GENERAL INFORMATION ABOUT YOUR TRAVEL WITH DAN-AIR

1. CONDITIONS OF CARRIAGE AND REGULATIONS.

The carriage of passengers, baggage and cargo is subject to DAN-AIR SERVICES LTD. General Conditions of Carriage and Regulations, which may be seen on request at any DAN-AIR office.

2. DEPARTURE AND CHECK-IN TIMES.

For flights to and from Belfast, Dublin and Cork, passengers should arrive at the airport 1 hour prior to the scheduled time of departure.

For other International Services and Flights to and from the Channel Islands passengers must check in 40-minutes prior to the advertised time of departure. In the case of Domestic Flights passengers must present themselves and their baggage at the airline desk for check-in not later than 20 minutes prior to flight departure time.

3. FARES, INSURANCE AND GOVT. TAXES

It has not been possible to publish fares in Timetable form because of the frequent changes necessary due to increasing fuel and other costs. Full details of our current fares are available from your Travel Agent or nearest DAN-AIR office. Reduced fares are available for certain categories of passengers including blind persons and accompanying attendants, children and infants, students and youths.

With certain 'Special Fares' you will be liable to forfeit part or in some circumstances the whole of your fare if you cancel or fail to travel on the flight(s) you have booked. We advise you to take out insurance to cover these possibilities. For further details, please consult Dan-Air or your Travel Agent.

The Republic of Ireland now imposes a tax of IRL3.00 on all tickets issued and commencing in Ireland.

4. RESERVATIONS, CANCELLATIONS, AND DENIED BOARDING.

Seats should be reserved as far in advance as possible through any office of DAN-AIR or any DAN-AIR APPOINTED TRAVEL AGENT. Nevertheless, no absolute guarantee of seat availability is denoted by the expressions 'Reservations' and 'Bookings' and the timings attached to them. DAN-AIR operates a Denied Boarding Compensation Scheme in respect of flights departing from airports in the United Kingdom and the Channel Islands. Full details are available at any DAN-AIR Booking Office or at airport of departure.

Cancellations or alterations to bookings should be notified to the airline as soon as possible, as a charge of £5.00 (or full fare if less than £5.00) will be made when a passenger fails to cancel his reservation and does not join the flight on which he is booked.

5. REDUCED FARES (SPOUSE, CHILDREN AND INFANTS, STUDENT AND YOUTH, ETC).

The following are general regulations covering reductions for these types of passenger. For details of specific regulations on certain routes contact DAN-AIR or your local Travel Agent (Very Low Fares now available on certain routes may, for instance, preclude the granting of such discounts).

- **SPOUSE:** Reductions of 50% are available on DAN-AIR international routes within Europe (but not on UK domestic services).

The reduction will be granted on F, Y or Club single or return fares to an accompanying spouse, where the full F, Y or Club fare is paid by the other partner, and both partners travel together. (An exception is made where travel commences in the UK when separate travel can be made but on the same day in each direction). Written application must be made to DAN-AIR, from which further details are available.

- **INFANTS:** On International routes an Infant under 2 years of age, not occupying a separate seat, and accompanied by an adult passenger, will be charged 10% of the adult fare (50% if seated separately).

On Domestic UK routes, an infant under 3 years of age not occupying a seat, and accompanied by an adult can travel free (but will be charged 50% of the adult fare if seated separately). Additional infants accompanying the same adult on any routes must be seated, and are charged 50% of the adult fare.

- **CHILDREN:** Over 2 years of age (International routes) or over 3 years (UK Domestic routes), and under 12 years travel at 50% of the adult fare.

- **UNACCOMPANIED CHILDREN AND INFANTS:** Children over 6 years of age and under 12 years may travel unaccompanied with the permission of their parent or guardian. In the child's interest DAN-AIR requires that he/she be escorted to the airport of departure and met at the airport of arrival and that the name and address of the escort be given at the time of reservations. DAN-AIR also requires the parent/guardian to sign an Unaccompanied Minor Declaration Form available from all DAN-AIR Offices.

DAN-AIR will only permit children under 6 years of age to travel unaccompanied if it is able to provide an official escort to accompany the child. In this case the child or infant's fare will be 50% of the adult fare, and a charge of a full adult roundtrip fare will be made for the escort.

- **YOUTHS:** On Domestic routes within the UK a discount of 25% off the applicable full normal fare, valid for one year, will be given to Youths over the age of 12 and under 22. Many UK airlines no longer extend this privilege, but DAN-AIR still allows this reduction on certain routes.

This facility does not apply, however, on DAN-AIR's routes to/from the Channel Isles or Isle of Man at any time, nor does it apply to members of HM Forces travelling on leave between Belfast and the UK (including the Channel Isles and Isle of Man) under a travel warrant issued by the Ministry of Defence.

For further details, contact DAN-AIR or your local Travel Agent.

