DON'T BE A NO-SHOW!

The no-show factor approaches 25% on peak period flights. Please cancel your reservations if your plans change, or you are unable to use them for any reason. There are many customers desiring confirmed seats that cannot be accommodated because of reserved space that will not be used.

AIR FLORIDA INTRODUCES "HALF FARE" TO WASHINGTON, D.C.

A 50% DISCOUNT (NO RESTRICTIONS) ON EVERY SEAT EVERY MONDAY THROUGH WEDNESDAY AND A HECKUVA DEAL THE OTHER DAYS TOO!

A REMARKABLE PRICE FROM A REMARKABLE AIRLINE.

Air Florida will knock the stuffing out of the regular \$106 coach fare to Washington. Our Monday, Tuesday, Wednesday price will just be \$53. Thursday through Sunday seats will all cost \$80. Those are the prices on every seat on every flight. No gimmicks. No hedges. No restrictions whatsoever. In addition to our low fare, we will offer the only Florida non-stop service to Washington's uncongested, ultra-modern Dulles Airport.

Besides loving our fare you're going to love our airline. We're the super-professional carrier that flies over 100 jet flights daily between 13 Florida cities and the Bahamas. The airline whose "on-time" record is one of the best. The airline who flew over a half-million passengers last year.

BIG-JET SERVICE FOR ALL.

When you fly us to Washington you'll be assured of a comfortable ride. Our Boeing 737's are the new 200-Advanced Series. And our jets come equipped with the most courteous, most helpful flight attendants in the sky.

LOW PRICES PLUS FRILLS.

We're cooking up some novel food ideas for our Washington flights. Delicious surprises you usually don't find on a airline menu. Old-fashioned hot dogs, chili, hot pretzels, corn-on-the-cob, plus "nickel" beer and Happy Hour cocktails.

For Reservations call your Travel Agent. Or in Miami: 592-8010. In Florida, call: 1-800-432-8505. Outside Florida, call 800-327-2971.

Miami, Ft. Lauderdale, Tampa, Orlando, Jacksonville, West Palm Beach, Tallahassee, Washington, D.C., Nassau, Rock Sound, Treasure Cay.

BAGGAGE INFORMATION

Limits of Liability on Baggage

Liability for loss, delay or damage to baggage is limited as follows unless a higher value is declared in advance and additional charges are paid:

1. For most international travel (including the domestic portions of international journeys) to approximately \$9.07 per pound (\$20.00 per kilo) for checked baggage and \$400 per passenger for unchecked baggage;
2. For travel wholly between U.S. points, to \$750 per passenger.

Baggage Allowance

Each passenger is permitted to carry-on baggage so long as it fits beneath their seat. All other baggage must be checked. Three pieces including carry-on will be carried free of charge. There is a nominal charge for each additional piece or those over 70 pounds.

Excess valuation may not be declared on certain types of valuable articles. Carriers assume no liability for fragile or perishable articles. Further information may be obtained from the carrier.

CHECK-IN POLICY

Customers are required to present their tickets at the Air Florida departure gate at least 10 minutes prior to scheduled departure time. Otherwise reservations may be cancelled.

DISCLOSURE NOTICE—DELIBERATE OVERBOOKING

The no-show factor approaches 25% on peak period flights. Please cancel your reservations if your plans change, or you are unable to use them for any reason. There are many customers desiring confirmed seats that cannot be accommodated because of reserved space that will not be used.

Airline flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. A person denied boarding on a flight may be entitled to a compensatory payment. Liability rules for denied boarding compensation are available at all airport ticket counters.

The reason some flights are overbooked is that invariably a number of passengers who hold confirmed reservations become "no-shows" at flight departure time. Because the minimum number of "no-shows" can be predicted quite accurately based on historical data, the practice of overbooking avoids wasteful empty seats and enables thousands of additional passengers each year to travel on flights they prefer.

(Times and fares shown in this schedule subject to change without notice.)
