INTRODUCTION

Dan-Air Scheduled Services is the second largest British international scheduled airline, carrying over 1.7 million passengers per annum to 43 destinations in the U.K. and Europe.

This timetable provides complete details of all services as shown on the route map which can be found on the centre pages.

Dan-Air Scheduled Services operates a fleet which includes the very latest British Aerospace 146 and Boeing 737 aircraft.

The majority of our services operate from London (Gatwick) airport, *South Terminal*, which has excellent road and rail links.

Class Elite is our new executive class, which has been designed to serve the needs of the business passenger both on the ground and in the air. *Class Elite* represents an exceptional standard of comfort and service, making sure that the business passenger enjoys a relaxing and stress free flight, arriving refreshed and ready to do business.
