BAGGAGE INFORMATION

Limits of Liability on Baggage

Liability for loss, delay or damage to baggage is limited as follows unless a higher value is declared in advance and additional charges are paid:

1. For intrastate travel wholly on AIR FLORIDA to the value of such property but not more than \$100 per piece or a total of \$250 per passenger;
2. For most international travel (including the domestic portions of international journeys) to approximately \$9.07 per pound (\$20.00 per kilo) for checked baggage and \$400 per passenger for unchecked baggage;
3. For interstate travel wholly between U.S. points, to \$750 per passenger on most carriers (a few have lower limits).

Excess valuation may not be declared on certain types of valuable articles. Carriers assume no liability for fragile or perishable articles. Further information may be obtained from the carrier.

CHECK-IN POLICY

Customers are required to present their tickets at the Air Florida ticket counter at least 15 minutes prior to scheduled departure time for Executive fare flights and 30 minutes prior to scheduled departure for Pleasure fare flights. Otherwise reservations may be cancelled.

DISCLOSURE NOTICE – DELIBERATE OVERBOOKING

Airline flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. A person denied boarding on a flight may be entitled to a compensatory payment. Liability rules for denied boarding compensation are available at all airport ticket counters.

The reason some flights are overbooked is that invariably a number of passengers who hold confirmed reservations become "no-shows" at flight departure time. Because the minimum number of "no-shows" can be predicted quite accurately based on historical data, the practice of overbooking avoids wasteful empty seats and enables thousands of additional passengers each year to travel on flights they prefer.
