SUMMER 1990

MAR 25-OCT 27

INTRODUCTION

Dan-Air Scheduled Services is one of Britain's largest international scheduled carriers serving 46 routes to twelve European countries, including a well-established domestic network within the UK.

This summer timetable provides full details of all scheduled services, including our new *Class Elite* operations to Berlin and Vienna. We are also pleased to announce the addition of our executive class, *Class Elite*, to the London (Gatwick) – Ibiza service.

The majority of our services operate from London (Gatwick), *South Terminal*, which has excellent road and rail links with London and the South East of England.

From Manchester airport, we operate up to fifty-nine flights a week to eight destinations. Many services also connect with our international network operations from London (Gatwick).

We look forward to welcoming you on board one of our flights to sample for yourself our exceptional service and hospitality.

RULES AND CONDITIONS

CARRIAGE OF BAGGAGE

CONDITIONS OF CARRIAGE

The carriage of passengers, baggage and cargo is subject to *Dan-Air Services Ltd. General Conditions and Terms of Carriage and Regulations*, a copy of which may be seen, on request, at any Dan-Air office.

PERSONAL ALLOWANCE

The following items may be taken into the aircraft cabin free-of-charge:

A lady's handbag: an overcoat, wrap or blanket: an umbrella or walking stick: a small camera: a pair of binoculars: a reasonable amount of reading matter for the flight: any prosthetic device on which an invalid passenger is dependent: infant's food for consumption en route.

CABIN BAGGAGE

Only one piece of cabin baggage is allowed per person.
The weight must not exceed 5 kgs and the total dimensions (length + height + width) must not exceed 40 ins. (102 cm).

FREE BAGGAGE ALLOWANCE

A visual system of free baggage allowance is operated on Dan-Air Scheduled Services. All adults (and children paying 50% or more of the adult fare) are entitled to a free baggage allowance as follows:

	Domestic All Flights	International Class Elite	Economy
Number of pieces	*1	2	1

provided that the total dimensions (length + height + width) of each piece do not exceed 62 ins. (160 cm) and that the weight of each piece does not exceed 23 kgs. *On domestic flights, two pieces of hold baggage are allowed, provided that the total dimensions of both pieces, when placed side-by-side, do not exceed 62 ins. (160 cm).

EXCESS BAGGAGE

If baggage exceeds the visual allowance described above, the excess baggage charges are as follows:

Domestic: £5 for each item in excess of the prescribed limits

International: All baggage will be weighed, assessed against the free allowance (Class Elite – 30 kgs, Economy 23 kgs) and any excess will be charged per kilo in accordance with the distance travelled.

NOTE: Baggage in excess of the Personal and Free baggage allowances will only be carried subject to space being available on the aircraft.

OUTSIZE BAGGAGE

Dan-Air requires advance notice of any baggage which is exceptionally bulky or heavy (ie over 32 kgs).

RULES AND CONDITIONS

GOVERNMENT SECURITY ADVICE

Always use your own bag and pack it yourself
Never leave your bag unattended
Never check in bags for other people
Never carry anything into an aircraft for someone else.

IMPORTANT

It is now a Government requirement that passengers declare at the check-in desk whether or not their baggage contains any electrical items. If undeclared items are discovered the baggage may not be transported.

DANGEROUS ARTICLES

For safety reasons, the following dangerous articles must not be carried in passengers' baggage:

Compressed gases Deeply refrigerated flammable, non-flammable and poisonous, such as butane oxygen, liquid nitrogen, and aqualung cylinders.

Corrosives such as acids, alkalis, mercury, and wet cell batteries.

Explosives Including munitions, fireworks and flares.

Many of the listed articles can be carried as air cargo provided they are packed in accordance with cargo regulations.

RESPONSIBILITY

Dan-Air Scheduled Services cannot accept responsibility for damages resulting from the failure of flights to depart/arrive at times stated in this timetable, nor for errors herein, nor for failure to make connections with subsequent flights. All information within this timetable is supplied in good faith and is correct at time of going to press (March 1990), but schedules are subject to change without notice of liability.

CANCELLATIONS

If you do not wish to use a reservation you have made please inform either Dan-Air or your Travel Agent so that it may be cancelled. Failure to do so may result in either your onward or return reservation being cancelled.

RULES AND CONDITIONS

MINIMUM CHECK-IN TIMES

Listed below are the recommended minimum check-in times. The introduction of tighter security measures at airports, however, has incurred longer check-in procedures. Passengers are advised therefore to arrive earlier than the recommended check-in times to avoid serious delays.
