain railways.

To take advantage of the Fly-Rail Package there are two basic requirements. Firstly, there must be at least two adults travelling together (two children between the ages of two and twelve count as one adult). Secondly, the duration of the holiday must be at least 8 days.

The package does not include accommodation, therefore you can choose your own holiday location and style of hotel, pension or chalet. You are completely your own master to plan the holiday that really suits you.

Prices		2nd Class	1st Class
		Rail	Rail
Fly-Rail Package	8 days	£77	£85
	15 days	£85	£95
	1 month	£95	£110

SPOUSE FARES. When husband or wife travel together, one person qualifies for a 50% reduction of the Normal air fare, provided the other partner has paid the Normal Economy Return Fare. The maximum validity for the Spouse fare is 5 days.

YOUNG PERSONS REDUCED FARES. A discount of not more than 25% of the applicable normal tourist one-way, round trip, circle trip or excursion fare may be granted to Young Persons for travel to most European countries. A Young Person is defined as a person who at the time of commencement of travel has reached his/her 12th but not his/her 22nd birthday. Travel at these fares is permitted at any time of the year and ticket validity is one year. Combination with other fares is not permitted but Common Interest Group Travel may be applied where applicable. No other discount may be applied to the fares but normal baggage regulations will apply. If necessary, passengers may be requested to confirm their age by production of a birth certificate or other similar document, provided that the rules of the Excursion fare are observed and the fare is not less than the one-way fare between the same points.

STUDENTS. The above Young Persons reduced fare facilities may also be extended to students between 22 and 25 years of age inclusive at the date of commencement of the outward journey provided that he/she is pursuing for at least one school year a full-time educational, vocational, technical or nurses' training course, and submits a duly authorised certificate from the educational establishment. Travel need not be confined to between place of education and home.

GROUP TRAVEL. When a party of ten or more adult members (two children at half-fare count as one adult) of a sports club, society or other similar group travel together to the same destination a rebate will be granted on receipt of a written application well before the date of travel. The amount of the rebate is 5% on each ticket for parties of ten to fourteen adults; 10% for parties of 15 or more. This rebate, which is available for travel between most European countries, can be applied to normal single, return or circle trip and to most excursion fares.

SNOW SKI-ING EQUIPMENT. In addition to the normal free baggage allowance, ski-ing equipment up to 15 Kgs.; consisting of 1 pair of skis, 1 pair ski boots and/or 1 pair of ski-poles per passenger may be carried at a special rate equivalent to 4 Kgs. of excess baggage on International services.
