AirCal is proud to announce its acquisition by American Airlines, a carrier known for its quality and great service.

By summer, the combined AirCal, American and American Eagle® schedule will offer over 2,800 flights per day to over 200 domestic and international destinations, including Hawaii, Alaska, Canada, the Caribbean, Europe, and Japan. All this, with just one airline system.

To make our transition a smooth one, a carefully

planned timetable has been prepared. Once our merger is completed, we will have fulfilled the commitment that brought us together

in the first place: To provide you with the kind of air service that makes flying special.

AIRCAL INFORMATION

AIRCRAFT

AirCal utilizes Boeing 737-200, Boeing 737-300, or British Aerospace 146-200 jetliners on all flights.

ALCOHOLIC BEVERAGES

Federal Aviation Administration regulations provide that no persons may drink alcoholic beverages aboard an aircraft unless they have been served by the airline, and no such beverage may be served to any person who appears intoxicated.

BAGGAGE

Baggage and Personal Belongings — Liability for checked baggage is limited to \$1,250 per passenger for travel within the United States; \$9.07 per pound for travel to/from Canada; or the actual value, whichever is less. Additional liability coverage may be purchased at check-in-time. AirCal is not responsible for jewelry, cash, camera equipment, electronic equipment, video equipment, negotiable papers, antiques or similar valuable items as described in the Tariff contained in checked or unchecked baggage. These items should be carried personally. The free allowance for travel within the U.S. and to/from Canada, is one large, one medium, and one small piece, the latter which may be carried on board if it will stow properly. Maximum linear dimensions for the three are 62 inches, 55 inches, and 45 inches respectively, none of which may weigh more than 70 pounds. The under seat stowage is 10" x 13" x 19". Baggage should be locked and outside identification must be affixed. Baggage and other hand carried items are subject to security inspection prior to boarding.

Excess Baggage — A charge of \$25.00 each for 1-3 pieces, \$50.00 each for 4-6 pieces and \$80.00 each for more than 6 pieces will be collected for excess baggage over the free allowance stated above. The charge for baggage exceeding the maximum overall dimensions or weight outlined above will be \$25.00 for each piece.

The items listed below are subject to the special charges regardless of the total baggage carried.

Bicycles—\$20.00	Scuba Gear—\$10.00
Surfboards—\$20.00	Household Pets—\$24.00

CHECK-IN TIMES

Make sure that tickets, baggage and other details are in order before checking in. Check in at least 45 minutes before departure (60 minutes between Canada and the U.S.). AirCal will cancel your advanced seat assignment and reservation if you fail to check-in and/or have checked in and are not on-board the aircraft at least ten (10) minutes prior to scheduled departure time of your flight.

CHECKS

AirCal accepts checks for air transportation when presented with one of the major credit cards listed below and a permanent driver's license.

CLAIMS

Damage to or loss of baggage must be reported to AirCal immediately upon termination of your flight.

CREDIT CARDS

AirCal honors American Express, BankAmericard, Barclay Card Chargex, Carte Blanche, Diners Club, MasterCard, UATP and VISA credit cards.

DENIED BOARDING COMPENSATION

Subject to the exceptions described in the tariff, passengers who are eligible for denied boarding compensation will be offered a payment equal to the sum of the face value of their ticket coupons, with a \$200 maximum. However, if we can not arrange alternate transportation for you, the compensation is doubled (\$400 maximum).

ELECTRONIC DEVICES

Federal Aviation regulations prohibit inflight operation of electronic devices other than portable dictation recorders, electronic calculators and games, electronic watches, hearing aids, heart pacemakers and electronic shavers. Other electronic devices (including AM and FM transmitters and receivers, portable telephones, and remote controlled toys) may interfere with communication and navigation systems on the airplane and are therefore prohibited.

INTERNATIONAL TRAVEL

Passengers traveling between U.S. and Canada shall be responsible for obtaining all necessary documents and for complying with the laws of each country. For more information contact a consulate or embassy, or your travel agent.

LOST TICKETS

When a passenger loses his ticket, or a portion of his ticket, he will be required to purchase another ticket at the appropriate fare before transportation between the applicable points will be furnished.

PETS

RESPONSIBILITY

AirCal will not be responsible for damages resulting from the failure to depart or arrive at times stated in this timetable nor for errors herein, nor for failure to make connections with flights of other airlines or of this company, nor for cancellation beyond our control when such actions are deemed advisable. The Company has the right to cancel reservations before passage or enroute whenever such action is deemed advisable or necessary. Schedules and fares are subject to change without notice.

RESTRICTED ARTICLES