On International routes, a discount of 25% will be given on the applicable single or return Economy or Public Excursion fares, except on routes between UK and France/Ireland, to Youths over 12 and under 22. For more details, consult DAN-AIR.

- **STUDENTS:** On Domestic routes, DAN-AIR extends a 25% reduction on the applicable full normal Economy fare to students over 12 years of age and under 26, who are pursuing, for at least one academic year, a full-time educational, vocational, technical or nurse's training course, and are travelling between their home and their educational establishment. Proof of age must be produced, and also a "Certificate of Eligibility" from the Educational establishment.

On International routes, with the exception of those between the UK and France/Ireland, DAN-AIR grants the same facility, subject to the stated provisions.

In all the above cases, the determining 'age' to be used shall be that of the person(s) concerned

at the commencement of outward travel. For further details, consult DAN-AIR or your local Travel Agent.

6. PASSPORT, HEALTH, INVALID AND CURRENCY REGULATIONS.

- **PASSPORTS AND VISAS:** DAN-AIR or any Appointed Travel Agent will gladly provide, on request, information regarding Passports or any visa required for your journey, but you must ensure personally that these documents are in order because the carrier cannot accept responsibility for the consequences of any irregularity. You will have to show your passport during your journey, so please carry it with you, do not pack it.
- **CURRENCY CONTROL.** The movement of money into and out of many countries is subject to Government control and you should consult your Travel Agent or any Bank about regulations applicable to your journey well before the date of travel.
- **HEALTH AND VACCINATION:** Certain countries require valid certificates of inoculation and/or vaccination. Please enquire well in advance whether any such certificates are required for your journey. Whilst DAN-AIR or any Appointed Travel Agent will advise you, your doctor can also suggest any other recommended health protection measures such as vaccination against typhoid, tetanus, etc.
- **INVALIDS:** Disabled, sick or infirm passengers may need to obtain approval for travel by air and should always ensure DAN-AIR receives prior notification of any special assistance that may be required on the journey. A charge in addition to the applicable fares may be made in the case of an invalid passenger requiring the use of a seat or seats in addition to that occupied by such passenger, and/or the removal of a seat or seats.
- **BLIND PERSONS:** A reduction of 50% of the applicable full normal fare will be allowed for an adult blind person accompanied by another adult, and to that other adult, on production of an appropriate certificate. A 50% reduction will also be granted to a blind person travelling with a Guide Dog, and no charge will be made for the dog, which will be allowed to travel in the cabin if properly harnessed and subject to space on UK domestic and Republic of Ireland routes. On International routes, taking such a dog is discouraged, because of quarantine, etc, regulations, and the express written permission of DAN-AIR is first required.

7. BAGGAGE, SPECIAL EQUIPMENT AND EXCESS CHARGES.

The baggage rules and allowances quoted below are for the services of DAN-AIR only. Other carriers may have different regulations. Baggage should contain personal effects only and checked baggage must not include fragile or perishable articles, money, jewellery, securities or other valuables, business documents etc. Items of this kind should be taken as hand baggage only.

All hand Baggage is subject to security checks, it is advisable therefore that such items as scissors, knives, ornamental or toy guns be packed in the passenger's checked Baggage. Otherwise delays may be experienced while security remove such items from the passengers possession.

Commercial samples may be carried provided you arrange to be at the Airport for international flights no later than the time specified by the local Customs.

- **RESTRICTED ARTICLES:** Certain articles are potentially dangerous when carried by air, and transportation must be arranged with the carrier concerned. For safety reasons, articles such as the following must not be carried in baggage without consent of and prior arrangement with DAN-AIR: Compressed Gases (flammable, non-flammable and poisonous) such as butane, oxygen, aqualung cylinders, etc; Corrosives (such as acids, alkalis, wet-cell batteries); Agents such as Bacteria, Viruses etc; Weapons, Explosives, Firearms, Flares, Munitions and Fireworks (in no circumstances may these be carried in the passenger cabin); Flammable Liquids and Solids (such as Aether, lighter or heater fuels, matches and articles easily ignited); Oxidising materials (such as bleaching powder and peroxides; Poisons (including insecticides and weedkiller); Magnetised material; Radio-active material; Electronic Equipment which might interfere with the aircraft navigational aids; Other Offensive, Irritating or Restricted articles (such as Mercury, etc). Consult DAN-AIR for further information.
- **FREE BAGGAGE ALLOWANCE:** All adults, and children paying 50% or more of the adult fare, are entitled to a free baggage allowance. Infants travelling at less than 50% of the adult fare are not entitled to a free allowance. The free allowance on DAN-AIR services are as follows:
 - **INTERNATIONAL SERVICES (Except between UK and France):**
30 Kilos (66lbs.) per person when First Class fare is paid.
20 Kilos (44lbs.) per person when any other fare is paid.
 - **INTERNATIONAL SERVICES (Between UK and France):** Two pieces of baggage per person when First or Club fare is paid.
