# FLY TO RENO/LAKE TAHOE FOR THE GREAT OUTDOORS. AND THE GREAT INDOORS.

Reno is the gateway to the great outdoors of the High Sierra. Tall pine forests, crisp mountain air and unbelievably blue Lake Tahoe. Ski the world class slopes of Heavenly Valley, Kirkwood Ski Resort, Alpine Meadows, Squaw Valley U.S.A. and Northstar-at-Tahoe.

And when the sun slips behind the snowcapped peaks, there's the great indoors. Luxurious hotels and restaurants to explore. Glittering nightclubs with big name stars. The promise of casinos in both Reno and Lake Tahoe.

Getting to Reno/Lake Tahoe is easy. Air California has new daily flights from Oakland and Fresno, in addition to flights from Monterey, Ontario, Orange County, Sacramento and San Jose. Take off for Reno/Lake Tahoe. For a great vacation outdoors and indoors.
