JET-PAC[®]

SMALL PARCEL SERVICE

Special treatment for your special parcel.

If you've got a small parcel that needs to be delivered fast, AirCal's JET-PAC service is the ticket.

Fast, same-day service.

You don't have to wait for overnight or next day delivery for your important parcels. Because JET-PAC is available on every AirCal flight—every day. So you'll get fast, same-day service. Guaranteed.

Just deliver your package* to the AirCal JET-PAC counter at least 30 minutes before scheduled departure of your preferred flight. Your package is given priority treatment. Just 30 minutes after arrival, it's rushed to the JET-PAC counter for pick-up. There's even a door-to-door pick-up and delivery service available at an additional charge.

JET-PAC Guarantee.

Your JET-PAC parcel is guaranteed shipment on the flight of your choice if it's delivered to the counter at least 30 minutes prior to departure. If, for any reason, your shipment misses the flight, AirCal guarantees a 50% refund and space on the next flight or your next JET-PAC shipment free.

Counter to Counter as low as \$30.

JET-PAC service costs as little as \$30 per shipment, counter to counter. You may pay by cash, check or major credit card (no collect or COD shipments). And qualified firms can open a JET-PAC credit account immediately.

If you've got a small package that needs to get there fast, call our toll-free number, (800) 638-7348. We'll send you everything you need to give your priority parcels the JET-PAC treatment.

*Ship any parcel which weighs up to 50 pounds, measures up to 90 inches (combined length, width and height) with no one dimension exceeding 48 inches. (Shipments of animals, perishables and hazardous materials cannot be accepted.) Maximum value: \$500.
