Fares for some connections shown in this timetable may, in a few cases, be slightly higher than 'direct' fares.

All possible connections are not shown.

This timetable has been compiled from the latest information available from Dan-Air and other airlines at the time of going to press.

All airlines make every effort to provide seats for which reservations have been made. Nevertheless, no absolute guarantee of seat availability is denoted by the expressions 'Reservations' and 'Bookings' and the timings attached to them. Dan-Air operate a compensation scheme for passengers who cannot be carried through lack of seat availability, details of which are available at check-in.

Davies & Newman Ltd., the parent company of Dan-Air Services was formed in 1922 as ship-brokers and in 1953 diversified into the air transport field.

Dan-Air Services Ltd. began with one DC-3, adding a second soon afterwards. By 1956 the fleet comprised six Avro Yorks and three Bristol Freighters.

The first scheduled passenger service by Dan-Air began in 1959 with a route to Jersey. At this time three Airspeed Ambassadors, the company's first pressurised aircraft, were added to the fleet. By 1963 the company had seven Ambassadors and operated scheduled services to Holland, Belgium, Norway and Switzerland. Dan-Air was the second British independent airline to buy jets, with its purchase in 1966 of two Comet 4s for inclusive tour and charter operations. In 1969, the company opened its first international base in Berlin with a contract to a leading German tour operator. Since then bases have been opened in almost every major British city.

Scheduled services now include routes to Eire, France, the Netherlands, Norway and Switzerland, as well as U.K. domestic, Isle of Man and Channel Island routes.

Dan-Air presently operates a fleet of 54 aircraft.

FLY-RAIL

to Switzerland with Dan-Air
8 days from £99.25*

WHAT IS FLY/RAIL?

Fly/Rail to Switzerland is a new concept in air and rail travel which offers economy scheduled air travel on Dan-Air's London (Gatwick)-Berne service combined with a Swiss Holiday Card for the duration of the stay in Switzerland. Fly/Rail does not include accommodation, therefore you are free to choose your own holiday location and style of hotel, pension or chalet. You are completely your own master to plan the holiday that really suits you.

The Swiss Holiday Card, which is valid for a minimum of 8 days, up to 15 days or up to one month, entitles the holder to unlimited travel by rail, boat and alpine postal coach on the whole network of the Swiss Railway (1,810 miles), on 79 private railways (1,414 miles), and on the lake boat routes and alpine postal coaches (2,054 miles). A total of no less than 5,600 miles within Switzerland. In addition, reductions of 25-50% are offered on many funicular and mountain railways on production of your "Swiss Holiday Card".

WHAT ARE THE REQUIREMENTS?

To take advantage of Fly/Rail to Switzerland, there are only two basic requirements. Firstly, there must be at least two adults travelling together (two children between the ages of six and twelve count as one adult) on the outward and return flights. Secondly, the Swiss Holiday Card must be valid for the entire duration of your stay, i.e. either for a period of 8 days, 9 to 15 days or 16 days to one month. The rest is up to you. Simply choose your date of travel and when your booking is confirmed, plan your own personal holiday itinerary.

HOW DO I BOOK FLY/RAIL?

Bookings can be made through your local travel agent or your nearest Dan-Air reservations office. The following information will be required when booking: date of birth for any members of your party under the age of 16 years, passport number of all party members, and type of Swiss Holiday Card required, together with the Dan-Air flight details. Before your departure date you will be given both your Dan-Air flight tickets and your Swiss Holiday Card.

Dan-Air's unique air service to Berne is the most logical route to the Bernese Oberland with Interlaken and the Jungfrau region only 38 miles away. Berne is situated in the heart of Switzerland and is perfect as a base for a Fly/Rail holiday. From Berne you can take day excursions to Geneva, Lausanne, Lucerne, Montreux, Zermatt, or most parts of Switzerland and, of course, you are within easy reach of all the Bernese Oberland mountain resorts.
