INTRODUCTION TO DAN-AIR SCHEDULED SERVICES

This timetable is your complete guide to Dan-Air Scheduled Services for Winter 1987/88.

Dan-Air is one of the largest independent British Airlines carrying over 1 million passengers a year on scheduled services alone.

The route network includes regular services to 27 destinations in the U.K., Republic of Ireland and Europe. These services operate at times convenient to business as well as leisure passengers.

Most flights are operated by modern jet aircraft including the British Aerospace 146 'Whisper jet' – the latest addition to the scheduled fleet.

Inflight service includes a breakfast on all flights departing before 9 a.m. and a meal or refreshments on all other flights.

Most services operate to/from London's Gatwick Airport which offers fast access to London and South East England.

New and improved services include:

- * LONDON/PERPIGNAN new winter service to the Gateway to the French Pyrenees and Andorra, every Saturday from 19 December.
- * LONDON/ABERDEEN new earlier weekday departure to Aberdeen at 7.30 a.m.
- * LONDON/DUBLIN extra winter flights on Monday, Wednesday and Friday.
- * LONDON/LISBON year round service with up to four flights a week.
- * LONDON/TOULOUSE new Saturday service from 19 December.
- * LinkLine 0345 100200, our local rate reservation number is now available throughout the United Kingdom.
- * BUSINESS TRAVELLER PACKAGES Special inclusive air travel/hotel/car hire packages that offer exceptional value for today's business traveller. These packages are for sale in the U.K., from London to Aberdeen, Belfast, Inverness, Newcastle and into London from the same cities and Jersey. GATWICK AIRPORT

London's Gatwick Airport is the second busiest international airport in the world handling over 16 million passengers annually.

Located to the south of London the airport's excellent road and rail links provide easy access from most parts of the country. The M23 is adjacent to the airport, with the M23/M25 interchange just to the north. London's orbital M25 is a gateway to Britain's network of motorways.

Passengers travelling to the airport by public transport will find frequent services from London Victoria by the 'Gatwick Express' rail service. Journey time is 30 minutes and trains depart to and from the airport every 15 minutes through the day. There are also frequent services by the 'Gatwick City Link' rail service from London Bridge ideal for City based passengers.

Frequent rail services also exist from south coast areas while there are Intercity Services to Gatwick from as far afield as Manchester, Liverpool and Birmingham. The airport railway station is conveniently located in the terminal complex.

Coach services to Gatwick are many and varied and include 'Speedlink' a non stop luxury coach service operated between Gatwick and Heathrow airports. Journey time is less than one hour and at peak times departures are as frequent as every 20 minutes.

Gatwick Airport is the home of Dan-Air with regular scheduled flights to sixteen U.K. and European destinations and over 100 departures weekly.
