# Introducing the Automated AirFair

## Now AirCal Makes the AirFair Frequent Traveler Program Easier...

Finally, a frequent traveler program with nothing for you to do but decide where you'll be spending your next vacation!

That's right! No confusing forms to fill out, and no more keeping track of old receipts. AirCal's new AirFair has been completely automated for your convenience! Now you can avoid keeping track of all those past flights, because we'll do it all for you!

**BEGINNING JANUARY 1, 1985**, everytime you fly with us you can be accumulating mileage towards free trips and exciting vacations. You can start earning free flights on AirCal after only 10,000 miles! Plus, we make it easy to reach an award level quick, because after you've enrolled with us, we'll put 3000 bonus miles in your account automatically. Have your travel agent fill out the special Travel Agent section, and you can even gain an extra 1000 enrollment miles!

### **EASY TO USE**

The ease of our new program can be found in the personalized AirFair membership card.

Once you receive your AirFair card and personalized account number, simply identify yourself as an AirFair member each time you make a reservation with us, and give your number to our sales agent.

Then, when you check-in for your flight, show our agent your AirFair card.

We do the rest!

Your mileage is automatically tracked by our computers and you are sent a statement after each month that you fly with us. Then you can decide whether you want to redeem at that time, or keep building your account for even bigger awards!

### **EASY TO EARN**

We'll also send you information on how you can take advantage of special bonus opportunities to earn "Easy Miles." Throughout the program we will extend these incredible bonus mile offers for flying certain flights, or between selected cities. These miles are added to your regular miles, and make it even easier to win AirFair awards.

### **EASY TO WIN**

Since we keep track of your mileage, you'll never have to worry about when you'll have enough mileage for an AirFair award. And we have some of the greatest travel awards anywhere. Exciting trips to destinations throughout the West; fun vacations in Los Angeles, San Francisco; resort adventures in Palm Springs and Lake Tahoe; free Avis rental cars, and much, much more...

Ask a participating travel agent or an AirCal Representative for an enrollment form and join the new AirFair program. Then you can start putting your miles with us to good use!

The new AirCal AirFair. It's just what you'd expect from the airline that makes flying easy.

# AIRCAL INFORMATION

## AIRCRAFT

AirCal utilizes Boeing 737-200, Boeing 737-300, or McDonnell Douglas DC-9 Super 80 Sunjets on all flights.

## ALCOHOLIC BEVERAGES

Federal Aviation Administration regulations provide that no persons may drink alcoholic beverages aboard an aircraft unless they have been served by the airline, and no such beverage may be served to any person who appears intoxicated.

## BAGGAGE

**Baggage Liability**— Passenger name identification must be placed on the outside of all checked baggage. Baggage identification labels are available from AirCal at no cost. Liability for baggage between points in the U.S. will not exceed \$1250.00 unless you declare a higher valuation and pay an extra charge. AirCal will not assume liability for money, jewelry, or other valuables contained in checked baggage. We will assume no responsibility for unchecked baggage. Excess valuation cannot be declared for certain checked valuable items, such as jewelry, negotiable instruments, currency and antiques.

**Free Baggage Allowance**—(Per Passenger) 1 piece of baggage with linear dimensions (length + height + width) not exceeding 62 inches, plus 1 piece of baggage with linear dimensions not exceeding 55 inches. One or more additional pieces, totaling not more than 45 inches, may be carried on board provided it **fits beneath the seat**; approximate dimensions are not to exceed 10" x 16" x 19". In addition to size, no single piece can weigh more than 70 pounds.

**Excess Baggage**—A standard fee of \$10.00 will be charged for each of the first four pieces, and \$28.00 for each additional piece. The items listed below are subject to the special charges regardless of the total baggage carried.

Bicycles—\$20.00	Scuba Gear—\$10.00
Surfboards—\$20.00	Household Pets—\$24.00

## CHECK-IN TIMES

Make sure that tickets, baggage and other details are in order before checking in. Check in at least 30 minutes before departure (45 minutes if you do not have your ticket). AirCal may cancel your reservation if you fail to check-in and/or are not on-board the aircraft at least ten (10) minutes prior to scheduled departure time of your flight even if you have already checked in for the flight at a location designated for check-in.

## CHECKS

AirCal accepts checks for air transportation when presented with one of the major credit cards listed below and a permanent driver's license.

## CLAIMS

Damage to or loss of baggage must be reported to AirCal immediately upon termination of your flight.

## CREDIT CARDS

AirCal honors American Express, BankAmericard, Barclay Card Chargex, Carte Blanche, Diners Club, MasterCard, UATP and VISA credit cards.

## DENIED BOARDING COMPENSATION

Compensation may be paid if the flight for which you have a confirmed reservation is unable to accommodate you and departs without you. Subject to the exceptions described in the tariff, passengers who are eligible for denied boarding compensation will be offered a payment equal to the sum of the face value of their ticket coupons, with a \$200 maximum. However, if we can not arrange alternate transportation for you, the compensation is doubled (\$400 maximum).

## ELECTRONIC DEVICES

Federal Aviation regulations prohibit inflight operation of electronic devices other than portable dictation recorders, electronic calculators and games, electronic watches, hearing aids, heart pacemakers and electronic shavers. Other electronic devices (including AM and FM transmitters and receivers, portable telephones, and remote controlled toys) may interfere with communication and navigation systems on the airplane and are therefore prohibited.

## LOST TICKETS

When a passenger loses his ticket, or a portion of his ticket, he will be required to purchase another ticket at the appropriate fare before transportation between the applicable points will be furnished.

## RESPONSIBILITY

AirCal will not be responsible for damages resulting from the failure to depart or arrive at times stated in this timetable nor for errors herein, nor for failure to make connections with flights of other airlines or of this company, nor for cancellation beyond our control when such actions are deemed advisable. The Company has the right to cancel reservations before passage or enroute whenever such action is deemed advisable or necessary. Schedules and fares are subject to change without notice.

## RESTRICTED ARTICLES

Corrosive liquids, flammable substances, such as matches and lighter fluid, compressed gas or any hazardous material MAY NOT be carried in baggage.

## SMOKING

Every passenger who meets AirCal's check-in requirements has the right to a seat in the non-smoking section.
