COMBINE COMFORT WITH ECONOMY!

There is no need to sacrifice your comfort in the interests of economy when you travel by our unique Coach/Air service between London and Paris. Coach/Air operates from terminals in the respective city centres and means that you save on airport transfer costs for a start!

Join your comfortable express coach at our London Terminal, situated at Victoria Coach Station in the heart of London for the transfer to Lydd Airport, situated near Romney Marsh on the coast of Kent. On arrival at the airport, after you have completed check-in formalities, there is time to make use of the currency exchange and refreshment facilities if you wish.

Shortly after arrival you board our pressurised Viscount aircraft for the short cross channel flight to Beauvais. For those who wish, a duty free bar service is available during the flight and duty free goods are also offered for sale.

Customs and immigration formalities are completed at Beauvais, followed by a comfortable express coach transfer to our Paris city terminal.

Of course, you need not join the coach in London if it is more convenient to drive to Lydd where the air fares are even cheaper. Car parking here is ample and cheap — only 30p per day and no prior booking is necessary!

Remember Dan-Air offers the most economical service between the heart of London and the centre of Paris with a channel crossing by air. When you travel Coach/Air you can SAVE up to £18 on the regular London-Paris return air fare!

Time is money in YOUR pocket when you travel Coach/Air.
