INTRODUCTION

Dan-Air Scheduled Services is the second largest British international scheduled airline, carrying over 1.5 million passengers per annum to 43 destinations in the U.K. and Europe.

Departure and Arrival times are carefully planned to allow maximum convenience to the business passenger, with early morning outbound flights and early evening returns.

The high standard of in-flight service includes complimentary drinks, appetizing meals and hot English breakfasts.

New Services for Summer 1989 include:
