DEPARTURE/CHECK-IN TIMES. Passengers must arrive at the airport (or town terminal where provided), early enough for all formalities to be completed. In the case of Domestic Flights passengers must present themselves and their baggage at the airline desk for check-in not later than 20 minutes prior to flight departure time except at Gatwick, where the minimum is 25 minutes. For International Services and Flights to and from the Channel Islands passengers must check-in 40 minutes prior to the advertised time of departure.

Fares for some connections shown in this timetable may, in a few cases, be slightly higher than 'direct' fares.

All possible connections are not shown.

This timetable has been compiled from the latest information available from Dan-Air and other airlines at the time of going to press.

All airlines make every effort to provide seats for which reservations have been made. Nevertheless, no absolute guarantee of seat availability is denoted by the expressions 'Reservations' and 'Bookings' and the timings attached to them. Dan-Air operate a compensation scheme for passengers who cannot be carried through lack of seat availability, details of which are available at check-in.
